Of the above items the D.P.I. does not recommend

for ^{it} the item. Thus, deducting the cost of the
type-writer the scheme works out to Rs 11,687 and

Part II Scheme for 1950-51

Equipment grant to the Y.M.C.A. College of Physical Education Saidapet: Rs 5844 (non-recurring)

ETP.H. propose that a provision of Rs 5844 (being half the cost of items (1) to (4) and (6) to (9) on page 1 above) may be made in Part II of the next year's budget for grant to the Y.M.C.A. College of Physical Education. No grant is recommended for the type writer - item (4) - as it is inadmissible. As regards item (4) - Cinema Projector - it does not seem that the purchase of this equipment is really and immediately essential for the proper running of the department. Finance may suggest that this item may also be omitted from the list. The grant to be given to the College towards the ^{cost of the} other items will be Rs 5081 or Rs 5,100 roundly.

Finance may agree to a provision of Rs 5,100 being made in the Part II of the next year's budget for equipment grant to the Y.M.C.A. College of Physical Education.

The amount is small & the expenditure is non-recurring. This may take its chance along with other Part II schemes for 1950-51. The expense can be considered to be imperatively & immediately essential for the college & it would appear that the college has incurred most of the expenditure in anticipation of grant.

As the grant for the typewriter is inadmissible, the cost of the typewriter was deducted from the total cost of the application and only a sum of Rs 11,687 was submitted and a sum of Rs 5,500/- has been proposed as the grant for the Part II scheme. If the present request to include the cost of the
