Sub: Madras Educational Service - Posts of Chief Professors in certain subjects for the Presidency College - Sanctioned.

Ref: From the Director of Public Instruction No.7864-C1/46 dated 30-9-46 and No.7865 C1/47 dated 8-10-47.

ORDER.

The Government sanction six posts of Chief Professors in the Madras Educational Service, in the Presidency College, Madras, on a scale of pay of Rs.300-50/2-700-75/2-1,000 for the subjects noted belowx, in place of the existing posts of Professors (Pay: Rs.230-700) in these subjects in the college;

One for Physics
One for Chemistry
One for Botany
One for Geology
One for Economics
One for Pure Mathematics

2. The Director of Public Instruction is requested to renew the proposals for the conversion of the posts of Professors of English, Applied Mathematics, History, Zoology and Sanskrit in the Presidency College into posts of Chief Professors, in connection with Part II of the Budget for 1949-50.

3. The Government consider that the scale of pay of the Principal and Senior Professor, Presidency College, Madras, need not be revised for the present and that the question of revising it may be taken up for consideration after the college becomes mainly a research college, training students for higher degrees like D.Sc.

GOVERNMENT OF MADRAS
Education and Public Health Department
Memorandum No. 53494/45-A-19 Edn., dated 29th July 1948.

Sub: Presidency College, Madras - Reorganisation - Institution of a cadre of Chief Professors.

Ref: Correspondence resting with the D.O. of the Director of Public Instruction No.7865-C1/46 dated 8-10-47.

Orders sanctioning 6 posts of Chief Professors in the Presidency College, Madras, are being issued separately. The Government have arrived at the following provisional decisions as to the qualifications, methods of recruitment, etc., to be adopted for the new posts.

2. The scale of pay for the posts has been fixed as Rs.300-50/2-700-75/2-1,000. The posts should be filled by direct recruitment, after being widely advertised in the country. Persons already in the Madras Educational Service and the Madras Educational Subordinate Service (Collegiate Sections) will also be allowed, along with 'outsiders', to apply for appointment; a specific provision has to be made in the rules governing recruitment to the posts to the effect that, notwithstanding anything contrary in the General Rules, officers in the services mentioned will be eligible to compete for direct recruitment.

3. The Government agree with the suggestion made by the Director that selections for appointment to the posts should be made by a Committee. The Committee may consist of the Chairman of the Madras Public Service Commission as the President, the Registrar of the Madras University and another gentleman who has specialised in the subject concerned as the members, and the Director of Public Instruction as the Secretary.

4. The Government also concur in the Director's view that it should be open to the Selection Committee to recommend the fixation of initial pay of the candidates at any point in the scale of Rs.300-1,000 taking into account the age, qualifications and ~~max~~ previous service of the candidate concerned.

5. The upper age-limit for appointment to the posts should be 50. Direct recruits who have exceeded the age of 40 at the time of recruitment will be admitted to the Contributory Provident Fund system, instead of being governed by the ordinary pension rules.

6. Academic distinction, teaching experience, high research qualification and foreign training should be prescribed for the appointments ~~therefore~~ emphasis should be laid on high research qualification and foreign training.

7. The Government consider that, if the services of suitable persons are not secured for any particular posts of Chief Professors, instead of either making contract appointments for short periods or sanctioning Readers' posts on lower pay, ordinary Professors in the Presidency College and Lecturers in other colleges may be appointed temporarily on the present scale of pay applicable to the Madras Educational Service (Collegiate Section).

8. The Director is requested to renew his proposal for the fixation of the age of superannuation for the Chief Professors as 58, some time later. The proposal will be considered after a decision is taken by this Government on the recommendation of the Central Pay Commission for raising the age of superannuation for all Government servants from 55 to 58.

9. The Director of Public Instruction is requested to send to Government, at a verly date, a draft of the amendments necessary to give effect to the provisional decisions set out above: the Madras Public Service Commission will have to be consulted on the draft amendments.

10. A suggestion has been put forward in this connection that all the teaching posts in the Collegiate Section of the Madras Educational Service should be divided into 3 categories - Senior Lecturers, Lecturers and Professors - and promotion from one category to another must be only on the basis of efficiency of the incumbents in the lower category and the research work to their credit, and that that matter should be considered by an Expert Committee consisting of persons like Dr. C.R. Reddy, Dr. Sir. A.L. Mudaliar and the Director of the Indian Institute of Science, Bangalore. The Director is requested to offer his remarks on this suggestion.

