Proposals for Part II Scheme under the subjects -

- (1) Citizenship Training;
- (2) Visual Education
- (3) Social Workers' Training Courses;
- (4) Permanent Training Centre.

(1) CITIZENSHIP TRAINING:

The Scheme of giving Citizenship Training to the pupils in secondary schools was sanctioned originally in G.O. No. Ms. 846 Education dated 9th April 1948, and the training was introduced in secondary schools from the beginning of 1948-49.

The success of the scheme depends on the training of all the teachers who are now employed in schools, and also on the training of B.T. students and secondary training students who are in the training colleges and schools.

Following the practice adopted in 1948-49 and 1949-50, arrangements will be made for holding 10 training courses for men and 12 training courses for women with a strength of 80 and 40 respectively, or 22 courses all together, the duration for each course being 10 days. The instruction will be on the same lines as hitherto, and the teachers trained in these training courses will be able to undertake Citizenship instruction in schools.

The expenditure involved in the above proposal is as follows:

(a) For each of the 10 men's centres.

Food (Contribution) for 80 men @ 1/- per head per day for 10 days.	Rs. 800	For all 10 centres
Expenses of 2 instructors, @ 50/- (D.A. @ 2/- per day and T.A. 30)	100	Total.
Contingencies	100	
	1000	10,000 ✓

(b) For each of the 12 women's centres.

Food (contribution) at 1/- per head per day for 40 women	400	Total for all the 12 centres.
Expenses of one Instructor at 50/- (D.A. @ 2 per day and T.A. Rs. 30/- for 10 days)	50	
Contingencies	75	
	525	6,300 ✓

(c) For students in Training Colleges and Training Schools.

The total number is estimated to be about 600. They are to be trained in groups of 100 or more or less, and six centres are contemplated one in each of the Training Colleges. The duration of the course will be 10 days. The expenditure involved will be as follows:-

Food at 1/- per head per day for 600	6000
Contingencies and equipment for 6 centres at 150/- for each	900

6,900 ✓

(d) For the headmasters.

It is necessary to provide for a short period of training for Headmasters. Assistants who are trained can do their work better if the Headmasters are made conversant with the idea and method of Citizenship Training. It will be necessary to arrange for 1000 Headmasters to come together in small groups for a period of 4 days for this purpose. Twelve such courses with 80 or 85 in each will be necessary. The six centres will be as follows:-

For Mathurai Division and Circles	..	3
For Coimbatore Division and Circles	..	3
For Rajahmundry Division and Circles	..	2
For Anantapur Division and Circles	..	2
For Madras and Circles	..	2

		12

The expenses involved will be as follows:--

Food for 1000 at 1/8/0 per head per day for 4 days	Rs. 6000	
Contingencies for the 12 courses at Rs.75/- for each course	900	6,900

The proposals under Citizenship Training are as follows:

For the Training of 800 men and 480 women teachers	10000	
	+ 6300	
	-----	16,300
For the training of 600 students in Training Colleges and Schools	..	6,900
For the short training of 1000 headmasters both men and women	..	6,900

		30,100

(2) VISUAL EDUCATION:

In G.O. No. Ms. 846 Education dated 9/4/1948 Government sanctioned a scheme for Visual instruction, and this has since been modified in G.O. 463 Edu. Dt. 19.2.49 so as to enable the starting of a Central Film Library for the use of Schools and Colleges and to spread Visual Education.

If Visual Education is to be effective it must become part and parcel of class room instruction. Films and pictures should play a very important part as Teaching Aids in the day to day work of the school. Projectors both for motion pictures (16 mm.) and for film strips have to be provided by each school, and teachers should be educated both in the use of the equipment and films and in the technique of using the latter for their lessons.

The D.P.I. has submitted a proposal for the
organisation of a series of training courses in Citizen-
ship during the year 1950-51. The cost involved in the

EXPLANATORY NOTE.

