Establishment District Board Tirunelveli - Teaching staff in secondary schools - Adoption of Government scales of pay

From the President District Board Tirunelveli No B3-14308 /49 dated 3-2-50

In G.O. No 1837 Education dated 4-6-1949, the District Board, Tirunelveli, was permitted to adopt the Government scales of pay for teachers in secondary schools under its control from 1-4-49. The P.D.B. Tirunelveli now reports that some teachers have applied for permission to continue in the local body scales of pay and to elect the Govt scale of pay at a date later than 1-4-49 while some have requested that increments may be granted in the Government scales from the date on which they earned their increments in the local body scales. He requests instructions in the matter.

2. The scales of pay fixed for teachers in Government secondary schools is slightly higher than the scales of pay fixed for teachers in secondary schools under local bodies.

If any teacher wants to continue in the local body scale of pay he may be allowed to exercise his option under F.R. 23 to continue in the existing scale until such time as he considers necessary. For the exercise of the option, a time limit should be fixed. It is for consideration whether it may be one year from the date of issue of the Govt order permitting the adoption of Govt scales of pay in the present case. In future cases, the period for the exercise of the option may be fixed as six months. There is no objection under F.R. 23 to elect a date later than 1-4-49 for coming on to the Govt scale. In regard to the question of the grant of increment in the Govt scale to a teacher whose pay on 1-4-49 was the same as that he was drawing in the local body scale it is submitted that ordinarily service in a lower scale will not count for increments in the higher scale. There is

difference in the rate of increment for local bodies' scales and Government scales. As it is open to the officer to elect to

In certain cases, the rates of increments are the same. N

one on to the Govt scale of pay after drawing his increment

 whether service in the local body scale should be allowed to count for

 As regards B above, a similar concern
 has been allowed to Govt servants in connection
 with the fixation of pay in the revised scale
 introduced from 1.1.1947 - Cf. Rule 9 (e)
 of the Revised scale of Pay Rules, 1947. On the
 analogy, ~~service of the~~ such of the teachers

 Govt scale on 1.1.1947 is the same as in
 the ~~local~~ local body scale, may be allowed
 to count ^{their} service in the latter scale which
 has not already been counted for increments
 up to a maximum of one year. This will be equitable & will
