Dated 15-9-1940.

Sir,

Sub:-Harijan Welfare-Harijan Conference-Tirunelveli District.
Muppilipatti held on 21-5-1940 Resolutions-Communicated.

1. I enclose herewith a copy of the letter No.L.I. 8529/40 dated 12-8-1940 with its enclosure received from the Collector of Tirunelveli. The Government in their Memorandum No. 40889-C.I.2-48 Education and (Public Health) Department definitely declined to extend the full fee concessions in question to Harijan converts in Secondary and Elementary Schools. Harijan Christians are eligible for other ameliorative measures of this Department such as provision of house-sites, wells, burial grounds etc. only a few educational concessions like full fee concession in Secondary and Elementary Schools etc. are not extended to them.

2. As regards resolution number 6 the Director of Public Instruction may be directed to issue suitable instructions to the schools concerned.

For Director of Harijan Welfare.

Copy of letter No.L.I. 8529/40 dated 12-8-40 from the Collector of Tirunelveli to the Director of Harijan Welfare, Madras.

Sub:-Harijan Welfare-Harijan conference-Tirunelveli District-Muppilipatti held on 21-5-1940-Resolutions-communicated.

Copies of resolution Nos. 3, 4 and 6 passed in the Harijan Conference held on 21-5-40 at Muppilipatti in Kollipatti Taluk are enclosed for favour of taking necessary action in the matter.

Extract from the Resolution of the Harijan Conference held on 21-5-40.

3. While expressing its deep feelings of gratitude to Government for granting remission of school fees for Harijan students for ten years this conference appeals to the Government to extend to the Harijan Christian Students the same privileges and all other facilities enjoyed at present by the Hindu Harijan students.
4. The Conference further appeals to the Government to grant all concessions to Harijans whether Hindu or Christian. The mere fact of a Harijan embracing Christianity does not in any way raise the social status.
6. In many of the Government aided institutions rank communalism is the order of the day. The managements appoint teachers belonging to their even community ignoring the just claims of the minority community. This conference requests the Government

Government to direct the managements of aided schools to appoint a decent percentage of Harijan teachers in their schools.

With reference to the query of A.S. above, it is submitted that there is no objection to the Govt. merely commending the proposal to the managements of aided schools. It is merely an advice which is being tendered. The question of interfering with the discretion of managements does not arise.

According to the rule of communal rotation or communal proportion, Harijans are entitled to two out of 14 vacancies in the several categories of teachers in educational institutions managed by Govt. and local bodies. Teachers in institutions under private managements are appointed by the

Government to direct the managements of aided schools to appoint a decent percentage of Harijan teachers in their schools.

E.P.H. U.O. No. 77213 B/49-2 Edn. 31-1-50.

The notes of E. & P.H. Department on pp. 3-4 above may be perused. The file relates to certain ~~of the~~ resolutions passed by the Harijan Welfare Conference held at Mupplipatti on 21-5-1949 which purports to the following:

- (a) To extend to the Harijan ^{current} students the same privileges and all other facilities enjoyed at present by the Hindu Harijan Students. ^{in the matter of remission of school fees}
- (b) To grant ~~the~~ concessions to Harijans whether Hindu or Christian.

- (c) To direct the managements of aided schools to appoint a decent percentage of Harijan teachers, as rank communalism is ^{obtaining} ~~maintain~~ ^{ing} in such institutions.

Item (a) & (b): Reference is solicited to Govt. Memo. No. 90914 C.1.48-1, dated 9-3-1949 and to G.O. No. 2525 Edn., dated 9-8-1949. Harijan converts are not ^{at present} eligible for the concessions according to the existing rules. No action is called for.

Item (c): The Government have ordered that in Schools and Colleges a certain percentage of seats should be reserved for Harijan candidates - G.O. No. 1225 Edn., dated 11-6-1947. Orders have also been issued that with effect from the school or academic year 1948-'49, 10% of the seats in all Government hostels attached to Secondary and training schools and Government Arts and Training and Professional Colleges should be reserved for Harijans, and if Harijan candidates do not come in sufficient ^{numbers} to fill the seats, within 15 days from the re-opening of the institutions, candidates of other communities may be admitted against them. This has been extended in the case of ~~private~~ private hostels also. In view of this it stands to reason that there should also be a certain percentage of the teachers in all grades, appointed from Harijan communities. In this view the request of the Harijan Association for a representation of the Harijans in the ranks of the teachers of private aided institutions also seems to deserve consideration. The mere ^{statement} ~~fact~~ that the institutions are private ones, ^{on this account} Government interference is not possible, will not go a long way to help the cause of the Harijan ~~teachers~~.

Many of the private institutions are Government aided ones and in the interests of administration of such institutions it is always open to Govt. to advise or suggest to the ^{the right of Govt.} ~~institutions~~ the Government have every right to direct an institution to ~~managements~~ ^{take in qualified Harijan teachers on its staff.} In the circumst

The file relates to the resolution passed at the Harijan Welfare Conference, Tirunelveli requesting that the managements of aided secondary schools may be advised to appoint a decent percentage of Harijan teachers. The notes from page 4 ante may be perused.

2. Firka Sec. Dept. have remarked in their note above that it is always open to Govt. to advise or suggest ^{to} the managements of aided secondary schools to take on their staff qualified Harijan teachers if available. In view of this they support the request of the Harijan welfare conference.

3. It is submitted that even though the institutions are in receipt of aid from Govt. it is likely that any interference on the part of Govt. in the matter of appointment of staff will be resented to by managements. As the S.P.I has reported that there has been no case of complaint in regard to the refusal to the appointment of a Harijan teacher by any management it is for consideration whether this Dept. may adhere to the view that the managements may continue to have discretion in respect of appointment of Harijan teachers as heretofore. The file may be circulated to H. M. (E & L) and H. M. (R.D) for orders.

Orders in regard to the reservation of 10% of seats in Schools and colleges were issued in G.O. 1225 Education, dated 11-6-47. The question whether the State could interfere in the matter, was

Harijan should be preferred to a better qualified member of some other community, merely because the Harijans duly ~~have~~ just qualified for appointment as a teacher, will in the long run be detrimental to the progress of Education. But I think it will be quite right to ask the Director to advise the managements of aided schools that they should (aim at having a small percentage of) Harijan teachers in their schools and that they should try to achieve this object as early as possible.

Instead of the words aim at having a small percentage, we may say encourage Harijan teachers as much as possible.
