GOVERNMENT OF MADRAS

PUBLIC (INFORMATION AND PUBLICITY) DEPARTMENT

Extract from The Mail

of Madras, *dated the* 2nd August 49

ASSISTANT SECRETARY TO GOVERNMENT
[illegible] AUG 1949
EDUCATION AND PUBLIC HEALTH DEPARTMENT

B2185

A Just Complaint

THE Madras Education Department should provide for adequate facilities for the training of teachers of secondary schools in Malabar. Under present conditions those schools cannot have enough trained teachers. The disadvantage under which they are labouring was recently represented to the Minister of Education by the Malabar Teachers' Guild. The latter stated that at least 50 new teachers had to be employed annually in boys' secondary schools in Malabar to fill vacancies arising out of the retirement of teachers, and that there was no Government Training College in which teachers for Malayalam schools were specially trained. "The Teachers' College at Saidapet is practically closed to us owing to the introduction of the regional language as the medium of instruction," the teachers protested. Their complaint was reasonable.

Under the existing system of teaching in secondary schools through the media of regional languages, the medium of instruction in the schools in Malabar is Malayalam. But none of the Government Training Colleges for men—there are two such colleges, one at Saidapet and the other at Rajahmundry—trains teachers to teach in Malayalam. Till the beginning of the current academic year a certain number of teachers from Malabar was trained in the Teachers' College at Trichur, which was affiliated to the University of Madras. But that college has now been amalgamated with the Training College in Trivandrum, which is under the University of the United State of Travancore and Cochin and is intended primarily to train teachers for institutions in the State. In the whole Province of Madras now the only men's Training College which provides for teaching in Malayalam is the Meston College, Madras, a Mission institution, and the facilities in that institution are shared by teachers from other linguistic areas.

It is very necessary that the Government of Madras should open a separate section for Malayalam teachers in one of their Training Colleges for men, preferably that at Saidapet, or help any non-official institution to provide the necessary facilities. But even that would be a very imperfect arrangement. To maintain uniform standards of instruction there should be one medium of instruction for all areas, and all Teachers' Colleges should teach their students to teach through that language. English has long proved to to be the best common medium of instruction. Its replacement by regional languages has made teaching in our schools generally inefficient.

This Complaint is very true. Some remedy has to be found

Sir,

Subject: Colleges - Opening of a B.T. Class at Palghat.

p 3 ante

Reference: Government's memo No. 62485 A/49-1 Edn. dated 12-8-49.

73210

In continuation of my letter Rc. 1239 K2/49 dated 12-9-49 I have the honour to submit for the favourable consideration of Government the following proposal for the opening of a B.T. class at Palghat to cater to the needs of Malabar District for consideration as a Part II Scheme for 1950--51.

2. Considering the growing demand for medium of instruction in the regional languages and the consequent difficulties to find facilities for the teaching practice of Malayalee and Canarese candidates admitted to the B.T. Class in the Teachers' College, Saidapet, I proposed the opening of two Government Training Colleges, one at Tellicherry and one at Mangalore as a Part II Scheme for 1947--48. But the proposal was deferred by Government --vide my letter Rc. No. 6144 K2/46 dated 30-9-46 and Govt. order No. 2428 Edn. dated 20-12-46 and Govt. Memo No. 77700-2/47-A Edn. dated 12.11.47. The problem of finding facilities for the teaching practice of Malayalee B.T. Students of the Teachers' College through Malayalam medium (as there was no Malayalam medium in the model high school) ~~because~~ became so acute that with effect from the academic year 1947--48 admission of Malayalee candidates to the Teachers' College had to be stopped and provision had to be made by arrangement with the Government of Cochin for the admission of 10 Malayalee candidates from Malabar Dt. to the B.T. class in the Training College at Trichur. This arrangement, though appropriate,

Rc.No.1239 K2/49 dated 4-10-49

Sir,

Sub:--Colleges--Opening of B.T. Classes at Coimbatore and Mangalore.

76493

pp 5-9 ante

In continuation of my letter Rc.No.1239 K2/49 dated 17-9-49 containing proposals for the opening of a B.T. Class at Palghat to cater to the needs of Malabar District I have the honour to propose the starting of two more B.T. Classes under Government management one at Coimbatore and one at Mangalore in connection with Part II of the Budget Estimate for 1950-51. The proposal for two more classes is made in view of the overwhelming demand for trained graduates in the Province and also the uncertainty of the Private agencies rising to the occasion to meet the demand adequately. The University is likely to agree not to rigidly apply the stipulations regarding accommodation etc., in regard to these classes in the contingency that has arisen. The cost for opening B.T. Classes at Coimbatore and Mangalore will be in each case the same as for the B.T. class proposed at Palghat- vide my letter Rc.No.1239K2/49 dated 17-9-49 i.e. an immediate cost of Rs.33,300/- for each class in 1950-51 and an ultimate cost of Rs.45,400/- for each class per year there~~xx~~after. As only special fees will be levied, the fee-income to Government will be nil for purposes of estimate. Necessary steps will be taken to secure suitable accommodation for the classes in both the Colleges.

pp 5-9 ante

20 SEP 1949

92365

Sir,

The Hon'ble the Minister is reported to have told an audience in Madras that there were proposals to increase the number of Training Colleges in the Presidency (Vide the Hindu dated 12-9-1949, page 4, column 4). In this connection it is requested that South Kanara may be given a priority for the proposed Training College.

