Subject: District Board High Schools-South Arcot-Headmastership-Claims overlooked-declaration of fitness-solicited.

Sir,

I beg leave to submit this appeal for the headmastership of one of the High Schools under the District Board of South Arcot, for sympathetic consideration.

During the current school year, five vacancies--two permanent and three leave vacancies--have been filled up, overlooking my claims.

1.	Board High School,	Gingee	Sri Thirunavukkarasu
2.	do	Valavancor	,, S.I.Rajamani
3.	do	Vriddhachalam	,, S.N.Ramachandra Ayyar
4.	do	Porto Novo	,, Venkata Varada Ayyangar
5.	do	Kattumannarkoil	,, V.K.Chellappa.

My own claims to the headmastership of one of them, are based upon the following:-

A Qualifications:

1. B.A Degree English, History and Economics, II Class, 1920
2. L.T.Degree with distinction in the methods of teaching English History and Geography, II Class 1923.
3. Military Training, Indian Defence Force, Trichy, 1917.
4. Scoutmaster's Training 1921-22.
5. Wood Badge course in scouting under Mr. Wilson, Deputy Camp Chief, Gilwell Park, London, at Guindy, 1923.

B. Extra Curricular Activities:

1. Leader of Scout contingent as Scoutmaster, Sivaji Troop, Tirukoilur, that attended the Rally at Ooty in connection with the visit of His Excellency Lord Irwin, 1927.
2. Prize winner-Short Story Competition in English-Hindu Annual 1925, my story Kamala being adjudged the best among several entries, by competent judges.
3. Conductor of Dramatic Performances in the Schools I served in.
4. Founder and President and active member of the Sarada Gana Sabha (Dramatic Club) Kattumannarkoil (1928 to 1934) which contributed large sums of money to the Poor Boys' Fund of the School and also to the Quetta Earth quake Relief Fund in 1935.
5. Founder and President of the L.F.Servants' Co-operative Society, Kattumannarkoil (1932 to 1934 and 1939 to 1942) which is still functioning.
6. Certificate of Merit awarded by the Public Health Department, for successfully organising and conducting "Health Week" at Kattumannarkoil 1930.
7. Free Library and Adult Education Classes 1932 to 1934 at Kattumannarkoil under the inspiration of the then District Educational Officer.

C. Teaching Experience:

1. Assistant Examiner English I Paper S.S.L.C.1928
2. L.T.Assistant in High Schools with experience in Teaching V and VI Forms, English, History and Geography 1920-21, 1923 to 1928, 1935 to 1939.

D. Administrati~~on~~ve Experience:

1. Headmaster, Board Middle School, Kattumannarkoil 1928 to 1934.
2. do do do 1939 to 1945
3. do Board High School do 1945 to 1947 with V Form in 1946-47.
4. do do with ~~VI~~ IV Form Valavanur 1947-1948
5. Present post as Headmaster, Board Middle School, Bhuvanagiri from July 12, 1948.

3

As an L.T.Assistant and as Headmaster, I have made my modest contributions to extra-curricular activities in regard to Music, drama, scouting, co-operation, public health, free library and adult education.

My strongest claims to headmastership are

(1) that I have had both teaching and administrative experience for over 27 years during which period my service as headmaster is over 16 years almost without interruption except from 1935 to 1939:

(2) that I was in charge of the Board High School, Kattumannarkoil, for a year after the opening of V Form in 1946-47 and for 3 days, after the opening of VI Form (Vide enclosure 6) with a total service as Headmaster for 8 years in that school.

(3) that I was put in charge of the new High School at Valavanur with IV Form during its formative period in 1947-48 in recognition of my services and experience at Kattumannarkoil as headmaster;

(4) and that I still continue to hold the post of a Headmaster though of a Middle School, which would not be the case if I had serious disqualifications for holding an administrative post.

(5) The Inspection Reports, extracts from which are herein enclosed, will show that my work has been uniformly satisfactory throughout my service as Headmaster of Middle and incomplete Secondary Schools.

(6) I beg to reiterate and emphasize that the mere fact I have been allowed to continue as Headmaster, is positive proof of my fitness to hold the post and continue as such even after it becomes a selection post.

(7) Enclosures 6 and 7 to this appeal will show that in

June, 1947, when I was the Headmaster of the Board High School, Kattumannarkoil, my claims as probationer was recognised by the District Board and the headmastership was given to Sri P.A.Ramakrishna Reddiar, as he was a prior probationer. Hence the next vacancy either at Gingee or at Valavanur which occurred during the current year, should have been given to me since I was the acting Headmaster of ~~the~~ a High School from 1-1-47 to 26-6-1947.