11. The Government agree with the Director that Assistant Professors and Lecturers in the department may be encouraged to go, on study leave, to foreign countries for training in research.

Dated, Fort St. George, the 10th August 1948.

Sir,

Sub: MADRAS EDUCATIONAL SERVICE - Posts of Chief Professors, Presidency College, Madras - Method of recruitment, etc.

The question of improving the quality of the teaching staff in the Presidency College, Madras, the biggest institution of its kind in the Province, offering instruction in the largest number of Hons. courses, has been engaging the attention of the Government since 1944. The main suggestion put forward is that the posts of Professors in the college might be taken out of the ordinary Madras Educational Service cadre of Professors and Lecturers who are on the scale of Rs.250-700 and might be formed into a separate category of Chief Professors on a higher scale of pay and that appointment to such posts be made only on the basis of high academic distinctions and experience of advanced teaching and research. In their Order No.1886-Edn., dated 29-7-48 (copy enclosed), the Government have sanctioned for the present, six posts of Chief Professors in the Madras Educational Service in the college on the scale of Rs.300-50/2-700-75/2-1,000 in lieu of the existing posts of Professors. I am now directed to address the Commission under Section 266(3) (a) & (b) of the Government of India Act, 1935, as to the methods of recruitment, qualifications etc., to be prescribed for the new posts. The following suggestions have been made in that connection:-

(1) The posts may be filled only by direct recruitment after being widely advertised in the country. Persons already in the Madras Educational Service and the Madras Educational Subordinate Service (Collegiate Sections) may also be allowed, along with 'outsiders', to apply for appointment and a specific provision be made in the rules governing recruitment to the posts to the effect that, notwithstanding anything contrary in the General Rules for the ~~Provisional~~ Imperial and Subordinate Services, officers in the services mentioned will be eligible to compete for direct recruitment.

(2) If the Madras Public Service Commission agrees, appointment to the posts may be made without the usual statutory reference to it, a direction to that effect being issued by Government under the latter part of regulation 18(b) of the Commission Regulations, 1937, and that selections for appointment to the posts may be made by a Committee consisting of the Chairman of the Madras Public Service Commission as the President, the Vice-Chancellor of the Madras University and another gentleman who has specialised in the subject concerned as the members, and the Director of Public Instruction as the Secretary.

P.T.O.

the Secretary

Committee (3) It may be left open to the Selection Commission to recommend the fixation of initial pay of the candidates at any point in the scale of Rs.300-1,000, taking into account the age, qualifications and previous service of the candidate concerned.

(4) The upper age-limit for appointment to the posts may be laid down as 50. Direct recruits who have exceeded the age of 40 at the time of recruitment may be admitted to the Contributory Provident Fund system, instead of being governed by the ordinary pension rules.

(5) Academic distinction, teaching experience, high research qualification and foreign training may be prescribed as the qualifications for the posts, emphasis being laid on high research qualification and foreign training.

(6) If the services of suitable persons are not secured for any particular posts of Chief Professors, other Professors in the Presidency College and Lecturers in other colleges may be appointed to the posts temporarily, they being allowed only the ordinary scale of pay applicable to the Madras Educational Service (Collegiate Section).

2. I am to request that you will be so good as to obtain the views of the Commission on the suggestions and communicate them to Government at an early date. After the Commission's remarks are received, action to amend the Special Rules for the Madras Educational Service will be taken and the draft of the amendments also will be referred to the Commission.

Yours faithfully,

for Secretary to Government.

Ref: My letter RC.No.1841-K.2/48 dated 14-9-1948 Part II Scheme of proposals replied to in June 7 (B).

In continuation of my above letter I have the honour to submit the following proposals regarding the designation of certain Gazetted posts in the Presidency College:

In G.O.No.1349 Education dated 27-5-48 the Government approved my proposals for the amalgamation of the Pure and applied branches of Mathematics under one head, called the Professor of Mathematics the other Gazetted post being converted into a post of Additional Professor of Mathematics irrespective of the branches in which the incumbents to the two posts are qualified. Accordingly the post of Chief Professor of Pure Mathematics sanctioned in G.O.No.1886 Edn dated 29-7-48 may be designated as the post of Chief Professor of Mathematics and the existing post of Additional Professor of Mathematics as the post of Professor of Mathematics.

Similarly there are posts of Additional Professors for the departments of Physics, Chemistry, Botany and Zoology. Consequent on the conversion of the posts of Professors in these subjects into those of Chief Professors, the existing posts of additional Professors in question may be designated as posts of Professors. The posts of Additional Professors in English and History may also be designated as Professors when the posts of Professors in the subjects are converted into Chief Professors with reference to my letter RC.No.1841-K.2/48 dated 14-9-1948.