There are at present 61 Secondary and Training Schools in the District, and proposals to open two or three more are before the Department. A good number of these schools have not been able to secure qualified teachers even on Government scales of salaries and dearness allowance; as a result some of the posts remain vacant, and many others are filled by untrained teachers. Since the medium of instruction in the schools is Kannada, the District has to depend upon itself for recruitment. Many otherwise willing youths are prevented from going to Madras for training since the expenses have been mounting from year to year; even those that go there do not get adequate practice in teaching through Kannada.

Even the Department has been feeling it difficult to recruit the necessary number of B.T's for its schools and the

FOR SPECIAL OFFICER.

RM/11-10-49.

1/13/10.

Copy of letter dated 13-9-1949 from Sri.S.Mukunda Rao, Editor, 'Vidyodaya' Kodialbail, P.O, Mangalore, addressed to the Hon'ble Minister for Education, through the Director of Public Instruction Madras.

1X

The Hon'ble the Minister is reported to have told an audience in Madras that there were proposals to increase the number of Training Colleges in the Presidency (Vide the 'Hindu' dated 12-9-1949-page4, column 4). In this connection it is requested that South Kanara may be given a priority for the proposed Training College.

There are at present 61 Secondary and Training Schools in the District and proposals to open two or three more are before the department. A good number of these schools have not been able to secure qualified teachers even on Government scales of salaries and dearness allowance; as a result ~~of~~ some of the posts remain vacant and many others are filled by untrained teachers. Since the medium of instruction in the schools is Kannada, the District has to depend upon - ~~itese~~ itself for recruitment. Many otherwise willing - youths are prevented from going to Madras for training since the expenses have been mounting from year to year; even those that go there do not get adequate practice in teaching through Kannada.

Even the Department has been feeling it difficult to recruit the necessary number of B.T's for its schools and the Inspectorate; it is reported that two or three superannuated teachers are being reemployed by Government. Coorg with 8 High Schools and the ~~an th~~ Kannada medium High Schools of Bellary and Kollegal will surely be benefited by a Kannada Training College.

The South Kanara District Teachers' Guild had foreseen this contingency and requested the Director of Public Instruction and the Minister to sanction a Training College for this District. Two years ago the Principal of the Government College, Mangalore, was even asked by the Government to seek affiliation to the University in the Teaching Faculty. Subsequently the scheme to raise the then Second Grade Government College to the First Grade was sanctioned and the question of opening a training College was kept pending. It may be argued by some that the presence of a - Women's Training College in the District managed by Roman Catholic Sisters provides some relief. But it may be -- noticed that even the Girls' High Schools in the District are running short of hands, and many are employing untrained men Graduates.

The Government may therefore, be pleased to sanction at an early date a Training College for this District so that it might function from next Academic year to help the progress of higher education which is to a very large extent being financed by private affort.

The location of the College may be in or very near to Mangalore, since 20 of the61 Secondary and Training Schools are within a radius of six miles from Mangalore; but if it is found difficult to secure the necessary site or buildings, the College may be located anywhere in the District where there is a High School to give adequate practice to the Trainees.

Specially Urgent

Edn and P.H. Dept

Memo No. 62485/Hup-2 Edn dated 18/10/49

Opening of new training colleges

-

Ref letters from the D.P.I. No: 1239-K2/49 d/ 17. 9. 49, and 4.10.49

pp 5-11 cf

-

The Govt agree with the D.P.I. that there is urgent need to train a large number of BTs. for employment as teachers in secondary schools and that the existing facilities for training are quite inadequate. But this dearth of training facilities may last only a few years, say 5 years, and ~~the existing~~ there may not be need to ~~maintain~~ continue all the training colleges proposed after the necessary number of BTs are trained. The Director himself seems to have realised this and ~~he~~ has suggested in his letter No: 422 D2/49 d/ 21.9.49 that training classes may be attached to existing aided colleges on payment of grants at 2/3 net cost basis. If Govt were to start training colleges the cost will be more. They may also have to construct permanent buildings involving huge cost. The Director is accordingly requested to see whether instead of Govt themselves opening new training colleges, private colleges cannot be persuaded to undertake this task. A comparative statement of approximate costs for govt colleges and aided college, a training centre may be furnished, if

p 3 of LF I.

Roc 1239 K2/49 dated 24-10-49

p27-28 and

Sir,

Subject: Opening of Training colleges
Reference Government Memo No. 62485 A/49-2 Edn. dated 18-10-49

--

I have the honour to state that since the need for trained graduates is only temporary I have addressed the two universities for permission to attach the training classes to the Arts Colleges and allow the classes to work out of college hours. The final decision of the University will be intimated to Government but I feel that the Madras University may not grant such a concession to aided Colleges. In that case it will be ~~xxx~~ incumbent upon the Government to start their own classes in the Government Arts Colleges.

Who knows whether they will allow in aided colleges?

2. In regard to relative costs, the cost of running the classes in aided colleges will of course be less costly as the grant is restricted to 2/3 of the net cost, while in the case of Government colleges, the entire cost will have to be met from Government funds. Further, tuition fees are levied in aided colleges, but such fees are not levied in Government colleges. I furnish below figures of comparative cost as between Government and aided colleges.

Aided colleges

Cost in 1950--51.

Books	2500
Other teaching aids	1500
Stipends (Harijan and backward caste students)	1800
	5800

1951--52

Staff of one Principal, one lecturer, 9 Assistant lecturers, 1 Physical training Director, 1 Head clerk, 1 clerk, 1 Librarian, and 4 peons.	17096
Rent	3200
Contingencies	1000
Stipends	1800
Dearness allowance	4500
	27596
Deduct tuition fees	2000
Net cost.	25596
2/3 of the net cost.	17100

Government College. 1950--51.

