Sir,

EDUCATION - Elementary - Superannuated teachers -
Re-employment - Sanction - Requested.

In G.O.No.1275, Education, dated 27-4-1949 the

Government sanctioned the continuance of the concession relating to re-employment of superannuated teachers below 60 years of age in elementary schools under local bodies granted in G.O.No. 22 Education, dated 7-1-1947, for one year i.e. till the closure of the schools for the summer vacation of 1950. Accordingly this Board re-employed all superannuated Higher Elementary and Secondary grade teachers till the beginning of the summer vacation of 1950. Now Higher Elementary trained teachers are available and so it is proposed to send away all Higher Elementary superannuated teachers. But there is real paucity of secondary grade hands and about a dozen posts are either kept vacant or are filled up temporarily by Higher Elementary grade teachers. In the next year the Board has proposed to raise about 20 elementary schools into Higher Elementary schools. There are about a dozen superannuated secondary grade teachers whose re-employment expires in April 1950. A few secondary grade hands may be required for leave vacancies and 20 secondary grade teachers for additional classes in Higher Elementary schools. A few hands may be expected when the training results of the March-April 1950 examination are known. But that too may fall short of actual requirements. So it is proposed to re-employ all secondary grade superannuated teachers below 60 years of age for one more year from May 1950 or till secondary grade hands

available whichever is earlier. I request, therefore, that the Government may be pleased to allow the concession of re-employing superannuated secondary grade teachers for one more year from May 1950. Early orders may be passed so that these teachers may not have to be sent away or retained in service without making payment.
