In their order No.235 Edn dated 11-2-1942, Govt. have authorised me to sanction repayable advances to students studying in schools and colleges in the Madras Presidency who were depending for fees and maintenance on their parents in Malaya and Burma and which remittances were not forthcoming for obvious reasons. The authorisation conveyed in the above Government order was however withdrawn in G.O.No.1228 Edn dated 18-8-1944 and Government asked me to take steps to recover the outstanding amounts which had till then been advanced, as and when recovery became possible.

2. The Principal, Civil Orphan Asylum, Kilpauk, now reports that a sum of Rs.720/- advanced on behalf of two students, James Symes and John Symes during the years 1942-1943 and 1943-44 has become irrecoverable. She

3. In the circumstances, I submit that the advance of Rs.720/- paid is irrecoverable and I recommend that the recovery of the amount may be waived.

4. I may also mention, in this connection, that this is the first instance where a report has been brought to my notice that the advance paid has become irrecoverable. There may be several other cases of this kind that might come up for consideration in the future. I request that Government may be pleased to pass orders as to whether individual cases of this kind should be brought to the notice of the Government for their orders or whether I can deal with them myself and write off the irrecoverable advances after a careful examination of each case on its merits.

Sir,

Sub: Grant-inaid - students dependant on remittances from Burma, Malaya and other countries, - Recoverable advances paid to the students - Loss due to irrecoverable items.

1) In 1942, representations were made to this Govt. that there were many students in schools and colleges in this Presidency, who were dependant for remittances for fees and maintenance, on their parents in Malaya and Buram, and that, as such remittances could not be got on account of the war, some immediate assistance to the students was necessary. This Govt., therefore decided to make recoverable advances to such students to cover school or college fees and maintenance charges, and The D.P.I. was authorized to ~~make~~ pay these advances to such students, subject to the condition that the student concerned, should give an undertaking to repay the amount so advanced to him, in due course, and that if the student was a minor, the local guardian and later, the parent (if it was possible) was required to give the undertaking. ~~In view of the~~ advance of ~~urgency pending the arrangements if any, to be made by the G.of I.~~ This scheme of recoverable advances was given effect to in advance of the arrangements made by the G of I and in view of the urgency of the matter ~~without the approval of the Govt. of India~~. When the Govt. of India made provision in 1944, for financial assistance towards the education of evacuee children from Burma and Malaya, this Govt considered it unnecessary to continue their scheme and the authorization given to the D.P.I. in 1942, was accordingly withdrawn.

2) The D.P.I. has now brought to the notice of this Govt that an amount of Rs.700/- these advanced by him canno

several other cases of this kind. I enclose a copy of his letter in the matter for information.

3) I am directed to state that in the absence of the scheme of the G. of I. for financial assistance for evacuee children from Burma and Malaya, this Govt. acting on behalf of the G of I issued orders in 1942 for payment of recoverable advances to such children in the Province to meet an emergency and that as it is the concern of the G. of I. to render any help to such evacuee children, is a matter for the Govt of India, it is considered that the loss incurred under the scheme of this Govt. also ~~referred to also~~ should also reasonably properly be borne by the G.of I. since this Govt acted only on behalf of the G.of I. I am accordingly to request that the G. of I. may bear the loss in whole, or in part to the extent possible, on account of irrecoverable such advances and that the decision of the G. of I. in the matter may kindly be communicated to this Govt., as early as possible.

Fort St. George Dated the 3rd November 1947.

Sir,

Sub: Grant-in-aid - Students dependant on remittances from Burma, Malaya and other countries- Recoverable advances paid to the students - Loss due to irrecoverable items.

In 1942, representations were made to this Government that there were many students in schools and colleges in this Presidency, who were dependant for remittances for fees and maintenance on their parents in Malaya and Burma, and that, as such remittances could not be got on account of the war, some immediate assistance to the students was necessary. The Government therefore decided to make recoverable advances to such students to cover school or college fees and maintenance charges and the Director of Public Instruction was authorized to pay these advances to such students, subject to the condition that the student concerned should give an undertaking to repay the amount so advanced to him, in due course, and that if the student was a minor, the local guardian and later, the parent was required if it was possible to give the undertaking. This scheme of recoverable advances was given effect to in advance of the arrangements made by the Government of India and without their approval in view of the urgency of the matter. When the Government of India made provision in 1944, for financial assistance towards the education of evacuee children from Burma and Malaya, this Government considered it unnecessary to continue their scheme and the authorization given to the Director of Public Instruction in 1942, was accordingly withdrawn.