Non recurring	12000
Recurring. staff - 1 Lecturer, 9 Asst. Lecturers, 1 Physical Director, 1 Head clerk, 1 clerk, 1 librarian, and 4 peons	20456
contingencies	1000
	33456 OR 33500/-

[Note. In the case of Government colleges, no post of Separate principal and expenditure on rent need be provided if the class is to be attached to the Arts College.]

3. I may in this connection point out that the management of the Rajah's High School, Kollengode have applied for affiliation of a B.T. college to be started in the place and in case this is granted by the University there will be no need to open a B.T. class to be attached to the Victoria College, Palghat. Similarly if affiliation for a B.T. college is granted for the management of St. Aloysuis college. Mangalore, there is no need to open another ~~xxx~~ class in the Govt. College, Mangalore. The management of the Ramakrishna Vidyalaya Basic Training School at Perianaickenpalayalam also propose to open a B.T. college in their school. But as already stated in para 10 of my letter Rc. 422 D2/49 dated 21-9-49 the opening of a B.T. College will not be advantageous and so a separate B.T. class in the Govt. College, Coimbatore will be necessary

Explanatory Note.

The Secretary, Sri Ramakrishna Mission Vidyalaya, Coimbatore District (Sri T.S. Avinashilingam Chettiar, the former Minister for Education of this Government) has submitted a proposal for the opening of a Training College at Perianaickenpalayam under the management of the above Mission, with provision for courses in basic training, Tamil and Social Studies. The estimated recurring and non-recurring expenditure to the management on the proposal is Rs. 20,200/- and Rs. 3 lakhs respectively. No fee is proposed to be levied from the students. In view of the special character of the training proposed to be imparted in the college, the management requires as a special case a full grant of Rs. 20,200/- towards the recurring cost, instead of the usual half-grant given to other aided institutions. As regards the non-recurring expenditure, the management requests a half grant of Rs. 1½ lakhs towards the cost of buildings and equipment. The Director of Public Instruction who was consulted in the matter states that this proposal will not affect his other proposal for the opening of five aided training colleges and that this proposal would reduce the available accommodation for the existing basic training school and the elementary school of the Vidyalaya, until the temporary shed for the elementary school and the hostel block for the training college are constructed. He however recommends that subject to the grant of affiliation to this training College by the University of Madras, the usual recurring and non-recurring grants may be paid to the management of the College. The application of the management for affiliation of this training college is under the consideration of the Syndicate of the University. On the assumption that the University would grant the necessary affiliation to this college, this Department recommended the approval of the proposal of the Ramakrishna Vidyalaya for the opening of the above training college, but suggested that any special treatment might create awkward precedents if others also applied with similar conditions and that the complete exemption from fees also was difficult to justify as it would favour only a particular body of students, without reference to their economic conditions.

Finance advised that the proposal be deferred in view of the present financial stringency. This Department agreed that no exceptional treatment need be given to this college in the matter of grants, but that the usual recurring and non-recurring grants might be sanctioned, viz.

Teaching Grant - Half the net expenditure not exceeding Rs. 10,100/-

Building grant - Half the actual expenditure subject to a maximum of Rs. 75,000/-

It has been ordered in circulation that it will not be desirable to show any special consideration to this college, but that subject to grant of affiliation by the University, to the College the recurring and non-recurring grants on half net cost basis as shown above, may be paid to the college.

No provision forx recurring grant need be made in the Budget Estimate for 1950-51, as teaching grant for that year will be payable only in 1951-52. This Department therefore recommends that the scheme for the opening of a basic training college at Perianaickenpalayam by Sri Ramakrishna Mission Vidyalaya, Coimbatore District, may be considered as a Part II Scheme for 1950-51 and that necessary provision as shown in the summary at the top of this note may be made in the Estimates of the next year.

J.M. LOBO PRABHU,
Secretary to Government.

EDUCATION AND PUBLIC HEALTH DEPARTMENT.

PART II SCHEME FOR 1950-51.

(SUBJECT:- GRANTS - Teaching - For the opening of five Training Colleges under private management in 1950-51.)

--

SUMMARY.

Head of account.	Item of expenditure.	Ultimate cost. (Recurring) Rs.	Cost in 1950-51. Rs.
37-e. Education - Grants to Non-Government Professional Colleges-Teaching.	Grant for the opening of five Training Colleges under private management.	1,49,000/-	29,000/-

EXPLANATORY NOTE.

In order to meet the urgent need for an increased number of trained teachers, the Director of Public Instruction after consulting the managements of some aided institutions, has submitted a proposal for the opening of aided training colleges in 1950-51. These colleges are to be attached to the existing aided institutions - Arts Colleges or secondary schools already working. In pursuance of this proposal, the Director has asked the managements of the following institutions to apply to the Universities concerned for the grant of affiliation for the opening of the B.Ed. or B.T. courses:--

(1) Andhra Christian College, Guntur.
(2) Maharajah's College, Vizianagaram.
(3) Dr. Alagappa Chettiar's College, Karaikudi, and
(4) St. Aloysius College, Mangalore.