In 1948, the Government approved the scheme for the reorganisation of Secondary Education in this Province and it was given effect to from the school year 1948-49. According to this scheme, the students in the Secondary Schools should be taught in the methods of citizenship for two periods in a week. In order to enable the teachers employed in the Secondary Schools to impart instruction in the subject effectively and on right lines, it is found necessary to give them a short training. The Government, therefore, sanctioned the organisation of a series of training courses during the last two school years 1948-4 and 1949-50.

2. In order to train more teachers, the Director of Public Instruction has submitted the following proposals for consideration in connection with the budget for 1950-51.

- (a) Organisation of 10 training courses for men teachers
- (b) Organisation of 12 training courses for women teachers
- (c) Organisation of 6 training courses for the trainees in the training institutions.
- (d) Organisation of 12 training courses for headmasters secondary schools.

The total number of ~~teacher~~ men and women teachers proposed to be trained is 800 at the rate of 80 per centre and 480 at the rate of 40 for each centre, respectively. The Director has proposed the organisation of 6 training courses for the ⁽⁶⁰⁰⁾ trainees in the training institutions to avoid the necessity to train them, after they get themselves employed in secondary schools. In order to make the teachers to do their work better, it is considered necessary to give a short training courses for about 1000 headmasters of secondary schools. The ^{training} course for the headmasters is for a period of four days and that for all others is for 10 days.

3. The teachers, ~~and~~ the trainees and the headmasters will have to be provided with food. The expenditure on this account is estimated at Re. 1/- ^{per day} per head Rs. 1-8-0 per head ^{each} for headmasters and at Re. 1/- ^{each} for others. In addition, expenditure will have to be incurred on the purchase of equipment, contingencies and on the travelling and daily allowances to Instructors deputed to conduct the training courses. The extra expenditure involved in the proposals is Rs. 30,100/- non-recurring. As the organisation of the courses is necessary to implement the reorganization of Secondary Education, the Finance Department has agreed to the proposals being considered as a Part II Scheme for 1950-51; but ~~they~~ in view of the present financial stringency, they have suggested ^{that} the organisation of the number of courses may be restricted ^{to} fifty per cent, ^{thus} reducing ^{the} expenditure to Rs. 15,050/-.

4. This Department accepts ~~the~~ suggestion of the Finance Department and recommends that necessary provision as shown in the summary above may be made in the Budget Estimate for 1950-51.

The Principal, Teachers' College, Saidapet was permitted by me to organise and run a citizenship Training camp at Poonamallee during September-October 1950 and necessary permission was also granted to the Principal and other members of the staff to go to Poonamallee for the above purpose. The grant of travelling and daily allowances was however under correspondence with Government and final orders were issued only in January 1951--vide Government Memo. 2082-B/51-2 Education dated 29-1-51. The Principal, Teachers' College, Saidapet and other members of the staff who were permitted to participate in the Training Camp submitted their claims in February 1951 after the orders of Government were communicated to the Principal. Their Travelling Allowance Bills were countersigned by me, and the Principal was at the same time requested to send them to the treasury with a covering letter to the Treasury Officer, Saidapet explaining the circumstances under which the claims could not be presented earlier so as to avoid any audit objection. But in spite of the explanation the Treasury Officer has returned the bills saying that they are not admissible as per G.O.No. 511, Finance, dated 16-5-1949 which lays down that such claims should be preferred within 3 months from the date of completion of the journey. A copy of the letter Rc.179/51 dated 27-3-51 from the Principal, Teachers' College to the Treasury Officer, Saidapet and a copy of the Accountant-General's letter No.G.IV Education I.88 dated 9-5-51 with reference to which the bills were rejected by the Treasury Officer are enclosed for reference.

P.T.O

2. In the circumstances explained, I request that Government may be pleased to issue necessary orders to admit the claims in question as the delay in the submission of the claims was not due to any negligence on the part of the officers.

held at Poonamallee during September and October 1950, I request you to be so good as to kindly pass the same for payment. The delay in claiming the Travelling Allowance Bills is due to the fact that the matter was under correspondence with the Director of Public Instruction, Madras and final orders were issued in his Proceedings Rc.127/SE.3/50 dated 9-1-51, and the bills were then prepared and submitted for his countersignature. They were received back only to day from the Director of Public Instruction.