1. Those gentlemen who have been recently elevated to the headmastership of High Schools possess no administrative experience at all, excepting T.Thirunavukkarasu.

2. Their teaching experience, considering they are far junior to me, is considerably less.

3. To the best of my knowledge, they have not been connected with the organisation of any extra curricular activities.

4. The personal files of some of them atleast cannot bear scrutiny.

I venture to hope that the personal files of all the gentlemen concerned will be called for, compared with mine and my appeal adjudged. It is my humble prayer that in view of L.No.12142 DB of 47 dated 26-6-47, my long service, vast teaching and administrative experience, varied extra curricular activities and good record, I be kindly declared fit to hold the post of headmaster of one of the High Schools under the management of the District Board of South Arcot.

Enclosure 1.

Extracts from inspection Reports 1933-1934 Board Middle School, Kattumannarkoil.

I find a distinct improvement in the tone and efficiency of the school. Not only in respect of the inner life of the school, but even in regard to its extra-curricular activities, the school has achieved a large measure of progress. The scout troop has received a fresh impetus this year. The histrionic talents of the pupils which found free expression in the drama "Ramadas" are highly commendable. The activities of the School-staff in the direction of fostering the library habit by the opening of the free ~~three~~ library, in the premises of the school deserves our special appreciation. The Adult education class in the school, is another interesting feature of the school.

The headmaster has now begun to do very good work. The increased strength of the school is due to the very great efforts of the staff in accordance with last year's instructions.

1943-1944: The work of the school on the whole is satisfactory. The distribution of work is in order.

1944-1945: Board Middle School, Kattumannarkoil.

The school work has been fairly well organised and satisfactorily supervised by the headmaster. The distribution of work and time table are on approved lines.

1945-1946: Board High School, Kattumannarkoil IV Form.

The organising and supervising work of the headmaster is satisfactory, notwithstanding the handicap due to deficient staff and establishment.

The tone and discipline of the school are satisfactory.

The school is continuing its programme ~~its programme~~ of extra curricular activities in regard to students Co-operative Stores, Literary Association, Reading Room and excursion.

1946-1947: Board High School, Kattumannarkoil V Form:

Remarks of the Inspecting Officer on page 11 of the Report:

(1) The Headmaster has well organised the curricular activities within the limitations of accommodation and equipment. Distribution of work is satisfactory. Classification and promotions of pupils are satisfactory. The disciplinary rules are well observed.

Sir,

Sub:-Education-Secondary-Appeal of Sri S.Ramachandra Iyer, B.A,L.T,Headmaster, Board Middle School, Bhuvanagiri for Headmastership in Board High Schools-Forwarded.

pgs 9-12 ante

I forward herewith the appeal petition of Sri S.Ramachandra Iyer, B.A,L.T, Headmaster, Board Middle School, Bhuvanagiri against the appointment of Sri T.Thirunavukkarasu, Sri S.I. Rajamani Nadar, Sri S.N. Ramachandra Iyer, Sri P.V.Venkatavaradhan and Sri Chellappa, as Headmasters in the Board High Schools in this District.

The main contention of the appellant is (1) that he is one of the seniormost L.T. Assistants and (2) that he has previously acted as headmaster in the Board High School, Kattumannarkoil with V Form as highest class from 1-1-1947 to 26-6-1947.

In this connection, it is pointed out, that the names of the above five persons who were appointed as Headmasters were in the panel of the Headmasters at the time of their promotion whereas the appellant's name does not find place yet in the panel. Hence his claim for appointment as Headmaster of a High School did not at all arise. Further for the mere reason that he acted as Headmaster, Board High School, Kattumannarkoil(with V Form) from 1-1-1947 to 26-6-47, he cannot be preferred to the persons whose names found place in the panel. It is brought to the notice of the Government that in a similar case, the Director of Public Instruction, Madras had definitely stated in his D.3988/48 dated 12-8-48 that the policy of appointing Headmasters from the panel will take effect only after the date of receipt of the G.O.No.975 Education dated 10-5-1947 and according to this ruling, the appellant is not eligible for Rs.150/- from 1-1-1947 to 26-6-1947.

From the above facts, it will be evident that appellant is not eligible for promotion as Headmaster as his name was not in the panel at the time the above appointments were made, and the appeal therefore deserves to be rejected.

For Special Officer, Dt.Board.

Letter from the Collector and Special Officer, Dt.Board, S.Arcot D3.No.23021-DB/48 dated 30-11-1948.