I request that my above proposals may be approved.

Yours faithfully,

I am to say that the Commission regrets its inability to agree to suggestion (2) in paragraph 1 of your letter cited and that its Chairman is therefore unwilling to serve on the Committee referred to. The Commission feels strongly that the selections should be made by the Commission itself with such technical and specialist assistance as the Government may deem fit to provide, and not by a Committee as suggested in your letter. The Commission has been specially created for purposes like this and when its services are available to the Government, there is no need for a Committee to do work of this sort for which the Commission exists and which statutorily devolves on it and which it is actually doing almost daily. The Commission would invite attention to the correspondence leading to Government (Education and Public Health Department) Memo.No.31091-A-11 Education, dated 5-8-48 relating to the selection of a Principal for the Teachers' College, Saidapet, in which the Government have accepted the Commission's view that the selection in that

case

case should be made not by a Committee, but by the Commission itself, and would suggest that the present case may also be dealt with on the same lines.

2. The Commission has no remarks to offer on the other suggestions mentioned in your letter cited.

I have received a letter from Sir C.V.Raman as follows:-

"Government has also sanctioned six posts of Chief Professors in certain subjects in the College on a pay of Rs.300--1,000 to attract the best men for the posts. In this connection I believe the Government have also stated the qualifications needed in the incumbents of these Chairs and the procedure proposed to be followed for their selection. As these are matters of considerable importance for the work of the committee, I shall be much obliged if you can kindly obtain a copy of the relevant G.O. and circulate the same to the members of the Committee."

Please therefore send to either Dr.Haq or to me the relevant G.O. so that it can be circulated to the Members of the Committee as desired by Sir C.V.Raman.

I am of opinion that the question of providing the present Professors in the Presidency College, Madras with Lecturers' posts in the respective subjects in other Government Colleges may be taken up for consideration after Government have considered and passed orders on the report of the Reorganisation Committee and after the present Professors are found prima facie unsuitable for the Chief Professors' posts on the basis of the qualifications to be laid down for those posts. I shall submit in due course a detailed report on the position in each subject unit and the consequential arrangements arising from the appointment of Chief Professors. I may add that I have examined the question in detail and that there would not be any difficulty in providing alternative posts in the Madras Educational Service for the present Professors except one, namely Professor of Geology which is the only M.E.S. post in that subject.

Sub:- Presidency College, Madras - Reorganisation

In G.O.No.1886-Education dated 29-7-1948 Government sanctioned 6* posts of Chief Professors in Madras Educational Service in the Presidency College, Madras, in the scale of Rs.300-1000 in place of the existing posts of Professors in the scale of Rs.230-700. In connection with the Part II schemes for 1949-50, I have recommended the conversion of 4* more posts of Professors into that of Chief Professors - Vide my letter RC.1841-K2/48, dated 14-9-48. I request that as a first step in the scheme of re-organisation, the 10 posts of Chief Professors may be brought into existence immediately and the Public Services Commission requested to proceed with the recruitment to the posts. The extra expenditure on this account may be met from the provision of Rs.3.16 lakhs made in the current year's budget - Vide Govt. Memo. No.763-3/49-A-Edn., dated 9-2-1949.

In para 3 of their memorandum No. 52494/A-45-Edn. dated29-7-48 Government agreed with the suggestion that selections for appointment to the posts of Chief Professors should be made by a Committee including a specialist in the subject concerned as a member thereof. The need for associating specialists with the Selection Committee has been recognised by the Raman Committee also as may be seen from its recommendation to constitute a Selection Committee for each subject with the Principal and four experts in the subject concerned. Now that the Public Service Commission is said to insist on its being the selecting authority, Government may concur in the Commission's view if the Commission is willing to have experts associated with it in making the selections.

A disadvantage attaching to the observance of the normal procedure in regard to the selections under reference is that the services of experts in the subjects will not be available to help the Commission in assessing the professional knowledge and research work of the applicants because only the Director can be present at the interview and take part in the selections. This could be got over if the Commission would agree to subject specialists nominated by Government being present at the interview and taking part in the selections in addition to the Director. I have informally discussed this question with the Chairman of the Public Service Commission and I understand that the Commission may be willing to have two experts in each subject associated with it for the purpose

of selecting candidates for the posts of Chief Professors.

