Sub: Inaguration of Republic of India - Night allowance
for workmen engaged in Illumination of Government
Press Building on 26th and 27th January 1950 -
Requested.

With reference to Office Memo. No.25-15, dated
10th January 1950 of Public (Spl.B) Department, Government Press
buildings were illuminated on 26th and 27th January 1950 for
which a few technical workmen mostly from the Electrical,
Mechanical and Carpentry Departments were engaged night and day
during the periods 24th January 1950 to 27th January 1950 to
finish the arrangement in time and to keep the illumination
during the nights of 26th and 27th January 1950 without break.

2. These men have represented to me that they expect
to be paid night allowance at the rate sanctioned by Government
in G.O.Ms.No.2428, Education dated 23rd September 1948 in connec-
tion with the night duty of workmen for election work. In con-
sideration of the strain and inconvenience and incidental expendi-
ture for refereshments, etc., to which these men have been
subjected to, I request that an extra allowance of Rs.1-4-0 per
head for each night of duty in continuation of day work (inclusiv
of the usual rate of annas 8 per head) in addition to the overtime
allowance may be sanctioned.

3. If the proposal is accepted the extra cost involved
will be about Rs.40/- only.

Education Department recommend the proposal of the
Superintendent, Government Press, that the special night allow-
ance sanctioned in G.O. No. 2428 Education dated 23-9-48 may be
extended to the workmen engaged during the period 24th to 27th
January 1950 to finish the illumination arrangements in the
Government Press.

2 Attention is invited to this Department's note on page
3 N.F. of (U). This Department accepted the proposal of the

the E & P.H. subject to the condition that the special rates ~~are~~
are only for election work and will not be quoted as a precedent
for extra work on other occasions, and even in the G.O., the Super-
intendent, Government Press, was informed that this rate will not
be allowed for extra work during night on other occasions.

In the circumstances there seems to be no justification for
allowing the extra allowance in addition to over time allowance.
The workers are normally admissible for night batta of Rs. 0-8-0
per night in addition to the over time allowance, and no further
concession seems called for, ~~and~~ if this is allowed in one case, it
may be ~~also~~ claimed by other Government servants for similar work
on future occasions, and it will be difficult to draw the border
lines in such cases. ~~As a result~~, The amount involved is ^{also} small
(Rs. 40/-). ~~In the circumstances~~, it is for consideration whether
this Department may ~~agree to~~ ^{advise against} the proposal ~~as a special case~~ and
the S.G.P.'s ~~should not be recommended such cases in future~~ ^{attention drawn to para 2 on p. 4 of G.O. at (C)}.