Further, the Rajah of Kollengode, who is already running a High School, at Kollengode, proposes to open a College for training B.Ts. at Kollengode and has applied for grants from the Government. The Director recommends that as a special case two-thirds of the net cost of maintenance may be paid to these institutions as in the case of Secondary Schools, instead of the usual half-grant given to aided colleges. If the Colleges are to be opened in 1950-51, teaching grants will have to be paid to them only in 1951-52, but with a view to encourage the managements to start the colleges in 1950-51, the Director of Public Instruction suggests that an advance grant may be paid to them. The cost to Government on the above basis during 1950-51 will be Rs. 29,000/- and Rs. 1,49,000/- in future years from 1951-52. This Department agreed with the Director of Public Instruction's proposal and suggested that the proposal might be treated as a Part II Scheme for 1950-51. The Finance Department advised that the proposal might be deferred to better times. This Department pressed the Director's proposal on the ground that the existing colleges /which have not increased/ are incapable of producing the teachers required for Secondary Schools which have increased from 400 to 1100. It has been ordered in circulation that the proposal might be treated as a Part II Scheme for 1950-51.

This Department accordingly recommends that provision may be

P.T.O.

36

made for payment of grants to the five aided colleges mentioned above, under Part II of the next year's Budget, as shown in the summary at the top. If however, any college or colleges are not opened, the provision therefor will not be utilised.

J.M. LOBO PRABHU,
Secretary to Government.

Sir,

Roc.No.1239-K2/49 dated 24-12-1949

Sub: Government Colleges - Affiliation in new subjects during 1950-51.

***

100854

At the meeting of the Syndicate of the Madras University, held on 20-12-1949, the applications for the affiliation of Government Colleges in new subjects were considered and it was decided by the Syndicate that further action on these applications should be deferred and that the Director of Public Instruction be requested to obtain the approval of Government on the proposals and communicate the same to the University by January 1950. I enclose for the information of Government a list of Government Colleges wherein the starting of new courses during 1950-51 have been proposed by me and request that Government's approval or otherwise may be communicated to me so that the syndicate may be moved to take further action in regard to the appointment of Inspection Commission.

Extracts [illegible] taken separately [illegible]
Extract taken
28-12-49.

pp23-31 [illegible]

2) In my letter Rc.No.1239-K2/49 dated 24-10-1949 I informed Government that the University had been addressed for permission to attach the new B.T. Classes to the Arts Colleges at Palghat, Coimbatore, Mangalore and Karaikudi and allow these classes to work out of College hours. This question was also considered by the Syndicate and they decided that such permission should not be given. They however agreed that thatched sheds would be accepted as sufficient. In my letters Rc.No.1239-K2/49 dated 17-9-1949 and 4-10-1949 submitting proposals for the opening of these Classes in the 3 Government College no provision has been made for the construction of temporary sheds, but a sum of Rs.400/- per mensem has been provided towards rent in each of the places. It has since been found that no rented building could be secured and there is therefore no other alternative but to construct temporary sheds. In view of the fact that these temporary training classes may have to be continued for at least 3 years, it is necessary to construct tiled sheds to hold classes. I request that Government may kindly provide a sum of Rs.15,000/- for each of the Colleges at Mangalore and Coimbatore.

pp5 [illegible]

p11 [illegible]

Q

3) In regard to Palghat I ~~sum~~ submit for the consideration of Government the following revised proposal. The Offices of the District Educational Officers North and South Malabar are at present located in the building of the Defunct Government School of Commerce, Calicut. I have also submitted the pressing need for the bifurcation of the two districts with headquarters at Tellicherry ~~and~~ Calicut and Palghat for the District Educational Officers. It may be possible to locate the new Office of the District Educational Officer Central Malabar at Calicut in some rented building. The entire building of the defunct School of Commerce will then be available for locating the B.T. College. There are 8 rooms of 20' x 25' and one hall of 56' x 25'. This is more than sufficient for the new College. Further there are aided High Schools in the immediate neighbourhood to serve as practising schools for the B.T. Students. Women Students could be admitted in the B.T class as there are girls High Schools in the locality and this is an important consideration as in Malabar the B.T. Class will have to be a mixed one containing both men and women. The location of the College at Calicut will result in [illegible] saving of expenditure on the construction of temporary sheds which should have to be done if the College were to be started in Palghat. In view of the availability of a suitable Government building at Calicut,

N

Part II Scheme

P.T.O.

I request that Government may kindly sanction the openning of the B.T. College at Calicut instead of at Palghat and in making this request, I am assuming that Government will accept the urgent need for trifurcation of the District.

4) I request the favour of very early orders.

Yours faithfully,

for Director of Public Instruction.

Govt Colleges - Affiliation in new subjects during 1950-51.

Ref D.P.I's letter No: 1239-K2/49 d/ 24.12.49.

Your proposals to start training colleges attached to the Govt Arts colleges at Palghat, Coimbatore and Mangalore have not been treated as Part II schemes for 1950-51. as Govt considered that these training colleges would be unnecessary if ~~the~~ private training colleges are started in the following places. for which applications for affiliation have been sent to the Madras University by the managements of the institutions concerned:—

Karaikudi -	Dr. Alagappa Chettiar's College
Mangalore -	St. Aloysius college
Palghat -	Rajah of Kollengode
Coimbatore -	Sri Ramakrishna Vidyalaya, Coimbatore Dt.

