The Secretary to the Government,

Fort St. George, Madras.

Through

The Commissioner,
Coimbatore Municipality,
Coimbatore.

Sir,

Ref: Memorandum No. 52479-B-1/49-2 Education dated 19-7-49.

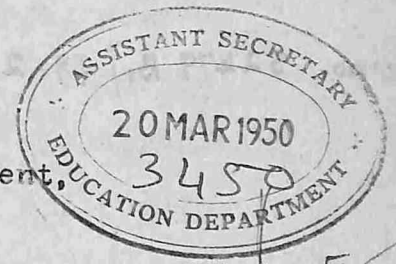

Sub: Schools - Special - Municipal Deaf and Dumb School,
Coimbatore - Payment of allowance to the Hostel Warden -
proposal of the council - not approved - submission -
reconsideration.

I beg to bring the following facts for your kind consi-
deration and favourable orders.

I took charge as Warden of the Hostel attached to the
Deaf and Dumb School from 6-10-1948 as the permanent Headmaster
went on medical leave and as per orders of the Commissioner
dated 5-3-1949 I was asked to continue the same office even after
his return to duty. Since taking charge I have been discharging
my duties to the entire satisfaction of the authorities
and the council in kind appreciation and in consideration of
my additional work and responsibilities attached to the post,
was pleased to recommend a warden allowance of Rs. 25/- per
mensem. The Government did not approve this for the reason
that no such allowance was paid to the past incumbent
"apparently because no such remuneration was considered neces-
sary", but may be considered, when the school is converted into
a residential one.

I beg to submit the following facts and request to
reconsider this order.

(1) The permanent Headmaster claimed a warden allowance

of Rs.30/- in his application dated 23-5-1946 but the additional work was ordered to be distributed among the Headmaster and the assistants (Vide copies of Memo attached) but when the Headmaster took leave I was asked to take up the whole work, manage the school, giving training to the assistant and also manage the Hostel besides attending to a special teaching individually as the assistant could not do this work. Thus during and after school hours also I had to discharge more and greater arduous work of managing the Deaf and Dumb, who require constant attention, particular vigilance as they have the tendency to be more mischievous than ordinary boys.

(2) There is no quarters for the warden in the Hostel at present. I have to visit the hostel from a distance of about 1½ miles every time.

(3) The Hostel warden has, besides attending to the Deaf and Dumb school boys and hostel inmates, to attend to the midday meal to the Harijan boys of two elementary schools numbering about 175. So, even the midday rest is denied to me.

(4) I have to go to the Bazaar and market daily to attend personally to the purchase of daily requirements of the hostel (i.e. vegetables, groceries, etc.). Thus practically I have to work without no rest and no possibility to take rest from early morning till late in the night. The work done by me now, is far greater and more arduous, as I am now discharging the duties distributed to 3 persons before and to give special training, for which I alone was qualified.

Besides, the strength of the school is 50 and of the Hostel 30 (the maximum number that could be accommodated in the present building). Only those who can afford and whose guardians do not like to put wards in the Hostel are at present day-scholars. So practically the school, as run at present, is residential.

Thus it will be clear that even the minimum rest that an average teacher should enjoy is denied to me. Even on

Even on holidays I have to attend to the work of the hostel personally. Besides these, the maintenance of registers, accounts and vouchers, weekly submission of returns and periodical indents and all correspondence work is also on me.

The Superintendent of beggar Home with an average strength of 20 persons (the previous Headmaster and subsequently my assistant) is given an allowance of (15 plus 4) Rs.19/-. In comparison to this, the work in this school and hostel attached and midday meals of the Harijan boys, is far greater and more arduous, more tiring and of greater responsibility.

In view of all these work, want of rest and holidays, the high cost of living, the want of quarters and the appreciation of my work by my immediate superiors and the fact that practically the school is residential, the Government Order be revised and this question of allowance considered favourably. I therefore pray a grant of Rs.35/- allowance or at least Rs.25/- as recommended by the Council with retrospective effect from 6-10-1948.

In conclusion I submit that

(1) when the Superintendent of the beggar home is paid an allowance of Rs.19/- equity demands that I, who is also supervising the hostel, should also be paid an allowance.

(2) the fact that 30 out of 50 students reside in the hostel, whether the entire students reside or not, shows that the school is a residential one and I am eligible for the allowance as contemplated in the Memo 52479-B1/492 dated 19-7-1949.

(3) the past Headmaster was not paid any extra allowance because he was a high paid officer hence the question was not pressed by him.

(4) from the starting of the hostel the work has gradually increased and became so exacting that the necessity for payment of additional remuneration is very apparent now.

I beg to remain,
Sir,
Your most obedient servant,

J. Mangavech Pillai

 Petition for reconsideration orders

 Petition from Sri S. Thangavelu Pillai, Asst. Municipal
 Deaf and Dumb School, Coimbatore dated 5-10-49

 In Memo No 52479 B1/49-2 Edn dated 19-7-49, the
 Govt declined to approve the proposal of the Municipal
 Council, Coimbatore, to sanction an allowance of Rs 25p.m.
 to Sri S. Thangavelu Pillai Asst. Deaf and Dumb school,
 Coimbatore for doing the duties of ^{hotel} warden, as the D.P.I.
 was of opinion that there was not sufficient justification
 for the grant of the allowance and that the proposal might
 be considered after the hostel ~~was~~ converted into a fully
 residential one. The petitioner now requests the Govt to
 reconsider the orders ~~on the ground that~~ there are 30 day
 boarders and the work connected with the boarding is heavy.
 The petition submitted through the proper channel has not
 yet been received.
 2. The question of converting the deaf and dumb school
 from a partial into a full residential institution
 has been considered as a Part II scheme for 1950-51 and orders ^{affording to proposal} will be issued shortly.
 It is for consideration whether in the circumstances now
 stated ^{by the petitioner,} the payment of an allowance of Rs 25p.m. may be
 sanctioned from the beginning of the current school year, without
 waiting for the receipt of the original petition sent through the proper
 subject to the condition that the entire cost on account of
 the grant of the allowance should be met from municipal funds.
 3. The ^{file} ~~minutes of the Finance Department~~ may be ~~circulated~~
 circulated to H.M. (Edn) with ref. to his minutes on page 1 ante.
