STATIONERY STORES - Departmental working of Lorries
Additional Staff - Sanction - Request of -

In G.O.Ms.No.668 Education dated 2/3/50, Government approved the proposal of the Superintendent of Stationery to utilise the service of the Carting Contractor in the proposed new system of departmental working with the new Lorry, till 31-3-1950. From 1-4-50, however the Carting Contractor would cease functioning and the booking of outgoing consignments and the clearance of incoming consignments will have to be done departmentally with the help of the two lorries of this office. Two lorries will not ordinarily suffice to clear promptly the consignments arrived at different railway stations in the City and at the Harbour if they have to convey them direct to the Stores at Guindy within the short period of 2 to 3 days which is usually allowed by the concerned authorities for clearing the goods. It is therefore proposed to utilise the transit godowns at I Line Beach in the Collector's Office Compound for storing the incoming consignments as and when they are cleared from the Harbour and Salt Cotaurs and then moving them to Guindy at leisure. This procedure will eliminate the scope for demurrage or wharfage charges levied for delay in the clearance of the consignments.

2. Further as booking is allowed by the railway only for specific routes on each day of the week, subject also to availability of wagons the outgoing consignments of stationery have also to be shifted from Guindy and kept at the transit godowns at I Line Beach for want of space at Guindy Stores and booked as and when asked for booking. This arrangement therefore requires that transit godowns should be under the custody of a clerk who would be required to maintain the accounts of incoming and outgoing consignments and will also look after booking as well as clearance by keeping himself in touch with the railway and Harbour authorities. As these are new and additional functions, not attended to so far by this office, an additional clerk will be necessary who will have to remain whole time at I Line Beach Godown. He must also have some assistance in scriptory work and in keeping the consignments at the shed and also in booking. I therefore recommend that a Lower Division clerk on Rs.45/- with the usual allowances and a Warehouseman may be sanctioned. A set of six coolies at Rs.8/- per day and D.A., per head, may also be sanctioned for employment and sending out consignments. The sanction may be granted from 1-4-50 for one year or till such time as the Stores shift back to I Line Beach.

No reference from to Synt. 3
Stationary in to of way be pursued. He has requested
sanction for the employment of the following add.
Itself to be in charge of the 1 line Beach Idiom
in the Cochoi, Mies Compound for a period of one year
from 1.4.50. for arranging, receiving and sending consignments.
Homer Dusein Clerk.

1 Warehouseman

6 Cookies at Rs. 8/- per day each and S.A.

No extra cost involved in the
proposal works out to Rs. 4,100/- roundly p.a. including
Education depts. have
supported the proposal.

2/ Homer Dusein Clerk.

Finance Dept agree to
the employment of Homer Dusein Clerk as proposed.
It is presumed that the Govt will be ^{work} satisfied with the clerk.
Warehouseman: Education depts have
suggested that a warehouseman on a fixed
pay of Rs. 24/- plus the allowance be given. Sanctioned.
It is submitted that the need arrangement will
certainly tend to reduce the work of the staff
at Stationary Stores Gudis. It seems quite
whenever to sanction one additional warehouseman
and it seems quite possible to depute of the
existing warehouseman from the Stationary Stores
at Gudis to work at First line Beach and
Finance Dept advise that his part of the proposal
be negatived.

2 Six Cookies.

Education depts have
agreed to the proposal for the employment of
6 additional Cookies at Rs. 8/- each per day plus
Dearness allowance. It seems the number of Cookies
proposed is in excess of the actual requirements.
In view of the fact that the Govt will be a
deduction in work at St. Mary's Gudis rep.
clear of out going consignments and incoming

It is not clear whether this will be full time work for all
6 cookies every day.
Sanctioned. It seems quite sufficient
from Cookies at the rate proposed and
same level and that the need for additional cookies may be
examined in the light of the experience gained.
The suggestion of the depts. is
accepted. The extra cost will be reduced to
Rs. 2,000/- roundly per annum.

3/ Finance Procedure:

If the suggestion of the
depts is accepted, no special procedure is
necessary. The sanction given by the Govt will have
to be circulated to HM (FIN) also as the
Govt needs Rs. 3,000/-.

4/ Subject left alone to work. The
draft order on P.L. alone may be accepted.

on H-2. 3 and
