In connection with the orders of Government regarding the revival of supply of Fort St. George Gazette Part I-B to certain offices and institutions, I have the honour to state that the designations of many of the officers have been changed recently (Vide G.O. No. 747 Education dated 2/4/1948). Further new institutions and offices have been opened since the issue of the G.Os. referred to in the G.O. quoted above. The need for the supply of Gazettes to these new institutions and offices is also great. In this connection, I invite your kind attention to the last sentence of ~~x~~ my letter Rc. 11416-J/46 dated 24/9/48 wherein the request was made for the supply of the gazette to all offices and institutions and not particularly to those for which the supply was discontinued. I shall be submitting a list of all the Government offices and institutions shortly and I request that Government may be pleased to accord sanction for the supply of the Gazettes to all of those institutions and offices.

Yours faithfully,
