DIRECTOR OF PUBLIC INSTRUCTION
Rc. No. 17-2-1950
25 FEB 1950

Sir,

Sub: ELEMENTARY EDUCATION - Budget Estimate for the year 1950-51 - Mathurai District Board - Elementary Education fund.

======

Enclosure: one file of 57 pages in duplicate.

In enclosing herein in duplicate the Budget Estimate for Elementary Education fund, Mathurai District Board for the year 1950-51 with necessary enclosures and with a copy of the District Board Proceedings No.151 dated 25-1-50 sanctioning the Budget Estimate for the coming year. I invite your kind attention to the following points for your kind and favourable consideration.

As will be seen from the figures furnished and from the note under closing balance, the Budget Estimate for 1950-51 closes with a minus balance of Rs.7,06,750/-. Till 1949-50, the fund was getting a substantial amount from the Village roads and Conservancy Fund to wipe off the heavy deficit.

Contribution from Government in respect of such a fund having stopped from 1949-50 it has become a problem for the District Board to ~~fun~~ find ways and means of balancing the Elementary Education Budget. It was found not possible to provide the entire sum of over seven lakhs, from the general accounts. The Budget Committee in its resolution dated 9-1-50 and 10-1-50 resolved to recommend the raising of Education tax from 17 pies to 30 pies in the rupee of land revenue with effect from 1-7-50. This recommendation was approved by the District Board in its Resolution No.151 dated 25-1-50. Even then, there will be a deficit of Rs.4,16,000/-. Hence ~~Hence~~ the committee has further recommended that the Government may be addressed to grant a contribution equal to the amount of Education tax collected every year. This recommendation also was accepted by the District Board in its resolution cited above.

I therefore request that the Director may be kind enough to recommend to the government, the proposals as well as the request of the District Board so that the Elementary Education Budget Estimate of the District Board may be stabilised.

N.R.Thiyagarajan 22/2/50
President,
District Board, Mathurai.

=====

The position of the Elementary Education Fund continues to deteriorate from year to year to the extent shown below. As the result of such deterioration, it has to indent on the General funds for extra contribution over and above the statutory contribution of Rs.1,48,200/- for wiping off its deficit.

Year.	Statutory contribution to be made from the General funds.	Amount of contribution actually made from the General funds.	Extra amount transferred from G. Village Roads and Conservancy fund.
1947-1948	1,48,200	3,01,492	1,76,800
1948-49	1,48,200	2,00,000	5,60,580
1949-50	1,48,200	1,71,210	5,55,140

With the extension of the benefit of Elementary Education to school-less villages with a population of over 500, the financial position may become still worse. All the same provision has been made in the Budget Estimate of 1950-51, for the opening of new schools in schoolless centres in non-compulsory areas. Provision has also been made for 30 teachers, to be appointed as additional teachers to existing schools. All other sources of income under Elementary Education Fund, being inelastic, the only item that is pliable is the Education Tax. The Budget Committee appointed by the District Board has recommended that the Education tax may be raised from 17 pies to 30 pies in the rupee of the land revenue collected. Even then there will be a deficit of about Rs.4,16,000/-. Hence the Committee has further recommended that the Government may be addressed to grant a contribution equal to the amount of Education tax collected every year. These two recommendations have been accepted by the District Board.

When presenting the Budget, last year, the District Board requested Governments' approval to raise the rate of Education tax from 17 pies to 48 pies in view of the big deficit facing the Elementary Education fund. The Government have promised in their memo No.49993-B-2-49-1- Education, dated 5-7-49 to consider the matter while reviewing the Budget estimate for 1950-51.

The statutory provision to be made from the General Funds is only Rs.1,48,200/- every year. The Government in sanctioning the Budget Estimate for 1949-50 , ordered that the resulting deficit in the Elementary Education Account for the year 1949-50 should be avoided by adjusting the required amount from 'Village Road and Conservandy Fund' sanctioned to the District Board..

The Budget Estimate for 1950-51 closes with a deficit of Rs.7,06,750. In this connection, it is to be noted that the Government was addressed to enhance the rate of levy of the Education tax from 17 pies to 48 pies in the rupee of land revenue and they have in their memo No.49993--B-49, 1 Edn., dated 5-7-49, promised to consider the matter while reviewing the Budget Estimate for 1950-51. The Budget Committee in its resolution dated 9-1-50 and 10-1-50 (vide copy of relevant portion enclosed) resolved to recommend the raising of the Education tax from 17 pies to 30 pies in the rupee of land revenue with effect from 1-7-50 and the same was approved by the District Board in its resolution No151 dated 25-1-50.

