The Secretary to Government, Edn. & Public Health Department.

Copy of letter dated 8.7.49 from the Secretary, the Association of Managers of Ele. Schools, City of Madras to the Director of Public Instruction.

In submitting herewith a copy of the Resolution passed by the Executive Committee of the above Association I beg to represent the following facts for your kind consideration and favourable orders.

"Resolved to request the Director of Public Instruction to permit the assessment of grant for Vidvans in languages who have passed only the preliminary Examination and not the final at rates admissible for Untrained teachers of the Secondary Grade, in view of the paucity of qualified pandits for teaching languages in Higher Elementary Schools"

MEMORANDUM.

After the encouragement given to the teaching of languages both in Secondary and Elementary Schools and due to the revision of Teaching Grant allowed for qualified pandits in Secondary Schools it is becoming very difficult to secure the services of such qualified Pandits for Higher Ele. Schools. Though the rules allow at present, the employment of one pandit in Higher Elementary Schools having four sections, in the place of one of the Secondary grade trained teachers and such Pandits are allowed the Secondary Grade ^{Trained} Teachers' grant, it is becoming increasingly difficult to secure such Pandits for Higher Elementary Schools. As such it becomes necessary sometimes to seek the services of Vidvans who have passed only Preliminary and not Final which is the qualifications required under the rules in the interests of the teaching of the languages concerned. But as such teachers now allowed only Higher Elementary Untrained Teachers' rate of grant, we

Explanatory note

At present, Pandits with Vidwan preliminary Preliminary qualification who are not fully qualified are employed in elementary schools for teaching languages with exemption as a temporary measure for want of qualified ^{teachers} ~~hands~~. Grants are assessed on behalf of these teachers at the rate of Rs 132/- per year, the rate admissible for Higher elementary ^{grade} untrained teachers. To attract more teachers of this kind when qualified ^{teachers} ~~hands~~ are not forthcoming, the D.P.I. recommends that the rate of the assessment of grant on behalf these teachers may be raised to Rs 168/- per year, the rate admissible for Secondary grade untrained teachers. The extra cost to Govt involved in the proposal is about ~~Rs 2,000~~ Rs 2,900 ^{annually} per year. Fin. (Expre. A).

The reference from the D.P.I. on p.1 c.f. and the note of E. & P.H. on p.1 above may be perused. At

At present teaching grants are assessed at the rate of Rs. 240 per year per teacher in respect of secondary grade trained teachers and fully qualified Pandits in Aided Higher Elementary Schools. But in respect of Pandits who passed only Vidwan Preliminary Examination and untrained secondary grade teachers, the rates vary as shown below:—

For secondary grade untrained teachers: Rs. 168 p.a.

For Pandits who passed Vidwan Preliminary only: Rs. 132 p.a.

That is to say, Pandits with ^{only} Vidwan Preliminary qualifications ~~only~~ are treated on a par with Higher Elementary untrained teachers. The proposal is to raise the rate of teaching grant in respect of Pandits who passed only Vidwan Preliminary to the level of secondary grade untrained teachers (i.e.) from Rs. 132 to Rs. 168 p.a. The extra cost involved in the proposal is estimated at Rs. 2,880 p.a. This means that there will be about 80 such Pandits in all.

2. The reasons for the raising of teaching grant are given on pp. 2-3 ~~of the~~. It may, however, be observed that if a higher rate of teaching grant is allowed for Pandits who are not fully qualified, there may not be any further inducement for the managements of Higher Elementary Schools to secure the services of fully qualified Vidwans ^{required under the Ord.} and it may also lead to more and more requests for exemptions from managements for the employment of such Pandits which it is desirable to avoid ~~as far as possible~~. Further, in view of the ~~existing~~ ^{present} financial stringency which calls for an all round economy in expenditure, the present ^{time is not} ~~is not~~ the best time to make a departure from the existing practice involving addl. expre. to the Govt. In the circumstances Fin. may advise that the proposal of the D.P.I. may be turned down.

B. 2.11.49

Whatever the merits of the proposal, I think this may be postponed till the general financial position improves.

The employment of not fully qualified Pandits is itself a concession. It does not seem necessary to go further and increase the rate of teaching grant admissible from Rs. 132 to Rs. 168 p.a.

There is something to be said for putting him on the same status as untrained teachers.
