Please see the notes on pp/2-13 and the orders in para 3 on page 10 of L.O. No. 866 Edu dated 15-3-50. The D.P.I. reports that the extent of land acquired for playground for the Hindu High School, Triplicane is 2034 sq. feet. The cost of the site to be admitted to aid is Rs. 5030/- as stated by the D.P.I. on P3 CF of the L.O. at (D). The Correspondent of the school now reports that the amount spent by him for the site is Rs. 13,052-3-0 based on the orders of the Chief Judge, Court of Small Causes. If this amount is taken into account for aid the grant payable to the institution works out to Rs. 6526/- and the cost per acre of the land works out to Rs. more than 1 lakh of rupees.

Attention is invited in this connection to the orders in Memo No 78354-47-12-C, Edu dated 2-12-48 fixing the limit for the price of land that might be paid for an acre of land in Municipal areas for acquisition of playgrounds for Secondary schools at Rs. 3000/- This limit is however subject to relaxation in deserving cases. Please see the orders in L.O. No. 628 Edu dated 28.2.50. Further the cost of sites in the city will be high. It is for orders whether a grant of Rs. 6,526 may be paid to Hindu High School, Triplicane as a special case.

Finance may see to remarks.

Fin. (Exp. A.) Deptt.

It is reported that for an area of 2,034 sq. ft. of land, acquired for the extension of play ground, the manager of the Triplicane Hindu High School has paid a total sum of Rs. 13,052-3-0 as compensation under the orders of the Chief

3692 2/50 -2- 5 25/3  
 Judge, Court of Small Causes. The D.P.I. has recommended the payment of the maximum grant i.e., one half of the cost of acquisition and the Education Department consider that a grant of Rs.6,526/- may be paid as a special case.

It may be mentioned that the extent of the site acquired (2,034 sq.ft.) is much less than a ground (2,400 sq.ft.) and even allowing Rs.5,000/- per ground in the city, the cost of acquisition, viz. Rs.13,052-3-0 is disproportionately large. Apparently, the Court's award is not entirely for the site value but also includes compensation for the appurtenances thereto - dilapidated houses and materials. Perhaps, the value of these items may be ascertained separately as in the case of Muslim High School, Melapalayam, in which case the cost of buildings, wells etc., on the site was excluded for the purpose of grant.

See para. 5 on p. 10 of (D)  
 Edn may be requested to ascertain details as to how the sum of Rs. 13,052-3-0 is made up.

The D.P.I. recommendation may be accepted. H.M. (Edn) may see as the cost is unduly large.

Finance have ruled that the recommendation of the D.P.I. may be accepted. The D.P.I. has recommended the payment of a grant of Rs. 2574/- being half grant on the cost of the land acquisition already incurred i.e. Rs. 5028/- It does not appear necessary to care for the particulars referred to as X on the Finance note above as it will mean delay and it will not be possible to distinguish this year. A draft order is submitted. This may be circulated to H.O. (F & L) & H.O. Fin.
