Sir,

(A) 83268

With reference to your letter No. 68366/C.2/49 Edn. dated 20-9-49, I wish to bring to your kind notice that I have been trying to get a house for me both officially and un-officially ever since I got your communication, but have not been successful so far. I have applied to the Accommodation Officer for the allotment of a house for me urgently and a copy of this was sent to you through the Superintendent, Government Press.

Copy at p 11 (A)

As my best efforts could not secure a house for me, I request you kindly to allow me to continue to occupy the quarters until such time as I secure a house for me or the Accommodation Officer allots a house.

Yours faithfully,

Sir,

Ref: Memo No. 83768 C/2/49-4 Edn. & P.H. dated 14-12-49.

I beg most respectfully to state that in spite of my best endeavours privately and through official channels I have not been able to secure a house so far to enable me to leave the quarters in obedience to your order referred to above. When last week, I approached the Accommodation Officer again with a view to get a house allotted for me by him, he told me that he has a large number of applicants still on the waiting list and I should wait for my chance unless special priority is given to me by Government. As the present Electrical and Mechanical Engineer of the Govt. Press has expressed that he does not require the quarters for the present, I request that Govt. may be pleased to extend the period given to me to vacate, by three more months. In the meanwhile I respectfully request, Government may be pleased to address the Collector of Madras to give me special priority in the matter of allotting a house for me.

Public (General-C) Department.

Please see the letter from Sri K.Govindaraju, Assistant Engineer (Electricity) on p.13 c.f. and the E&PH's note at the bottom of p.3 ante. The file has been sent to this department with reference to the Assistant Engineer's request for grant of special priority in the matter of allotment of accommodation in order to enable him to vacate the quarters now occupied by him. The quarters are evidently intended for use of the Electrical and Mechanical Engineer of the Govt. Press and it is stated that ~~he~~ the present Officer Sri Chokkanathan does not require it at present. It is proposed to give the applicant Sri K. Govindaraju an extension of time of three months to vacate the quarters. ~~The S.G.P. or the E&PH Dept. have not offered any remarks in support of the request. Anyway~~ As the officer has to vacate the quarters by the end of March 1950, it is for consideration whether the Collr. of Madras may ~~perhaps~~ be asked to secure him accommodation treating him as an evicted tenant. It does not appear there are any special grounds for according special priority.

Vide 'M' on p.13 c.f.

A on p.3 ante

It is presumed that Sri. Chockanathan the present Electrical and Mechanical Engineer, Govt. Press is having some other accommodation in Madras. Perhaps Sri. If the quarters are intended for the Electrical and Mech. Engr of the Govt. Press; & have been provided for in order to ensure the presence of the Engr. on the premises whenever there is a breakdown. It is necessary that the Engr shd be made to live in the quarters. I don't agree that the presence of an electrician nearby is a valid reason for the Engr not living in the quarters intended for him. I am not agreeable to the arrangement proposed.

With reference to Secretary's remarks at 'A' above it is submitted that the S.G.P. already stated that the quarters would be necessary for the occupation of the Electrical and mechanical Engineer of the Govt. Press as that officer is required to be near the Press to attend to his normal and other urgent duties. But in view of the fact that Sri K.Govindaraju could not obtain alternative quarters he has been permitted to occupy the Govt.Press Quarters. It may be recalled that Sri K.Govindarajalu was the permanent Electrical & Mechanical Engineer in the Govt Press before transferring his services to Electricity deptt. as Asst.Engineer. At the instance of the Electrical and Mechanical Engineer of the Press, the SGP has suggested that the status of the Engineer's post may be altered from that of an Asst. Engineer as at present, to that of an Electrical Supervisor. The remarks of the Chief Engineer for Electricity have been called for on this suggestion. This suggestion will, if accepted, result in savings. Neither Sri Govindarajalu nor Sri Viswanathan can hope to remain in the quarters if the status of the post is altered. The existing arrangement may perhaps be allowed to continue till a decision is reached on the alteration of status of the post.

I think it is not proper for a person not now in the service of the Govt. Press to occupy any quarters there. The present E&M. Engr of the Press shd be made to occupy the Quarters & this ex-E&M Engr shd be given the house which the other man is now living in.

There is no reason to connect this with the abolition of the post of E&M Engr of the Press.

Sir,

Sub: Occupation of Government quarters for Electrical and Mechanical Engineer, Government Press, Madras.

p19 cf (Y)

Ref: G.O.Ms.No. 1026, Education, dated 29-3-1950.

I beg to submit the following few lines for favourable consideration of Government. I took over charge as Electrical and Mechanical Engineer, Government Press on 15-10-1949 (i.e.,) about 6 months ago. Till now I am residing with my family in private residence. The Chief Electrician and Senior Electricians Government Press are residing in Government quarters. In my humble opinion there appears to be absolutely no necessity for the Electrical and Mechanical Engineer to live in Government Quarters. It is enough if the Chief Electrician and Senior Electricians are living nearby. In this connection I beg to invite the kind attention of Government to the abolition of the very post of Electrical and Mechanical Engineer, which is under consideration by Government. I beg to submit that my living in private residence does not stand in the way of discharge of my official duties.

Separate C.E.E's reply is awaited.

2. Further I have got domestic troubles which force me to live in the private residence. For the last one month, my wife is suffering from chronic bronchitis. There is no possibility of herself being cured in the very near future. My relatives who are living near the private residence look after my sickly wife and three young children, the youngest of whom is one year old. I regret to say that it would not be possible to shift my family from the private residence. Even if I am transferred outside Madras City, it would not be possible for me to shift my family from the residence. Such is the sickly condition of my wife. I would beg of the Government to kindly show some human sympathy to this Government servant who is struggling hard in his family life.

3. I would request the Government to kindly exempt me from occupying the Government quarters for atleast one year more.

Yours faithfully,

T. K. Viswanathan