Please ascertain and report immediately whether the University has granted permission to open private tg colleges at the above places and if not whether it is likely to grant such permission

----

I have the honour to request that Government may kindly sanction the payment of affiliation fee for the proposed B.T. Classes to be attached to the Government Arts Colleges at Mangalore and Coimbatore and Palghat. In connection with the starting of B.T. Classes by private managements, ~~Kollegai~~ Kollengode (Palghat), Perianaickenpalayam and Mangalore the University proposes to appoint inspection Commissioners to visit these places and it will facilitate the University if Government's decision in regard to opening of B.T. classes under Government ~~The~~ management is also communicated to them even now as this will avoid a further reference and the appointment of another inspection Commission in case the Syndicate is not inclined to grant affliation applied for by private managements. I may also point out that if such a contingency arises, the opening of B.T. classes under Government management has to be sanctioned. The matter may kindly be treated as urgent and immediate orders issued.

Yours faithfully,

For Director of Public Instruction.

Summarising Note for circulation to Hon'ble Ministers

—

Opening of Govt Training Colleges at Palghat and Mangalore

—

Despatched
E.S
4/4

With a view to meet the urgent demand for the large number of trained teachers the D. P. I proposed the opening of Training Colleges at Palghat, Coimbatore and Mangalore. In the meanwhile the managements of three private educational institutions at these places also applied to the University for permission to open Training colleges. ~~the Govt~~ The Govt decided that if the private colleges were started there would be no need for starting Govt colleges. But the University refused to grant permission for the opening of the private college at Palghat and the management which applied for permission to open the college at Mangalore withdrew its application. The question of ~~formally~~ granting permission to open the private college at Coimbatore is still under the consideration of the University.

In these ~~circ~~ circumstances the Govt had no ~~orpor~~ option but to start their own colleges at Palghat and Mangalore. As the colleges have to be opened in July 1950 orders were issued after obtaining the approval of H. M. (Edn), H. M. (Fin) and the Hon'ble ~~Education~~ Chief Minister. The total cost involved in the opening of the two Training colleges will be Rs 86,000 recurring and Rs 54000/- non-recurring.

A copy of this note is now circulated to all other Hon'ble Ministers, ~~the~~ Chief Secy and the Finance Secy. for information.

Sir,

Sub:--Starting of B.T. Colleges at Palghat and Mangalore--Construction of tiled sheds.

pp55-56/ (W)

Ref:--G.O.No.1001 Education dated 5-4-50.

*****

In the above Order, Government have sanctioned the construction of a tiled shed at a cost of Rs.15,000/- for each of the Colleges at Palghat and Mangalore. The Executive Engineer, West Coast Division, informed the Principal, Government Victoria College, Palghat, that as it was a major work it would be difficult for the P.W.D. to complete the work by June after going through the formalities of calling for quotation etc., and suggested that the work might be got executed by the Principal through any local contractor. The Assistant Engineer, Mangalore was of the opinion that if the usual routine followed by the P.W.D. was waived, he would be in a position to take up the work and complete the same before the monsoon sets in. As there will be considerable delay in obtaining sanction for the waiver of the usual procedure and as the time at the disposal of the Principal is very short, I instructed the Principals to entrust the work to any reliable contractor according to plans and estimates prepared by the P.W.D.

2) I enclose herewith a copy of letter Rc.No. 2625 A/49 dated 27-4-50 from the Principal, Government Victoria College, Palghat explaining the position. In view of the urgency of the work, I have approved the action of the Principal in having accepted the tender offered by the Malabar Engineering Corporation. It is found that the total estimated expenditure may exceed Rs.15,000/- already sanctioned. Government will be addressed in due course for ~~the~~ additional allotment after the work is completed.

P.T.O.

64

65

3) In regard to Mangalore, I enclose an extract from the Principal's letter No.Rc.1045/49 dated 24-4-50 wherein it is reported that the expenditure will be about Rs.15,975. I have instructed the Principal to report to me the actual expenditure after the work is completed and shall address Government for the additional allotment if required.

Yours faithfully,

For Director of Public Instruction

*****

Sub:--Starting of Government Training College, Palghat Construction of temporary shed.

Ref:--Your Proceedings Rc.1239 K2/49 dated 17th April 1950.

"*********

I am submitting herewith the plan and estimates prepared by the P.W.D. in connection with the construction of temporary sheds for the Training College. The total of the estimates as prepared by the P.W.D. comes to Rs.16,500/-

With reference to the instructions contained in your Proceedings mentioned above, tenders for the work were invited by me from Local P.W.D. contractors to reach me before 3 P.M. today. As against six tender notices issued three tenders alone were received. The lowest tender received is from the Malabar Engineering Corporation Ltd., amounting to Rs.17,060/- as against the P.W.D. estimates of Rs. 16.500/- I have accepted this tender for Rs.17,060/- that being the lowest- and have issued instructions to the Malabar Engineering Corporation Ltd., to proceed with the work immediately and to complete it before 27th June 1950.

As the estimates and details of work have been prepared in a hurry it is possible that slight variations have to be made to both in the course of the execution of the work. I request therefore that in addition to the estimated amount of Rs.16,500/- an additional amount of Rs.1,000/- or Rs.17,500/- in the aggregate, may kindly be sanctioned. I understand that where the P.W.D. is executing any work the Executive Engineer is allowed to exceed the estimated amount by 5% and therefore I am not making a request for anything out of the way.

The plans and estimates submitted herewith may kindly be returned to me after countersignature.

