Sir,

Sub: Government Press - Recruitment of Foremen
Advertisement in dailies - Sanction solicited

I have to state that in pursuance of the recommendation of the Expert Committee suggesting direct recruitment of Foremen, I propose to invite application from outside for filling in the posts of the Foremen referred to above. For this purpose it is necessary that notices calling for applicants may be published in three important local English dailies. I request that I may be permitted to advertise notices in the local dailies. As the actual amount of advertisement charges will be known only after publication, necessary financial sanction will be applied lateron.
