tion requesting -

3. The posts of the three L.T. Assistants, one
Tamil Pandit and one Laboratory Peon were originally sanc-
tioned in G.O.Ms.No. 643 Education dated 5-5-42 in connec-
tion with the development of the school into a complete
High School. The School caters to the need of the locality
and the strength which is increasing every year justifies
its permanent retention. All the five posts referred to
above have been in existence for more than five years. I
therefore request that Government may kindly sanction their
permanent retention with effect from 1-6-1950.

4. Two out of the three Secondary Grade Assistants Posts referred to in para one above were originally sanctioned in G.O. Ms. No. 1280 Education dated 22-8-45 and the third in G.O. No. 931 Education 7-7-1947, for opening additional sections in Forms I to III. The present strength of Forms I & II necessitates the continuance of the additional sections in Forms II & III during 1950-51. The Headmistress of the school expects a strength of 90 students in Form I during 1950-51 including the new admissions. There will therefore be need for the continuance of the additional section in Form I also during the next year. There is every possibility of having 2 sections every year in each of the Forms I to III and I therefore recommend that Government may be pleased to sanction the permanent retention of the two secondary Grade Assistants' posts which will complete 5 years' existence by the end of the current school year and the continuance for a further period of 2 years from 1-1-50, of the third post of secondary Grade Assistant which is not yet ripe for permanent retention.

5. Government will be addressed separately in regard to the continuance of the post of the Drawing Mistress referred to in para one of this letter.

Yours faithfully,

R. V. S. N. S.