Extract of letter from the Principal, Government College, Mangalore to the Director of Public Instruction, Madras.
Rc.No.1045/49-50 dated 24th April 1950.
******

I have now received tenders from four recognised P.W.D. Contractors and I find that quotations given by them are much lower than the estimates given by the Public Works Department for seven rooms and one hall. The lowest is Rs.21,297-12-0 against Rs.24,500/- of the Public Works Department. Proportionately therefore it is possible to have five rooms and one hall, which is the bearest minimum accommodation for the B.T. Classes for about Rs.15,975/- Since the building has to be got ready withing the next two months, there is hardly any time to be lost. As the additional cost involved is very small and the lowest, I am entrusting the work in anticipation of your approval to the P.W.D. contractor namely Sri K. Kanthappa who has given the lowest quotation and who has agreed to finish the work by the end of June, 1950, in consultation with the P.W.D. regarding the procedure to be adopted. In the above circumstances I also request you to make provision for the additional allotment of Rs.975/- in this regard.

Sir,

SUB: Government Training Colleges at Palghat and Mangalore --construction of sheds.

REF: Government Memo No. 10212--3/50 A Edn. dated 12-10-1950

J17ante

The Principals of the two Training Colleges have reported the following expenditure on the construction of the sheds.

Mangalore	Rs. 17950/-
Palghat	17274-6-3

As the work was executed by private contractors, I have asked the Principals to obtain and submit valuation statements from the Executive Engineer in support of the expenditure and these

Sir,

Sub: Government Training College, Mangalore - Opening of a Hostel - payment of rent.

P p.6158

In Memo No.17839A/50-2 Edn., dated 20-7-1950, Government sanctioned an expenditure not exceeding Rs.200/- p.m. towards rent for the building to locate the hostel. This building belongs to Sri J.M.Lobo Prabhu. As the students were complaining of the high rent, the Principal addressed Mr. Lobo Prabhu to reduce the rent to Rs.150/- from 1-6-1951 and the latter has kindly agreed to the reduction. I request that Government may kindly issue revised orders sanctioning the payment of a rent at the rate of Rs.150/- from 1-6-1951.

Opening of new Training colleges.

The whole question is dealt with in the top file.

27/10/49.

28/10/49

28/x

p 5-9 cf

To meet the urgent demand for an increased number of teachers the D.P.I. first proposed the opening of a Training College at Palghat. Subsequently he proposed the opening of two addl. trg. Colleges at Coimbatore and Mangalore. Then he proposed the opening of Trg. Colleges at Palghat, Coimbatore and Mangalore attached to the Govt. Arts Colleges at the three places. In the meanwhile, a number of private Arts Colleges had applied to the University for permission to open the B.T. or the B.Ed. courses along with the Arts Courses. The Rajah of Kollengode who is running a High school at Kollengode also applied to the University for permission to open a Trg. College at Kollengode. The Govt. decided that the question of attaching B.T. or B.Ed. courses to Govt. Arts Colleges might wait till the University passes orders on the applications of private collges for permission to ~~open~~ run training courses along with the Arts Courses. The University's decision is not yet known and the D.P.I. has been asked to ascertain it and report to Govt.

p 11 cf

Papers in separate file.

p 39 cf

In his letter on pp 37-38 cf. the Director reports that the University has rejected his application for permission to conduct B.T. courses in Govt. Arts Colleges out of college hours and that a sum of Rs.15,000/- has to be provided for each of the Colleges at Coimbatore and Mangalore to construct temporary sheds to accommodate the Trg. courses.

In regard to Palghat, he now says that the college can be located in Calicut instead of at Palghat. The offices of the D.E.Os, North and South Malabar, are at present located in the buildings of the defunct School of Commerce, Calicut. The Director has separately submitted proposals for the trifurcation ~~bifurcation~~ of the ~~educational~~ districts of Malabar, with headquarters at Tellichery, Calicut and Palghat. He says that if this propsal is approved it may be possible to locate the office of the DEO Central Malabar, Calicut, in a rented building and the Commerce school building will be available and sufficient for locating the Trg. college. But the proposal for the trifurcation of the Malabar Dt. is being treated ~~submitted~~ as a part II Scheme, and the location of the Trg. college at Calicut depends upon the decision on that proposal.

1370f

In any case, the proposal to open Govt. Trg. Colleges may await the University's decision on the question of permitting the private colleges and ~~H.H.~~ the Rajah of Kollengode to open Trg. Colleges. If the Uty. does not grant the permission, the question of opening Govt. Trg. Colleges adopting the "new service" procedure may be considered. H.M.(E.&.L) may see.

7/1/50

7/1/50

The question of Training Colleges for Malabar and South Kanara cannot be deferred as it is quite clear that in view of the adoption of the Regional Language at Saidapet the training of the Canarese and Malayalee teachers required cannot be undertaken. It would lead to a serious dislocation if B.T. Courses are not started forthwith. Government may press the University in this connection and point out that the necessary accommodation at Mangalore and at Calicut or Palghat as the case may be will be found, in which circumstances the affiliation for these Colleges may not be withheld.

In respect of other Colleges they may take their chance according to the Part II Scheme already put up.

T

As far as I am aware, no special accommodation may be necessary at the St. Aloysius' College, Mangalore, as it is understood that it may be possible to find room from the new construction which has been completed. In Calicut also, if the scheme for trifurcation is approved by the S.F.C., which is very likely, the Commercial School building should be available.

(File obtained from H. Mssooring on 22.1.50)

H.M.(E.& L.)