2. The Director of Public Instruction has now brought to the notice of this Government that an amount of Rs. 720/- advanced by him under this scheme referred to above cannot be recovered and he has ~~recommen-~~ recommended that the recovery of this amount may be waived. He also reports, that there may be several other cases of this kind. I enclose a copy of his letter in the matter for information.

3. I am directed to state that in the absence of the scheme of the Government of India for financial assistance for evacuee children from Burma and Malaya, this Government acting on behalf of ~~Gov~~ the Government of India issued orders in 1942 for payment of recoverable advances to such children in the Province to meet an emergency. As the rendering of helpto such evacuee ~~chil~~ children is a matter for the Government of India, it is considered that the loss incurred

under the scheme of this Government also should properly be borne by the Government of India since this Government acted only on behalf of the Government of India. I am accordingly to request that the Government of India may bear the loss incurred by this Government on account of such irrecoverable advances and that the decision of the Government of India in the matter may kindly be communicated to this Government as early as possible.

Subject:- Students dependent on remittances from Burma, Malaya, etc.- Recoverable advances paid to the students - Loss due to irrecoverable advances - Question of debit of expenditure to the Government of India.

Sir,

With reference to the correspondence ending with this Ministry's letter of even number, dated the 25th May, 1949, on the subject mentioned above, I am directed to say that the Government of India have given very careful consideration to the proposal contained in your letter No.56772-5G3/47,Edn., dated the 3rd November, 1947, The scheme in question, under which the students in Schools and Colleges in the Province were assisted by the Government of Madras with repayable advances, was introduced by the Provincial Government on their own initiative and the Government of India cannot be expected to be responsible for any losses suffered by way of non recoveries of advances thus made. The fact that the Government of India later sanctioned certain schemes for grant of monetary assistance to certain classes of students, does not imply that they should be held responsible for the expenditure incurred by the Government of Madras prior to the issue of sanction in respect of Government of India's Scheme without their prior approval and concurrence.

Subject. War-Financial Assistance of G/C. K. A Raja Padman

With reference to your above letter on the above Subject, I wish to state that it is not possible for me to repay the amount of Rs. 126/-

I am a widow, my husband having died on his way on foot from Burma. I haven't any relation who can advance this amount. As it is I am dependent on my mother who is also a widow with very slender means, and it is with great difficulty that my children and myself are living in these hard days. I regret that it

is not therefore possible for me under the circumstances to repay the amount at present, either in lump sum or even by part payment. My Son K. A. Raja Padman is now undergoing his training in the National Defence Academy, Dehra Dun. He does not get any pay at present. In the ordinary Course he will finish his training in the National Defence Academy only in Dec. '50. I am unable to say when he will be employed as a Second Leintenant after the training is over. As my children and myself ~~are~~ have to be dependant on him when he gets employed in the army, I cannot say at present in what manner the amount can be returned. I therefore request you to be good enough to write to me again on this matter early in 1951 when I expect my Son to be employed in the Army.

Yours faithfully,

The Head Master St.Peter's High School, Tanjore.

Sir,

When I was a student in the St.Peter's High School Tanjore in 1942-1943 I was granted a loan of Rs50/ by Government towards purchase of books and payment of school fees as my father had become the Japanese Subject in Malaya States who occupied F.M.S. in 1942. This amount was sanctioned purely as a dependant allowance, and this was a t timely help for which I am ever grateful to the Government.

Owing to my illuck when I failed in the S.S.L.C.Examination held in March 1943 I immediately joined in the Army and I had served in in it under the R.I.A.S.C., Branch as Lance Naik and Havildar Clerk for nearly four years. While serving in the Army I had to lose right I Index Finger and was thus in validated even at this young age. I am told by the Military Authorities at the time of my discharge in March 1947 that I will be paid invalid pension which I have yet to receive.

In the circumstances I request you to kindly cnsider my services in the Army and write off this amount of Rs 50/(Fifty) advanced to me as one of nume rous concessions that are being given to Ex-Service personal. If this request of mine is not favourably considered I reque request you to recover this amount in instalments of Rs 5/ a month from my pension when it becomes payable.

Grant-in-aid - Students dependent on remittances from Burma, Malaya and other countries - Recoverable advances paid by the D.P.I. Write off of irrecoverable items.

cf. From the D.P.I. Re. No. 9803-W3/46 dated 9.7.47

L/29. In G.O. No. 235 Edn dated 11.2.42 the Director of Public Instruction was instructed to make recoverable advances to students in Schools and Colleges in the Province who were dependent for remittances for fees and maintenance on their parents or guardians in Malaya and Burma and who were not able to get such remittances on account of war, to cover School or College fees and maintenance charges. The Student concerned or the local guardian was required to give an undertaking to repay the amount in due course. If the Student was a minor, the local guardian and later the parent was required to give the undertaking, if it was possible. In making these advances the Govt. anticipated ~~that~~ the write-off of irrecoverable amounts - vide orders on p 23 of G.O. 235 Edn dated 11.2.42. The Govt. of India made provision subsequently for financial assistance towards the education of evacuee children from Burma and as such, ~~the~~ it was considered unnecessary to grant recoverable advances by this Govt. under the above G.O. The authorization given to the D.P.I. in this G.O. was therefore withd - vide G.O. No. 1228 Edn dated 18.8.44.

