R.C1.No.3/49 Dated 25-3-1950.

Sir,

Sub: Madras Educational Service - The Madras Public Libraries
Act, 1948 - Staff - Special Officer for Libraries.

PP. 2-3 ante Ref: Government Memorandum No.14945-1 Education dated 4-3-1950.

With reference to the Government Memorandum cited above, I have the honour to state that at present there is no suitable Officer in this department for being recommended for appointment as Special Officer in charge of Libraries. In their Order Ms.No.500 Education dated 16-2-1950 the Government have sanctioned the grant of study leave for six months to Sri L.Bullayya, an Officer of the Madras Educational Service to enable him to attend a term of lectures at the School of Librarianship, University College, London and to study the systems of urban and rural library service prevalent in the United Kingdom. On his return from England in September or October 1950 after undergoing the necessary studies and gaining knowledge and experience in the subject, he may be considered for appointment as Special Officer in charge of Libraries. Till then, it is desirable to continue the existing arrangements. Accordingly, I recommend that Sri R.Janardhanam Naidu, who has been re-employed in the post of Librarian, Connemara Public Library, Madras, for a period of one year from 23-9-1949, may be continued to be placed in additional charge of the post of Special Officer in charge of Libraries in my office, from 1st April 1950 till Sri L.Bullayya becomes available to take up the post, or till such period as he (Sri Janardhanam Naidu) holds the post of Librarian, Connemara Public Library, whichever is earlier. Sri R.Janardhanam Naidu may be granted a special pay of Rs.80/- a month for attending to the extra work as hitherto - vide para 1 of G.O.Mis. No.764 Education, dated 17-3-1949.

2. When the provisions of the Public Libraries Act, 1948 come into force shortly, it may probably become necessary that the designation of the post may have to be changed consistently with the rules framed under the above Act. However, any change in designation of the post will not disturb the arrangements in regard to the placing of Sri Janardhanam Naidu in additional charge of the post.

3. In this connection, I invite the attention of Government to their Memorandum No.91650/48-6 C.2 Edn., dated 26th February 1949 calling for draft amendments in respect of the post of Librarian, Connemara Public Library and draft ad hoc rules in respect of the temporary post of Special Officer in charge of Libraries. I may submit that the question of framing necessary amendments to rules and ad hoc rules may be more conveniently taken up after a year or so. An idea about volume of work the Officer in charge will have to perform; the responsibilities he will have to shoulder; and the set-up of the subordinate personnel for this work, will be known only after the provisions of the Act are actually in operation for some time and a knowledge of these points will enable drafting of the rules appropriately.

in regard to field of recruitment, qualifications to be prescribed, etc. for the posts in question. I may, therefore, be permitted to submit the necessary amendments and ad hoc rules after watching the working of the Public Libraries Act, 1948 for some months.

Yours faithfully,

M. S. Subramaniam

For Director of Public Instruction.
