No. 3301/49 dated 10-11-49

Sir,

Sub:--Basic Education--Basic Training School,
Malapetty--Evaluation of certificates of
Srinathi V. Laxmilutty, Headmistress.

Srinathi V. Laxmilutty, Headmistress, Basic Training School, Malapetty has requested that she may be exempted from the possession of L.T. qualification and treated as a collegiate trained teacher. She is a B.A., B.T., trained in Basic Education from August 1946 to April 1947 at the Hindustani Talimi Sangh, Sevagram, Wardha. The certificate issued by the H.T.S. Sevagram shows that she is qualified to be an instructor or the head of a Basic Training School for training Basic School teachers upto Grade V.

In their order No. 94410 B2/48-1 Education dated 5-8-48 Government have ordered that graduates teachers possessing Basic Training certificates issued by the H.T.S. Sevagram may be assessed grants at the rates admissible to trained teachers of the collegiate grade if employed in aided Basic Schools. If such teachers are employed in Basic Schools under Local Bodies, they should be treated as Secondary Grade teachers for purposes of pay. The Bihar Government are giving a position of pre-eminence for graduates trained at Sevagram and they are considered to be on a par with trained graduates.

I therefore recommend that Government may be pleased to order that Srinathi V. Laxmilutty may be treated as a Collegiate trained teacher when employed in Basic Education work and assessed grant accordingly.

Yours faithfully,

R.V. Rudhappaswami

Regarding para 2 of the Government Memorandum, I wish to state that I am not in favour of the employment of non-L.Ts. in Basic Training Schools though individual exceptions can always be considered.

Evaluation of certificates of Srimathi V.Lxmikutty,
Headmistress.

Read: From the D.P.I., No.880-M/49, dated 19-11-1949.

Please see the letter from the D.P.I. on pp.1&5c.f.

Under existing instructions Graduates who possess Basic
Training certificate issued by the Hindustani Talimi
Sangh, Wardha and who are employed in Basic elementary
schools under private management may be assessed grants
at the rates admissible to trained teachers of the
collegiate grade (Rs.35-1-45) a month.

If such teachers are employed in basic elementary
schools under local bodies, they should be treated as
secondary grade teachers for purposes of pay and granted
pay in the scale of Rs.45-75.

2.The Director has now reported that one Srimathi
V.Lxmikutty has already completed her training in basic
education at the Hindustani Talimi Sangh, Wardha and ob-
tained the necessary certificate. She is employed in the
Basic Training School, Kalapetty, under a private agency,
as Headmistress. The Director recommends that she may be
treated as a "Collegiate trained teacher" when employed
in basic education work and assessed grant accordingly".
The Director intends that the teacher should be assessed
grant at the rates admissible to trained teachers of the
L.T. grade in training schools under private managements
inspite of the fact that the teacher in question does not
possess the L.T. qualification. At the same time he is not
in favour of employment of non-L.Ts. in Basic training
schools though according to him individual exceptions
can always be considered. It is not clear how an exception
arise in the present case and what the provisions are for
making the exception. According to his opinion expressed
in another connection Wardha training should be treated

as equivalent to secondary grade training and for a candidate to qualify himself for the grant of L.T. scale he should have received the B.T. training also.

> In the circumstances it is for orders whether an exception should be made in the present case as proposed by the D.P.I.

An exception may be made as a special case. Finance may see before circ.

D.P.I. is recommended may be agreed to in this case. Graduates who finish their Basic training at Wardha should be treated as it is for purposes of grant in private institutions. Graduates who don't pass B.T. but are exempted by D.P.I. are given full grant as per B.T. I don't see why it should not be done in the case of these graduates who take training in Basic Education get a certificate. In this particular case the candidate is a B.T. also.