2. Amendment of Special Rules: A proposal to amend the Special Rules for the M.E.S. so as to constitute the posts in Arts and Training Colleges into separate classes is under consideration - vide Government Memorandum No. 40223-A/47-B Education dated 6-10-49. The draft amendments sent therewith will be suitably amplified so as to include the posts of Chief Professors and the special rules relating to them. If the Special Rules are amended now in respect of the posts of Chief Professors, the amendments will clash with the draft amendments referred to above. In order to avoid repeated amendments of the Special Rules it seems better to issue the rules relating to Chief Professors as ad hoc rules in the first instance so that recruitment may be proceeded with and then to incorporate the rules in the Special Rules along with the draft amendments under consideration.

3. Qualifications etc. According to para 6 of the Government Memorandum No. 53494/45-A-19 Edn. dated 29-7-48, emphasis should be laid on high research qualification and foreign training for purposes of recruitment to the posts of Chief Professors. The opinion of the Raman Committee in this regard, quoted in the U.O. note, is relevant to foreign training alone and not to research qualification. As the Chief Professors would be selected on the basis of their actual achievement in the field of teaching and research irrespective of foreign training, it does not seem necessary to lay emphasis on foreign training except as a preference.

The following ad hoc rules are suggested for the posts of Chief Professors:--

Draft Rules.

1. The posts of Chief Professors in the Presidency College, Madras, sanctioned in G.O. Ms. No. 1886-Edn. dated 29-7-48 shall constitute a separate class of the Madras Educational Service.

2. Appointment to the posts shall be by direct recruitment.

Provided, notwithstanding anything contained

in the General Rules for the Madras Provincial and Subordinate Services, members of the Madras Educational Service in categories 2 to 5 of Class III and category 3 of Class V and Asst. Professors and Assistant Lecturers (Men) in the Madras Educational Subordinate Service shall also be eligible to be recruited direct to the posts:-

3. No person shall be eligible for appointment to the posts unless he possesses the following qualifications:-

(a) Must possess first or second class degree of M.A. or B.A.(Hons.) or B.Sc.(Hons.) of a University in the Province in the subject in respect of which recruitment is necessary;

(b) Must possess experience in teaching the subject for not less than five years;

(c) Must have done advanced research work in the subject. Preference shall be given to such of the candidates as have in addition obtained any higher degree (by examination, advanced study or research) of a University in Europe or America.

Preference shall be given to such of the candidates as have had experience in teaching Honours and Post-Graduate classes.

4. No person shall be eligible for appointment to the posts if he has completed 50 years of age on the first July of the year in which recruitment is made.

5. A person appointed to any of the posts shall, from the date on which he joins duty, be on probation for a total period of two years on duty within a continuous period of three years.

6. A person appointed to any of the posts shall, if his age at the time of recruitment exceeds 40 years and if he is not already governed by the pension rules, be admitted to the Contributory Provident Fund instead of being governed by the pension rules.

7. The rule of communal rotation (General Rule 19(a) shall not apply to appointment to the posts of Chief Professors

24

8. There shall be paid to the holders of the posts a monthly pay calculated in the scale of Rs 300-50/2-700 75/2-1000.

4. The above rules give effect to the orders of Government in their memo No. 53494/45-A-19 Edn. dated 29-7-48. The two points not mentioned therein but in respect of which provision has been made in the draft rules are (i) fixing a minimum period of teaching experience, and (ii) excluding the Chief Professors' posts from the purview of the rule relating to communal rotation. As the University ordinarily insists on the heads of Departments having an experience of not less than four years, it is appropriate to fix a minimum period of five years' teaching experience for appointment to the posts of Chief Professors. As it is proposed to make appointment to these posts entirely on merit, they may be excluded from the operation of the rule of communal rotation.

5. The Chief Professors may be appointed from the beginning of the next academic year (1950-51). The question of appointing them a little earlier may be considered after the selections have been made.

The Govt., on further consideration, agree with the Commission that the selection of candidates for the posts of Ch.Profs., Presy.College, Madras, should be made by the Commission itself -- it, however, being assisted in the work by such specialists as the Govt. may deem necessary to nominate for each subject from time to time. I am to forward herewith a draft of the ad hoc rules which it is proposed to frame for the posts and to request that the Commission will kindly offer its remarks thereon. The posts, it has since been held, should be treated as tempy.

2. It is necessary to appoint the Ch.Profs. from the beginning of the next academic year, 1950-51. If the Commission has no remarks to offer on the draft, I am further to request, therefore, that it will be so good as to proceed to advertise the posts sanctioned in G.O. Sir,

Sub: Recruitment - Madras Educational Service - Chief Professors - Presidency College, Madras - Change of designation of the posts in Mathematics Department.