(L)

(y)

In respect of the amounts paid by the D.P.I. during the period he was authorized to make the above recoverable advan

AO

he has reported the cases of two ~~students~~ boys of ~~[illegible]~~ from whom the amount of Rs 720 advanced ~~to them~~ can not be recovered. The D.P.I. therefore recommends that the ~~amounts~~ recovery of this amount may be waived. ~~In these cases (two illegitimate children) it was not apparently possible to get any undertaking from them~~ or local guardian ~~for the repayment of the sum advanced.~~ Having regard to the peculiar circumstances connected with the two cases, the amount involved, viz Rs 720 may be written off. X

The D.P.I. may be asked whether any undertaking for repayment was given on behalf of these boys and if so by whom.
18.9.47

In this connection the D.P.I. states that there may be reported to him several cases of such irrecoverable amounts in due course. He requests instructions whether ~~he may [illegible]~~ such ~~[illegible]~~ cases shd. be reported to Govt or whether he may himself write off the amounts after careful examination in each case. It seems desirable that each case of irrecoverable amount exceeding Rs 100 is reported to Govt. Petty amounts up to Rs 100 may be written off by the D.P.I. after examination of each case. For orders. Finance may agree to the proposals of E and P.H. at X and Y on p. 2 above.

As regards the proposal at Z on p. 2 above, it is submitted that there seems to be no harm in addressing the Government of India whether they would bear a portion of the loss to this Government, ~~a portion~~ say 50%, if not the whole, on the analogy of the financial assistance given by them to evacuee students to prosecute their studies. Finance may, therefore, suggest that ~~action may be taken accordingly~~ the Govt. of India may be addressed ~~for financial aid~~ in the matter.

The orders issued in the G.O on p. 29 of Ⓛ should be interpreted to mean that they were issued only on behalf of the Govt of India as it is the concern of the Govt of India to render any help required by the Evacuee children from Malaya and Burma. Any loss incurred thereby should reasonably be borne by the G of I. But they are not likely to agree to bear the loss as the orders were not issued at their instance or with their consent. The full circumstances may be explained to the Govt of India and they may be requested to bear the loss in whole or to the extent possible on account of irrecoverable advances. Such cases are not likely to be many.

Please see the remarks of Fin above. The verbal changes indicated in pencil by Fin except the additional sentence suggested at the end of the draft may be accepted. With regard to the addl. sentence suggested by Fin, it is submitted that there is no information before the Govt. to presume that the cases of this kin are not likely to be many and that the total loss involved will not be large. In fact, the DPI has stated in para 4 of his letter on p2 c.f. that there may be several other cas of this kind that might come up for considerati in the future and this has also been incorpo in para 2 of the draft. ~~letter~~. Further, if the addl. sentence suggested by Fin were to be accepted it is likely that the Govt. of Ind may turn round and say that the provincial Govt. may themselves bear the loss entirely, it is not likely to be large. The Principal seems to have acted only formally & technically as 'local Guardian' to these minors who were in his institution. p. 62 c.f.

In 1942, before the Govt. of India introduced their scheme of financial assistance towards the education of the Children of Burma Evacuees and students depending on remittances from Burma and Malaya, this Govt. passed orders authorizing the D.P.I. to make recoverable advances to students in schools and colleges in this Province dependent on remittances stopped on account of the War. When subsequently the Govt. of India themselves introduced a Scheme of Assistance, the authorization of this Govt. was withdrawn. The D.P.I. has reported that the amounts advanced by this Govt. in pursuance of the above orders have in several cases become inrrecoverable and that the amounts so standing unrecovered on 1-7-48 was Rs. 63,225. The Govt. of India were asked to bear this loss, in the light of their own later orders offering financial assistance and in view of the responsibility taken by them for this expenditure. When the Govt. of India originally ~~[illegible]~~ asked for details of the amounts advanced in each case, it was thought they would consider the request of this Govt. In their letter of 7th Novr. 1949, the Ministry of External Affairs have stated that the scheme of repayable advances referred to was introduced by the Provl. Govt. on their own initiative, and without the prior approval and concurrence of the Govt. of India and that they could not be expected to be responsible for the losses suffered by way of the non-recovery of the advances thus made.
