As per G.O.No.Ms.2132 Education dated 27/9/39 the sanctioned strength of carpenters is four and two additional carpenters were appointed from 4/10/49 to cope with the general increase in the work of packing section. The number of packers was increased on account of the general increase in the number of indents received from the mofussil offices and also on account of election work. Although the sanction for the additional packers entertained in connection with election work expired by 31/12/49, Government in their order No.Ms.47-Education dated 7/1/50 have sanctioned the employment of 5 additional packers w till 31/3/50 and they are also working. As these packers have to be provided with dealwood cases of various sizes manufactured according to the size of the indents the necessity for the employment of two additional carpenters was felt and they were accordingly appointed from 4/10/49. I therefore request that my action may kindly be ratified and sanction accorded for their continuance till 31/3/50. From 4-10-49 to 31-12-49 their employment was covered by the general sanction accorded by Government in G.O.3356 Education dated 3/11/49 for additional staff required to cope with the despatch of paper for printing electoral rolls.
