I submit that the annual stock taking and verification of stores is conducted at the end of each official year by an outside expert with Press administrative experience appointed by Government.

2) As the stock of both of papers and store articles etc. numbering about 450 have to be verified by weighment, counting etc. and as the articles have to be re-arranged in order and necessary shiftings of paper have to be made to enable the Stock-taking officer to expedite verification, the services of 4 coolies for a period of $1\frac{1}{2}$ months from 1-3-50 are considered necessary. In the circumstances I request that Government may be pleased to accord sanction for the employment of four coolies from 1-3-50 on Rs.13-8-0 per mensem plus Dearness Allowance not exceeding the prevailing market rates for similar class of labourers. The expenditure will be met from the allotment under 56 Stationery and Printing - d. Government Press - A General Overhead charges - 5 other charges - pay of menials.

3) As the stock verification of paper and printing stores is done annually, I request that the employment of four coolies for $1\frac{1}{2}$ months each year at market rates may be sanctioned as a standing sanction.

To The Secretary to Government,

Sir,

Sub: Annual stock-taking of stores and paper in the
Government Press - Temporary Coolies - Appointment
of - Remarks submitted.

Ref: Government Memorandum No. 13844-E/50 Edn., dated
7-3-1950.

There are about 500 different kinds of articles in the
Stores, in addition to the paper, and all these have to be taken
out and properly arranged for convenient verification by the
outside Officer who has to complete the verification in the
Press and its branches in the City in two or three days. I have
seen the work now being done with the help of coolies who have
been appointed in anticipation and I think that the coolies are
necessary. The sanction applied for may be given for this year.
There is no need for a standing sanction and the Superintendent,
Government Press may be asked to apply every year, at the time
he applies for the appointment of a verifying Officer.

Sanction is accorded to the employment in the Govt. Press Madras, of four temporary cooks on Rs 13.8.0. plus p.m. plus dearness allowance, for a period of 1½ months each year from the current year onwards, for work connected with the annual verification of stores and paper. The pay plus dearness allowance paid to the temporary cooks should not exceed the market rates for similar classes of labourers.

2. The expenditure is debitable to "56 Stationery and Printingd. Govt. Presses (Madras) A. General Overhead charges - Pay of menials."

p.1. UF

The Govt. do not see any reason for opposing standing sanction for the employment of these cooks each year. The S.G.P. is requested to apply every year for sanction to the employment of the cooks at the time he applies for the appointment of a verifying officer.

Finance (E.III).

The reference from the Superintendent, Government Press in the C.F. and the notes of E & P.H. at the bottom of page 1 above may be perused.

Prior to 1949, temporary coolies on daily wages, paid from contingencies, were permitted to be engaged by the Superintendent, Government Press. Last year, in view of the orders in G.O. 97 Finance dated 31-1-49, sanction of Government was sought for the engaging the coolies. Government, accordingly, sanctioned the employment of 4 coolies in the Government Press on Rs. 13-8-0 plus dearness allowance ^{total emoluments} ^{to prevailing} (not exceeding market rates) for work connected with the annual stock-taking and verification of stores and papers for a period of 1½ months from the date of appointment.- vide G.O. No. 590 Education dated 4-3-49.

The Superintendent, Government Press, has now requested that the employment of four coolies for 1½ months each year at market rates may be sanctioned as a standing sanction, as the stock verification of paper and printing stores is done annually. E & P.H. have supported the proposal.

2/. It may be mentioned, in this connection, that the Collector of Madras has been placed on special duty for the reorganisation of the Government Press and it is not known what arrangement he has in view for the annual stock verification of paper and printing stores. It seems necessary that his remarks may be invited in the first instance on the proposal of the Superintendent, Government Press.

The file may be returned to Education Department.

Please see the letter from the Spl. Officer on p.5 of. The recommendation of the Spl. Officer at M on p.5 of. may be accepted in this dept. A modified draft order is submitted for approval. The draft order has been modified suitably. Finance may see for acceptance.
