Dated. 12.4.50.

Sri L.C. Richard, M.A.,
Commissioner, Cuddalore
Municipality, Cuddalore.

To
The Secretary to Government,
Education and Public Instruction Department
Fort St. George, Madras.

Through: The Director of Public Instruction, Madras.
&
The Chairman, Municipal Council, Cuddalore.

Roc.No.C.1.1201/50 dated 5th March 1950.

Sir,

Sub:- Education - Secondary Education - proposal of the Cuddalore
Municipal Council to levy increased school fees from
1950--51 - Sanction - requested.

The receipts and charges of the Municipal High School, Cuddalore for 1948--49 are Rs.17877--3--0 and Rs.26330--3--9. The net expenditure on amount of the management of the High School is Rs.8353--5--9. As the expenditure is heavy, it is essential to find ways and means to augment the revenue so that the deficit is avoided.

2. The Council has been levying the maximum number of instalments admissible under the rules i.e. seven instalments in the long term and three instalments in the short term. The standard rate of school fees prescribed in rule 89 A of the Madras Educational Rules is in force now. The Advisory Committee of the Municipal High School, Cuddalore has in its resolution No.1 dated 9--1--1950 (copy enclosed) recommended the levy of enhanced rate of fees. The Municipal Council felt that the rate of fees cannot be enhanced without the sanction of the Government. In view of the fact that the Municipal Council has to incur heavy expenditure year after year, I beg to request that the Government may be pleased to sanction the proposal of the Council to levy increased fees from the next academic year as recommended by the Advisory Committee.

A copy of the Municipal Council's Resolution No.135 dated 27-2-50 on the subject is enclosed.
