Sir,

Sub:- Budget - Estimate - 1950-51 - Elementary Education Fund - Tirunelveli District Board.

As per this office above letter there was a deficit of Rs.4,20,750/- in the budget for 1950-51 under the Elementary Education Fund and the Government were requested to sanction an equal sum as special grant to make up the above deficit. But in G.O.No. 1062.Edn. dated 31-3-50 the Government have ordered to raise the Education Tax from 17 to 36 pies in the rupee of land revenue with effect from Fasli 1360 and thus to take a credit of Rs.2,50,000/- in the budget of 1950-51 under this head. Further the Government have decided in the above G.O. to grant a contribution in respect of Education Tax to this District Board, at about 50% of the proceeds of the tax subject to an amount calculated at the rate of 9 pies in the rupee of land revenue and under this account an additional sum of Rs.95,000/- has been taken credit during 1950-51. Thus a sum of

Rs.3,45,000/- has been taken credit as per instructions in the above G.O. Still there is a deficit of Rs.1,00,000/- in the budget for 1950-51 under Elementary Education. Hence I request that the Government may be pleased to issue instructions as to how to meet the above deficit.

Ref:- From the President, Dt. Bd., Tirunelveli, No.G1.33410/49, dated 28-11-1949.
Endorsement of the D.P.I., No.19-B4/49-50, dated 29-1-1950.

pp1-2bc ✓

The D.P.I. has forwarded with his remarks the R.E. for 1949-50 and the B.E. for 1950-51 of the E.E.Fund under the control of the Dt. Bd., Tirunelveli.

2. Provision has been made in the budget for the expenditure connected with the scheme of compulsory elementary education. Credit has also been taken for a subsidy from Provincial funds, towards the cost of the scheme. The transactions relating to this special scheme are noted in para 7 below.

3. Excluding the transactions relating to the scheme of compulsory ele. edn., the normal receipts and charges of the E.E. fund of the Dt. Bd. are as shown below:-

	R.E. for 1949-50	B.E. for 50-51
	Rs.	Rs.
Opening Balance	-43,880	- 36,890
Receipts - ordinary	9,99,780	5,65,800
Receipts - Capital	53,000	57,000
Total	10,08,900	5,85,910
Charges - ordinary	9,90,290	9,84,260
Charges - capital	55,500	63,000
	10,45,790	10,47,260
Closing balance	-36,890	-4,61,350

4. R.E. for 1949-50: Credit has been taken in the R.E. for the following items of receipts:-

'A' in p9c ✓

1) Govt. subsidy of Rs.12,565 towards the ~~est~~ cost of maintenance of Maravar schools and of supply of midday meals to children in these schools.

'B' in p9c ✓

2) A sum of Rs.4.78 lakhs, as contribution from the General funds.

58

(1) above: The subsidy for Maravar schools has already been included in the lump sum subsidy for ele. edn. The scheme of supply of midday meals to children in Maravar schools was ordered to be discontinued with effect from 1-1-1949. In the circumstances, the credit taken may be deleted. K

(2) above:- In Govt. Memo No.43008-B2/49-2-Edn., dated 12-7-49, the Dt. Bd. was directed to make an addl. contribution of Rs.3.65 lakhs in the current year from the General fund to the E.E. Fund (over the sum of Rs.1.95 lakhs already provided for) to wipe off the deficit anticipated in the latter fund. In spite of these instructions, the Board has taken credit only for an addl. contribution of Rs.2.83 lakhs. A sum of Rs.82,000 is yet payable from the General funds. In view of (1) above, the R.E. may close with a deficit of Rs.50,000. Towards this deficit, the Board may now be asked to make an addl. contribution from the general funds instead of Rs.82,000, referred to above. A

5. B.E. for 1950-51

In view of the remarks above, the B.E. may open with a nil balance. In this case the deficit at the end of 1950-51 in the E.E. fund will be only Rs.4.24 lakhs. Provision has been made for a capital expenditure of Rs.63,000. In view of the large deficit, the entire provision may be deleted. If this is done, the deficit at the end of 1950-51, will ~~got~~ be reduced to Rs.3.61 lakhs. L.A. may be requested to say whether any additional contribution can be made from the general fund towards this deficit. If any amount is spared from the General fund, the increase in the rate of education tax proposed in para 6 below may be fixed at a lower stage. B