Please see the D.P.I's letter on p.43 c.f. The Dir. wants to know the Govt's decision in regard to his proposal to run a Govt. Trg. College at Palghat, (he has since proposed that the College may be located in Calicut), Mangalore and Coimbatore and also he wants permission for the payment of affiliation fees to the University in respect of these Colleges. The present decision is that Trg. Colleges are no doubt necessary in those places but Govt. will consider the starting of these colleges only if the managements of private colleges which have applied to the University for permission to open trg. colleges are not allowed to do that. Accordingly the proposal to permit private Managements to open trg. colleges has been treated as a Part II scheme and the S.F.C. has approved the proposal. The proposal is awaiting the decision of the Cabinet.

The Director's point is that, if the Unty. Commn. is not prepared to recommend affiliation to the proposed private trg. colleges, they may also inspect the Govt. Arts. Colleges to which the Govt. Trg. Colleges are to be attached so that the Commn. may not have to visit these places again in connection with the starting of Govt. Trg. Colleges. ~~at the same places.~~ Secy's note above would indicate that there is every possibility of the University granting permission to the St. Aloysius College at Mangalore to open a Trg. College. It seems that the D.P.I. may be informed that the Govt. can consider the question of opening Govt. Trg. Colleges at the places mentioned only after the University's decision in regard to private trg. colleges is known. If the Govt. now inform the University that they are prepared to open trg.

colleges if the Unty. is not prepared to permit the private managements to do it, ~~it~~ it may prejudice the cases of the private managements as the University will naturally prefer Govt. colleges to private colleges; It is well known that a Govt. college will ~~be~~ have better ~~managed~~ financial stability than a private college and the University's decision will naturally be against the private colleges. The opening of Govt. Trg. Colleges instead of private trg. colleges will also involve more expre. to provincial funds.

~~[illegible]~~ But it may be mentioned here that if the inspection by the University Commission is not done now there is the risk that it may not be feasible to open Govt colleges in the next academic year even if Govt decide that they themselves start such colleges. For orders.

22/1/50

22/1/50

S

May approve A, as there appears no advantage in starting new [illegible], and in any case, acting on an anticipatory basis that the University will not approve the proposals, since Govt for their part have approved in the S.E.

23/1

H.M. (E.L.)

Issue orders sanctioning affiliation fees for the proposed ~~colleges~~ B.T classes being paid at once. Otherwise time will expire. Issue & circulate to H.M. (Fin) as this is a matter I have discussed with him.

GOVERNMENT OF MADRAS

p 53 cf. C.NO.4062A, From the D.P.I. No. 1239-K2/49, dated 21-3-50.

p 5-94 With a view to meet the urgent demand for the large number of trained teachers the D.P.I. proposed the opening of a Training College in Palghat. Subsequently he proposed the opening of two more Training Colleges, one in Coimbatore and another in Mangalore. Then he proposed the opening of Trg. Colleges at Palghat, Coimbatore and Mangalore attached to the Govt. Arts Colleges in the three places. In the meanwhile a number of private Arts colleges had applied to the University for permission to open B.T. or B.Ed. courses attached to the Arts courses. The Govt. considered that the question of themselves starting Trg. colleges might wait till the University's decision on the applications of the private colleges was known.

p 11 cf

A

Separate file in Finance

p 53 cf The D.P.I. now reports that no private Trg. college will be opened at Mangalore as the St. ~~Aloysius~~ Aloysius' College has withdrawn its application to the University for opening a Trg. college. There will be no private Trg. college at Palghat also as the University is not prepared to grant affiliation to the ~~Kollygode~~ Kollengode college proposed by the Raja of Kollengode.

p.t.o.

The question of opening Government Trg. colleges at Mangalore and Palghat has now to be taken up. The Director had proposed the opening of a Govt. Trg. college at Coimbatore also. He has not made any mention~~s~~ about that proposal in his present letter. Apparently there may not be need for a separate Trg. college at Coimbatore if the University grants affiliation to the private colleges proposed to be opened at Karaikudi and Periyanaickenpalayam. The Govt. have already sanctioned the payment of ~~application~~ affiliation fee to the University for the opening of Govt. Trg. colleges at Mangalore, Palghat and Coimbatore.

p 53 cf

A

× both Tamil

p 45 cf

The original idea was to attach the Trg. colleges to the Arts colleges and to make the Principals common to both the colleges. But the University does not agree to this arrangement and so the Trg. colleges will have to be treated as separate units distinct from the Arts colleges.

p 37 cf

D

p 9 cf

The staff and other items of expenditure required for each Trg. College ~~is~~ are as follows:-

Recurring:-

1 Lecturer in Edn. (M.E.S.) - (It has been ascertained from Dy. D.P.I. that no separate post of Principal is required and that the Lecturer can be designated as Principal without any special allwnce.)

X

9 Asst. Lecturers (S.E.S)
1 Physical Director~~s~~.
1 Head Clerk (U.D.)
1 Lower Division Clerk.
1 Librarian (L.D.C.)
4 peons.

Contingencies	...	Rs. 1,500/-
Books	...	Rs. 500/-

Non-Recurring.

Y

Construction of tiled sheds -	Rs. 15,000/-
Library books and equipments.	Rs. 6,000/-
Furniture.	Rs. 6,000/-

pp 37 & 51 cf

The approximate cost of starting the two Trg colleges will be Rs 80,000 (recurring) and Rs 54,000 (non-recurring).

As the new colleges have to be opened before July, orders have to be issued in this file immediately. First, arrangements will have to be made to construct the sheds. Unless this work is taken up now it will not be possible to ~~furnish~~ finish it in time. ~~Then~~ Applications for admission to the colleges will also have to be ~~[illegible]~~ invited by April or May.