Resubmitted to Government with reference to their memorandum No.64813/G3/48-1 Edn., dated 14-12-1948.

2. The name of Sri S.Ramachandra Ayyar was first included in the panel for 1942-43 by the District Educational Officer, South Arcot but as there was difference of opinion between the District Educational Officer and the President, District Board, South Arcot, the matter was referred to the Director by the President District Board. Thereupon the Director examined the records and agreed to the removal of his name from the panel.

3. He was given another chance when his name was included in the panel for 1947-48 by the Divisional Inspector of Schools, Mathura but it was deleted by the Divisional Inspector himself for recorded reasons, while drawing up the panel for 1948-49. The Special Officer could not therefore consider his name at all in connection with the filling up of vacancies of Headmasters that arose in 1948-49. The appeal may be rejected, as the assistant is not fit for re-inclusion in the panel.

3/1

Copy of the recorded reasons referred to above.

The Dt.Educational Officer, South Arcot has made the following report on the work of Mr. S.Ramachandra Iyer, now at Valavanur Board High School, after inspection:--

"Work as a teacher - Fairly satisfactory.
Conduct. - do.
Relationship with staff - Not cordial at Kattumannarkoil.
Health - I am afraid he is having an attack of Asthma,
His supervision is not effective and his organization work is not satisfactory. (No maps, no apparatus, no latrine, no uninal, could have asked teachers to prepare aids.)".

I had no personal knowledge of the teacher and last year, I accepted the recommendation made by the then Dt.Educational Officer. I interviewed the teacher on the 27th April, '48 and I am not very much impressed with him. He may be a good teacher, but I don't consider, after seeing him that he will prove to be a successful headmaster. He appears sickly. While he was at Kattumannarkoil, as Headmaster, he was the President of the Pupils' Co-operative Sotres, and he did not maintain the accounts of the Society properly. There was a complaint and it was enquired into by the Special Officer, Dt.Board and in that connexion, the special officer observed that Sri S.Ramachandra Ayyar, has not displayed adequate tact and administrative experience - this was communicated to Sri S.Ramachandra Iyer by the Special Officer and he was directed to be careful. After interviewing the person, I consider that he may not be a good Headmaster having regard to the proposed re-organizationof Secondary Education, in which activities are emphasized. His name may therefore be deleted.

Please see the Secretary's orders on page 2 ante. The Secretary wanted to see the personal files of all the three. The S.O. was asked to submit the Confidential Reports ~~written by~~ of the D.E.Os. on the teachers, even if no Personal Files as such have been maintained for them. The S.O. of the Dt. Board says that he sent the Reports to the D.P.I., and the D.P.I. says he has returned the Reports to the Special Officer. The D.P.I's office does not seem to be dealing with this matter properly. ~~It seems to be delaying matters.~~ Even if the D.P.I., had no records with him in his office, in view of the clear reference ~~which was issued to him~~ a copy of which was sent to him, he should have obtained from the office of the Dt. Board the Reports of the D.E.Os. on the ~~xxx~~ teachers. He has not done so.

From the D.P.I., Re. No. 2759-G1/48 dated 7-10-49. p.37 c.f.

This appeal is from a Senior Assistant under the District Board of South Arcot against the orders of the P. O of the Dt. Board appointing others junior to him as headmasters of high Schools in supersession of the Asst.'s claims. The appellant's name is not on the panel prepared by the Divisional Inspector of Schools who evidently considers him unsuitable for the appointment. This view is accepted by the D.P.I who agreed to the removal of the Asst.'s name from the panel after it had once been included in it.

The case relates to the representation of Sri S. Ramachandra Iyer, Senior L.T. Assistant ine one of the Board Secondary ~~High~~ Schools in the South Arcot District requesting that he may be declared fit for the post of Head Master of the Board High Schools in the district, in view of his seniority and experience as a Assistant. The Assistant has no right of appeal in such cases, but representations from Assistants voicing their grievances on the subject are usually considered on merits by Govt. who are the appellate authority in respect of Headmasters of High Schools.

It is observed from the D.P.I.'s reports on pages 31 ~~55~~ cf. that petitioner, though a Senior Assistant, has been considered to be unfit to hold the post of Head Master of a

of a high school though his name was included in the panel of candidates in 1947-48, his name was deleted from it by the Divisional Inspector of Schools, for recorded reasons, in 1948-49. These reasons are found at M on p. 55 c.f. In view of these reports regarding the petitioner, no interference on the part of Govt. seems to be necessary. It is for orders whether the petition may be rejected and the draft on p. 1 ante issued. The personal file of the petitioner is at (T) below.