Ref: Government E & P.H. letter No.64935-A-1 Edn., dated 23-1-1950 addressed to the Commission (copy received).

With reference to paragraph 2 of the letter quoted above, I have the honour to invite your attention to paragraph 2 of my letter R.C.No.1841 K2/48 dated 23-9-1948 (an extract enclosed for ready reference) and to the orders in Government Memo No.71776-A.1 dated 25-10-1948. Now that it is proposed to advertise the posts of Chief Professors and proceed with the selection of candidates, I submit that in pursuance of the orders contained in G.O.No.1349 Edn., dated 27-5-1948, the post of "Chief Professor of Pure Mathematics" sanctioned in G.O.No.1886 Edn., dated 29-7-1948 may now be designated as "Chief Professor of Mathematics" so that the best-qualified person in Mathematics, irrespective of the particular branch of Mathematics he might have specialized in, may be selected. I request that necessary orders changing the designation may be issued early enough so that the correct designation of the post may be specified in the advertisement to be shortly issued by the Commission.

The Govt. agree that rule 4 in the draft of the rules for the posts of Ch.Profs. in the Presy. College, Madras, may be omitted.

The general instructions re: the removal of sex disqualification for appt. to all services, is under consideration in the Pub. Dept. The question of appointing women to the Ch.Profs.' posts will however be reconsidered, if necessary, after the general instructions are issued.

2. In this connection the following point has also been examined. Rule 5(b) of the Spl.Rules for the M.E.S. makes General Rule 10(c) re: domicile inapplicable to some technical posts in the M.E.S. such as those in the Engg. Colleges. When the draft rules for the posts Ch.Profs. were prepared, it was thought that those posts also shd. not be governed by any domicile restrictions. Hence the refce. to the General Rule in draft rule 3. On reconsideration of the matter in the light also of G.O.No.553-P.(S.), d/- 9-2-50, it is felt that either to the posts of Ch. Profs. or to the other posts refd. to in Special Rule 5(b), persons who are not citizens of India should not be apptd. only if qualified and suitable citizens of India are not available and even in such cases the specific sanction of the Govt. should be obtained previously.

3. W.r.t. your office t.m. cited, I am to state that, accepting the recommendation of the D.P.I. in his letter No.7865-C146, d/- 17-

(copy sent to you), the Govt. have ordered the change of designation of the post of Ch.Prof. of Pure Maths. to "Ch.Prof. of Maths." ~~Vide copy of the order enclosed.~~ The Govt. have also since sanctioned three more posts of Ch.Profs. - one ~~each~~ post for each of the subjects of English, History and Zoology. - ~~Vide~~ the G.Os. enclosed.

4. If the Commission has no remarks to offer w.r.t. para 2 above, Special Rule 5(b) and refce. to General Rule 10(c) in draft rule 3 will be omitted; ~~The~~ Commission ~~will~~ kindly advertise the six posts ~~sanctioned in~~ G.O.No.1886-Edn., d/- 29-7-49 (as amended - vide para 3 above), and also the three other posts newly sanctioned, after deleting the refce. to General Rule 10(c) in ~~xxxx~~ ad hoc rule 3, ~~as well as ad hoc rule 4~~.

To Edn. and P.H. Dept.(A).

M.E.S. - Posts of Chief Professors in the Presy. College - Qualfns., method of recruitment, etc.

Six posts of Chief Professors in the MES were recently sanctioned for the Presy.College, Madras. The question of framing rules regulating the method of recruitment, qualfns., etc. for the posts was considered by Govt. The provisional decisions arrived at are set out in the Memo. at pp.2-3 C.F. One of such decisions is that appt. to the posts may be made, not by the M.P.S.C., but by a Committee consisting of the Chairman of the MPSC, the Vice-Chancellor of the Madras Unty., a specialist and the D.P.I. The Commission which was consulted in the matter has to offer no remarks on the proposals except on the one to entrust the selection for the posts to a Committee. It does not agree to that proposal and says that the Chairman is unwilling to serve on the Special Committee. It insists on the work being done by it. The view that recruitment to the posts must remain with the MPSC itself was expressed by this dept. ("S"/83) and the suggestion was agreed to by Public ("S"/86). It was also pointed out that the Commission was likely to object to the proposal ("S"/103). But H.M.(Edn.) held that the Commission was not the proper authority. The Commission's letter is at pp.6-7 C.F. The stand taken by it is quite justifiable. It is subd. that the Ch.Professors' posts need not be taken out of the purview of the Commission but that, on the analogy of the case dealt with in L.F., the Commission may be requested to have, at the selections the assistance of such persons, apart from the D.P.I., as the Govt. may suggest. It seems that this wd. meet the point ob.