In the circumstances the "short circuit" procedure may be adopted and orders may be issued ~~[illegible]~~ immediately. The file may be sent to the Fin. dept. for remarks.

(b) Library books and equipments	Rs. 6,000	
(c) Furniture	Rs. 6,000	
Total	Rs.27,000	

The total cost involved in the opening of two training colleges will be Rs.86,800 recurring and Rs.54,000 non-recurring.

It is stated that, in view of the adoption of the regional language at Saidapet, the training of the Malayalee and Kanarese teachers required cannot be undertaken

T on p.2 above

---

pp1-2 of (L)

in that college. In connection with the Part II schemes for 1947-48 the D.P.I. submitted proposals for the opening of two Government training colleges, one at Mangalore and the other at Tellichery, both the colleges to be attached to the respective Government Arts Colleges in those places. Finance department advised against the proposal and suggested that, if the proposal ~~was~~ were to be pressed, the question of opening a single college with provision for instructions in both Malayalam and Kanada ~~may be not~~ might be considered. Education Department, however, considered it doubtful whether any appreciable economy in expenditure could be achieved, if only one college was opened to provide for both the languages as two sets of staff qualified in each of the languages viz., Kanada and Malayalam would have to be employed and observed that ~~their~~ there would be difficulty about practi~~ce in~~sing schools with pupils knowing both the languages. The then H.Pr. however minuted that the scheme might be taken up next year. Orders were accordingly issued in G.O. 2428 Education, dated 20-12-46 directing the D.P.I. to renew the proposal in connection with the budget estimates for 1948-49.

B on p.7 of (L)

X on pp.7.8 of (L)

A on p 8 of (L)

K on p 8 of (L)

p.6 of (L)

The D.P.I. again renewed the proposal in September 1947 but pointed out that, unless sufficient funds were provided for accommodation, it might not be possible to start them next year. Education department considered the proposal and proposed that it might be deferred in view of the difficulty to put up new buildings.

p.10 of (L)

A on p.14 of (L)

In view of the difficulties pointed out by the Education department for the opening of a single college for both Malayalam and Kanarese teachers and as University does not agree to the arrangement of attaching the training colleges to Arts Colleges, the need for a seperate training college may be conceded ~~to~~ in this department. Proposals of this kind should ordinarily be brought forward as Part II schemes. As Education department, however, consider that the scheme should be given effect to in 1950-51 itself

EDUCATION DEPARTMENT

Sir,

Government Training Colleges at Palghat and Mangalore in 1950-51 Construction of temporary sheds--Payment of centage to P.W.D.

In connection with the opening of Government Training Colleges at Palghat and Mangalore in 1950-51, Government sanctioned expenditure for the construction of temporary sheds in both the places for the location of the colleges - vide G.O.No.1011-Edn., dated 5.4.50 and Government Memorandum No.10212-A/50-7 Edn., dated 12.3.1951. The Principal, Government Training College, Mangalore has reported that the Executive Engineer, P.W.D., Mangalore has claimed centage for check measurement of the sheds constructed by private contractors. The claim for payment of centage was made under the directions of the Chief Engineer(General), P.W.D., Madras. A copy of the Principal's letter R.C.No.936-BT/51 dated 20.9.1951 is enclosed herewith for the information of Government. Although no such claim has yet been made in respect of the Building constructed for the Training College at Palghat, it has to be met sooner or later. In the circumstances, I request that Government may be pleased to sanction provision in the current years budget for the payment of centage to the P.W.D. in respect of both the colleges at 1% of the total cost.

Copy of letter R.C.No.936-BT/51 dated 20.9.1951 of the Principal, Govt. Training College, Mangalore to the Director of Public Instruction, Madras.

Subject:-Centage charge--Checkmeasurement--Newly constructed temporary shed to the Government Training College, Mangalore.

Refce.:--1. Your Proceedings R.C.No.1239-K2/49 dated 5.7.1950
2. Letter No.2542-M dated 19.9.1951 from the Executive Engineer, South Kanara Division, Mangalore.

p2 infra

I am submitting herewith a copy of the above letter of the Executive Engineer with a copy of Memo.No.5771-AC/50 C.P. dated 30.9.1950 of the Chief Engineer, P.W.D., General, Madras for favour of your kind orders. The total cost of the shed comes to Rs.17910/-, and at 1% the centage, comes to Rs.179/-. I request that necessary allotment may kindly be made so that the amount can be credited as required by the Executive Engineer.

p2 infra

(Copy of the letter No.2542-M dated 19.9.1951 of the Executive Engineer, S.K.Division, Mangalore to the Principal, Government Training College, Mangalore.

Sir,

Sub:-Check measurement--Centage charge Rs.179/-.
Ref:-Your Roc.No.936-BT/51 dated 29.8.1951.

In Director's Proceedings R.C.No.1239-K2/49 dated 5th July 1950

Page 2.

it is stated that no centage need be paid to the Public Works Department for the work. The matter was referred to in the higher authorities. Please see in this connection this office No.2650-M dated 11.8.1950. Instructions were then received from the Chief Engineer that centage is to be leveid for check measurement of works executed by other Government Departments by P.W.D. Offices. Copy of the Chief Engineer's orders is enclosed. The work was then checkmeasured and centage at 1% is to be paid by your department. This may please be paid early. The amount is creditable to 50.Civil Works--Establishment--Charges recoverable by other Government departments.