6. At a meeting of the Cabinet on 7-2-50 the Govt. have decided that the contribution payable from ~~the~~ Provincial funds in respect of education tax should be determined upto 9 pies in the rupee of land revenue. They have also decided the rate of education tax levied by the district board should be raised to 36 pies if addl. funds are required for ele. edn. In the present case the Board is getting a contribution at the rate of 3¾ pies in the rupee of land revenue. If

contribution is made upto 9 pies the addl. amount payable will be Rs.~~1.05~~ 95000 lakhs. There will still be a deficit of Rs.2.66 lakhs, in the E.E. Fund at the end of 1950-51. To avoid this deficit the rate of education tax may be raised from 17 to 36 pies in the rupee of land revenue from fasli 1360. The addl. income from the tax will be sufficient to meet this deficit. No subsidy need be paid from Provincial funds for d.a. to this Dt. Bd. For orders whether the tax may be raised to 36 pies as explained above.

7. Compulsory elementary education: As the Govt. have undertaken to sanction a full subsidy towards the cost of the scheme, the transaction relating to this scheme will not affect the position of the E.E. fund. For the present, the expenditure provided for, and the credit taken for, may be allowed.

The B.E. of the Tirunelveli Dt. Bd. has since been examined. The contributions shown in the E.E. budget and those provided for in the General budget are the same, viz., Rs.4.78 lakhs for 1949-50 and Rs.0.72 lakh for 1950-51. In the circumstances

3. 60

stated in para 4 (2) above, this Deptt. may agree to the contribution from the General Acct. for 1949-50 being increased by Rs.50,000/-. The Gl. Account of the Dt. Bd. for 1950-51 is expected to close with a balance of Rs.1.57 lakhs against the required minimum of Rs.0.53 lakh. The closing balance will be considerably affected and it may even result in a deficit as a result of the fall in income under ~~in/the~~ land cess on the basis of the reduced rentals. The Gl. Account is therefore not in a position to make any additional contribution towards the deficit in the E.E. Account in 1950-51. The E.E. Account also will be considerably affected as a result of the collection of education cess on the basis of reduced rentals. The only course seems to be to increase the rate of education tax to the maximum extent permissible, viz., 36 pies in the rupee of land revenue. The file may be passed on to Finance Deptt.

While passing orders on the B.E. for 1950-51 of Ele. Edn. Fund of the Dt. Bd., Tirunnelveli, it was consid that the rate of education tax, levied in the area of the Dt. Bd. might be raised from 17 pies to 36 pies in the rupe of land revenue with effect from fasli 1360 so as to cover the deficit of Rs. 2.50 lakhs, anticipated at the end of t current year, and which could not be met by any additional contribution from the general funds to the E.E. Fund. In t connection, please see the notes of L.A. on pp. 3-4 n.f.(A

2. The President, Dt. Bd., Tirunelveli, was accordi requested to forward to Govt. a copy of the resolution of Dt. Bd., proposing to enhance the rate of edn. tax, levied in the area of the Dt. Bd., from 17 pies to 36 pies in the rupee of land revenue with effect from fasli 1360. The President, has now in his letter cited above, forwarded a copy of the resolution of the Dt. Bd., proposing to enhance the rate of education tax only up to 24 pies in the rupee of land revenue instead of to 36 pies, for the reason, that the Dt. has been affected by famine. If the proposal of th Dt. Bd., is agreed to, there may be a deficit of Rs. 1.58 lakhs in the E.E. Fund at the end of the current year. L. have already stated ~~requested~~ that no portion ~~in question~~ of the deficit can be met by an additional contribution from the general fund to the E.E. fund. In the circumstances the deficit will have to be met by a subsidy from provincial funds unless th tax is raised to 36 pies.