We must guard against making a fetish about this matter. The terms of reference to that Committee do not include the work of selecting Chief Professors. If this work is to be entrusted to it, the terms have to be amended. It may also be subd. that the Expert Committee is in the nature of an ad hoc body. As it would not be a "standing committee", each time a vacancy or vacancies occur in future, the Committee has to be constituted. The D.P.I. should also be allowed to participate in its deliberations when selections for the posts are made. The membership of the Committee is 9. If the Dir. is co-opted, the no. will come to 10. Extract from the file re: Reorganisation of the Presidency College.

---

5 H.M.discussed the proposals with the Vice-Chancellor, the D.P.I. and the Principal of the Presidency College. It was considered (1) that the report should be examined without delay in sectional notes, (2) that the proposals for appointing Chief Professors and providing accommodation within the sanctioned appropriation of 2½ lakhs may be immediately proceeded with as they do not conflict with any decisions that may be arrived at on the proposals of the Committee or of the University. The D.P.I. may be asked to submit proposals without delay.

On the general question of the scheme for management the views of the Vice-Chancellor, the D.P.I. and of the Provincial Advisory Committee are against the creation of a governing body. The Vice-Chancellor thought that the Presidency College required to be improved in respect of the calibre of professors which seems to have deteriorated by the process of promotions being confined only to the M.E.S. He also thought that the Presidency College should serve, as it did in the past, as a training ground for professors appointed to administrative charge of colleges in the province.

J.M.L.
2-8-49.

Before the Chief Professors are apptd., rules prescribing the method of their appt., their qualfns. and age and the other conditions of their service, have to be issued. The provisional decisions embodied in the Memo. at pp.2-3 C.F. about these matters were arrived at by Govt. before, in consultation with the D.P.I.

As to the authority to make selections for the posts, the D.P.I. suggested that a Special Committee might be constituted. The M.P.S.C. however objected to that suggestion and insisted on its being the selecting authority. That view of the Commission was concurred in by this and the Public Depts. No final decision in circulation was taken. It was ordered that the report of the Raman Committee might be awaited.

The

The Raman Committee's recommendations about the Professors in the Presy. College are at pp.7-8 and 10-12 of its report at "R". They are, in brief, as follows:-

The Governing Body to be constituted for the college should advertise the posts. After the applications are recd., it should constitute a Selection Committee for each branch of study. The Selection Committee should comprise one member of the Governing Body (Chairman) and the Principal of the college and four experts as members. ⊕ The ultimate aim should be to create 24 independent depts. of study each headed by a Professor. The 24 depts. are mentioned at "R"/11. In the first instance, 17 posts dealing with the main subjects of Mathematics, Physics, Chemistry, Botany, Zoology, Geology and Economics, be advertised. The question which exactly of those 17 posts should be filled in the first year may be left to the Governing Body who will pay regard ~~the~~ to the qualfns. of the candidates recommended by the Selection Committee and to the relative needs of the different branches of study. The posts left unfilled may be advertised next year. The vacancies still outstanding in that year may be advertised in the third year.

These proposals of the Raman Committee are quite different from those already framed by Govt. Six Chief Professors in the following subjects were sanctioned last year:-

1. Physics.
2. Chemistry.
3. Botany.
4. Geology.
5. Economics.
6. Pure Mathematics.

Orders sanctioning 4 more posts in the following subjects are likely to be issued this year:-

7. English.
8. History.
9. Zoology.
10. Sanskrit.

If the creation of a Governing Body for the College is ~~doubtful~~ not accepted, the point whether the M.P.S.C. should make the selections or a Special Committee should be appointed, has to be decided. The appt. of these Chief Profs. is one of the main features, if not the main feature, of the scheme of re-organization of the Presy. College. Whether in this respect the Raman Committee's proposals should be deviated from, deserves some thought. At C.F.20, the DPI has said that the Services Commission may be asked to proceed with the recruitment to the 10 posts mentioned above. Perhaps, now, he has revised his opinion that the selections for the posts should be entrusted to a special committee.

Re: qualifications, it was considered that academic distinction, teaching experience, high researc qualfn. and foreign trg. should be prescribed for the post, with emphasis on the last two, viz., high resear qualfn. and foreign trg. The Raman Committee has opined: "While we recognize the advantage to be derived by a person of the requisite capacity having spent a certain period abroad in higher study and research, we would not consider this to be a sine-qua-no for the appt. of a Prof. in the college, as this might result in the exclusion of highly qualified candidates Considering this view, it seems that no particular emphasis need be laid on research and foreign qualfns.

