From A. Lepper Esq.
Superintendent,

Madras (on Leave).

To M.V. Subramaniam Esq. I.C.S.
Secretary to Government
Education and Public Health Dept.
Fort St. George.

No. 1/S/LE/49

19th. January 1949.

Subject:- Alteration of period of leave out of India and release from Government Service on proportionate pension.

Reference :- G.O. Rt. No. 151 Education dated 24th. August 1948 and G.O. Ms. No. 3088 dated 9th. December 1948 Public (Services) Department.

5082

With reference to the G.O's mentioned above I desire to place the following proposal for consideration and approval of Government. I would like to curtail the period of leave granted to me in G.O. No. 151 Edn. dated 24th August 1948 to a period of eight months on average pay and one month on half average pay and return to duty on or about the 21st August 1949 according to availability of passages and apply for my release From Government Service on the 31st December 1949. ~~and final retirement~~ and final retirement after taking the balance of leave due to me.

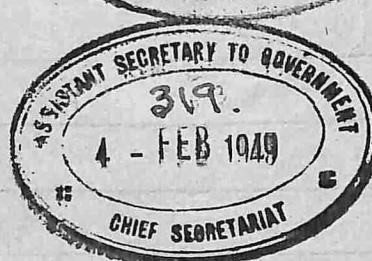

My main reasons for making the above proposals are (1) That my family doctor states that I must have at least eight months in England to fully recoup my health. and (2) That the salary now paid to me is quite inadequate to enable me to live a normal life by European standards. In 1948 the total loss I have suffered on account of the withdrawal of dearness, and special pay amounts to Rs. 470/- per mensem which, a wife and two young ~~children~~ children to educate, my financial position cannot stand. I am left with little option but to obtain employment in England.

I request that an early reply may be sent to this letter so that I can search for employment which I can take up on my release being sanctioned by Government.

Yours faithfully