Read: From the P.D.B., Mathurai, No.18996-49-E14, dated 22-2-1950.
Endorsement of the D.P.I., No.17-B4/49-50 dated 3-3-1950.

The D.P.I. has forwarded with his remarks the R.E. for 1949-50 and the B.E. for 1950-51 of the Ele. Edn. Fund under the control of the Dt. Bd., Mathurai. The estimates are examined below:-.

2. R.E. for 1949-50:- No remarks.

3. B.E. for 1950-51:- The Govt. have recently decided that the rate of education tax levied by District Boards may be raised upto 36 pies in the rupee of land revenue to provide addl. income to the E.E.Fund. The President has requested in his letter on p.1 c.f. that the tax may be raised ~~to 30~~ pies in the rupee of land revenue from Fasli 1360.

If this request is complied with, the addl. income to the E.E.Fund of the Dt.Bd., Mathurai during 1950-51 (for nine months) on account of the enhancement in the rate of education tax will be Rs.2.19 lakhs. In this case the deficit at the end of 1950-51 will get reduced to Rs.4.88 lakhs.

(2) The Govt. have also ~~proposed~~ decided to make contribution to Dt. Bds., in respect of education tax up to 9 pies in the rupee of land revenue, provided they collect the tax at ~~the~~ a rate not less than 18 pies in the rupee of land revenue. In the circumstances, with reference to A above the Dt. Bd., Mathurai will be eligible during 1950-51 for an addl. contribution up to 9 pies in the rupee of land revenue. This addl. contribution will be Rs.81,000.

4. There ~~will~~ may still be a deficit of Rs.4.07 lakhs at the end of 1950-51. This is mainly due to the expenditure of Rs.4.78 lakhs on the payment of dearness allowance to teachers. D.A. may be

requested consulted whether any addl. contribution can be made from the General funds to the E.E.Fund. The question of granting a subsidy towards dearness allowance may be considered after the actual closing balance on 31-3-1950 is known.

The contributions shown in the E.E. budget and those provided for in the General Account are the same, viz., Rs.1,71,210/- for 1949-50 and Rs.1,48,200/- for 1950-51. Credit is taken in the R.E. of the E.E. Account for 1949-50 for a contribution of Rs.5,55,140/- from the Village Road and Conservancy Fund. As this contribution is not permissible, it is proposed to ask the Dt. Bd. to increase the contribution from the Gl. Acct. from Rs.1,71,210/- to Rs.7,26,350/-. The Gl. Account of the Dt. Bd. for 1950-51 is expected to close with a deficit of Rs.1.70 lakhs against the required minimum of Rs.0.57 lakh. It is proposed to ask the Dt. Bd. to avoid the deficit and to secure the requisite balance by reducing capital expenditure. In the circumstances it is not possible for the Dt. Bd. to make any more additional contribution than Rs 555140 referred to at "A" above from the Gl. Acct. to meet the deficit in the E.E. Acct. for 1950-51. The file may be passed on to Fin. Deptt.

Read:- G.O.No. 1061 Edn. dated 31.3.50
From the P.D.B., Kalluvai No. E14 – 8011/50 dated 4.10.50.

Assuming that the B. E. for 1950-51 of the Ele. Edn. fund of the Dt. Bd, Kalluvai ~~will~~ would open with a nil balance, it was anticipated that the Fund might close with a deficit of Rs. 4.07 lakhs at the end of the current year.

2. Now, the P. D. B., Kalluvai, has reported that the B. E. actually opened with a balance of Rs. 1.83 lakhs. In this case, the deficit in the E. E. fund at the end of the current year will get reduced to Rs. 2.24 lakhs. This is mainly due to the expenditure of Rs. 4.76 lakhs on the payment of dearness allowance to teachers. The question for consideration is whether any subsidy should now be paid from the State funds to the Dt. Bd. towards the expenditure on d. a. L. A. dept. have already stated that no additional contribution can be made in the current year from the general funds to the E. E. fund. In the circumstances, a subsidy of Rs. 1.49 lakhs (equal to 2/3 of the deficit) may be paid now to the Dt. Bd. towards the expenditure on d.a.

Even allowing for some amount for payment of pending liabilities of 1949-50 not provided for in the BE for 1950-51, the dt bd should be able to pay an addl contribn of Rs 2.24 lakhs from the ~~closing~~ balance in the Genl Fd for the current year to the EE fund to meet the deficit in the latter fund in the current year. The dt bd may be asked to do so. No grant need be sanctioned to the dt bd now towards the deficit.