The D.P.I. may see this u.o. and offer his remarks at a very early date. He may also send a draft of the rules to be incorporated in the Special Rules fo the M.E.S. He may further be requested to say whether it will do if the appts. of the Ch.Profs. are made from the beginning of the next academic year (1950-51).

D.P.I may see. Re A above, considering the facilities for training in this country, some deputation appears necessary in respect of certain subjects.

To The D.P.I.

From the D.P.I., No.7865-C1/46, d/- 10-11-49.

MM at p.6 ante - Selecting authority: The D.P.I. agrees with the view at B at p.1 ante that the Chief Professor posts may be within the purview of the M.P.S.C. but that it ma be requested to invite specialists nominated by Govt. to be

present at the interviews.

A at p.7 ante - Qualifications: The Dir. considers that emphasis may be on research expce. but not on foreign qualfns.also. Foreign degrees, he adds, may however be preferential qualfns. These may be accepted.

The Dir.'s recommendation that the rule of communal rotation need not be applied to the posts, may also be accepted. On the analogy of posts in Engg. Colleges, domicile rule to read not be applied.

A draft of the rules is subd. to Legal may see before circn. When the draft is refd. to the Commission for remarks, the Commission may be asked to proceed to advertise the posts pending actual issue of the rules if it has no objn. and if it has no remarks on the draft.

Specific provn. in the rules requiring the Commission to invite Govt. nominees to take part in the interviews does not seem to be necy. No authorization in the rules for the Commn. recommending higher initial pay to deserving candidates, appears necy., either. Special requests to that body in the letter enclosing the draft will, it seems, do.

Only the E.&.P.H. Deptt.'s note from XX on p.5 ante. and the draft notification below may be perused.

'M' above:- No special remarks seem called for in this dept.

'N' above:- This Dept. need not object to the proposal. As the communal rule applies only if it is specifically prescribed in the Special Rules, the reference to this rule in draft rule 3 does not seem really necessary.

'P' above:- This Dept. may agree that no specific provision in the rules for the purpose is necessary.

LEGAL DEPARTMENT.

It is presumed that the posts of the Chief Professors are only temporary. If, on the other hand they are permanent posts, the issue of ad hoc rules will be inappropriate. Subject to the above remark, the alterations indicated in red ink on the draft notification may be made.

7/1/50

Q in Public's note at p.8 ante.

Legal does not apparently agree with Public. They have retained in the draft the provision making the communal rule inapplicable to the Ch.Profs.' posts. The reason for this is evidently that rule 3 of the M.E.S. Special Rules makes the communal rule inapplicable only to those posts in the Service which are specifically listed in the Special Rule.

R above.

In connection with the conversion of some other posts of Profs. in the Presy.College into Ch.Profs.' posts, it has been held that the conversions are only tempy.

THE question of framing rules for the posts of Chief Professors in the Presidency College, Madras, and advertising the posts for recruitment, is considered in this file. The only point which presented difficulty of solution was about the authority to be entrusted with the selections. The D.P.I. and the former H.M.(Edn.) were against the M.P.S.C. being the selecting authority; they desired that

a special committee should be constituted. The Commission protested against this proposal, and this dept. and Public opined that the Commission's stand was justified. The D.P.I. has since agreed to the Commission itself making the recruitments, it however being assisted in the selections by specialists to be nominated by Govt.

The draft rules and the draft letter below are for approval. May be circd. to H.M.(E.&.L.) and H.Pr.

(Issued as Legal/Ref. No. 64935-A.11-Edn., dt-28.1.50).

From the Secy., M.P.S.C., No. 540-B3 d/- 11-2-50.
-- 50-1,

On the analogy of rule 4 of the Special Rules for the M.E.S., which prohibits the appt. of a woman to any post in the Men's Branch and the appt. of a man to any post in the Women's Branch, it was provided in the draft ad hoc rules for the posts of Ch.Professors in the Presy. College that no woman would be eligible for appt. to them. The Commission, whose remarks on the draft ad hoc rules have been recd., has suggested that the provision re: women refd. to above may be deleted in view of Art.16(2) of the Constitution. In L.F., Legal has given the ruling that considering both Art.16(2) and Art.15(3) of the Constitution, the reservation for women of posts in institutions specially intended for them, is unobjectionable. But, reservation of any appts. for men will, it seems, run counter to the Constitution. Hence, the Commn.'s suggestion may be accepted.

2. Another point gives cause for doubt. General Rule 10(c) prevented the selection for appt., without Govt.'s specific sanction, of a candidate other than a subject of His

Majesty domiciled in India. That General Rule was in applicab to some technical posts in the Edn. Dept., such as those in the Engg. Colleges, by virtue of rule 5(b) of the Special Rules for the M.E.S evidently for the reason that if domicile restrictions were enforced, it would be difficult to find qualified and suitable men for the posts. When the ad hoc rules for the Chie Professors' posts were drafted, a provision similar to rule 5(b) was incorporated. The term "a subject of His Majesty domiciled in India", occurring in General Rule 10(c), became inappropriate since 26-1-50, and Public have amended the rule substituting "a Citizen of India" for that term. Rule 5(b) of the Special Rules for the M.E.S. and ad hoc rule 3 for t Ch.Profs.' posts, now mean that foreigners (i.e., candidates other than Citizens of India) also are eligible for appt. It is not known whether there is any ban on the employment of foreigners in the services. Pub.(Ser.) may kindly offer their remarks.

3. Pub. may also be requested to return the file thro' Legal w.r.t. para 1 above.

When the Commission is informed of the decisions on the points above, it may also be asked to include in its advtt. the three other Ch.Profs.' posts since sancte at p.30 C.F. for English, History and Zoology.

Public (Services) Department

(Previous note of this department on pp.8-9 above)

The further note of E & P.H. from XX on p.10 ante may be perused.

A on p. 10 ante.-It is proposed to issue genera instructions in this department regarding removal of sex disqualification in the matter of appointment to the public servic with reference to the provisions of the Constitution. The conn ed file was sent to L & P.H. /Legal with this department U.O.N No.252/49-1 dated 19-1-1950. It is understood that the Legal

egal Department have again returned the file to the E & P.H. epartment. Until the general orders proposed in that file ave been issued it does not seem that this department can ier any remarks on the point. Pending issue of those nstructions the proper course will seem to be to retain rule 4 the draft rules proposed.

B on p. 11 ante.- Rule 10(c) of the General Rules as amended G.O.No.553 Public (Ser) dated 9-2-1950 prevents the selection appointment of a candidate other than a citizen of India without ecific sanction of Government. The effect of ~~General~~ Rule 5(b) of he Madras Educational Service Rules by making General rule 10(c) applicable to certain posts is that foreigners will be eligible for ppointment without specific sanction of Government. As it ~~is obviously~~ appears to be the intention that foreigners should be appointed only when suitable d qualified ~~x~~ Indian candidates are not available and with the specific nction of Government, rule 5(b), should, it seems, be deleted, so also he reference to General rule 10(c) in ad hoc rule 3 in the draft rules posed. Recruitment of foreigners to the posts specified in rule 5(b) the Special rules for the Madras Educational Service and also to the sts of Chief Professors referred to in this case will then be ~~governed~~ subject to the conditions laid down in General rule 10(c).

The file may be passed on to the Legal Department.

It seems better to appoint persons who are not "citizens of India" with the previous sanction of govt and not as a matter of course.

Legal.

Legal Department.

The effect of article 16 (1) and (2) of the Constitution is to give both men and women equal opportunities for appointment to posts. This Department would therefore suggest that draft rule 4 may now be omitted. The question may however be reconsidered after the issue of the proposed general instructions by Public, if necessary.

E. & P. H. Dept. (A)

The question of framing rules for the posts of Chief Professors in the Presidency College, Madras, and of advertising them for appointment, is considered in this file.

2. Legal agree with this dept. that the rule proposing to bar the appt. of women to the posts should be deleted from the draft at p.26 C.F.

3. Re: the appointment of foreigners to the posts of Ch. Profs., as also to the other technical posts in the M.E.S. which are not now governed by General Rule 10(c), Public suggest that the selection and appt. of foreigners had better be made with the prior sanction of Govt. and that General rule 10(c) be made applicable to the posts.

4. The D.P.I. has since proposed that the Chief Professor sanctioned in 1948 for Pure Mathematics may be re-designated as Ch. Professor of Mathematics so that the best qualified person in Maths., irrespective of the particular branch (Pure or Applied), may be selected.

5. Pub. Dept.'s and the D.P.I.'s suggestions above may be accepted. The draft rules at C.F.26-27 and the Special Rules for the M.E.S. will be altered suitably and necy. intimation sent to the Commission.
