Rc.No. 2383/B2/48 dated 15-10-49

Sir,

Subject: Equipment Grant.- Aided Elementary Schools -
Part II - estimates for 1950--51 - Lump sum
provision for schools opened in school less
centres

Reference:- Rop 5.A1/49-50 dated 5.10.49 of the Director
of Public Instruction.

In continuation of the explanatory remarks on
Annexure under 37(k) Education to the reference quoted above
I am to state that when Government in their order Ms No. 1523
Education dated 13-5-49 rejected the proposal for providing
Rs 14,000/- in part II of the Budget Estimate for 1949--50
for "Equipment Grant" in respect of schools in school less
centres, the scheme had just been introduced and had not
made much progress. However as a result of continued and
sustained efforts made by the Departmental officers to
encourage managements to open more schools in such centres,
upto the end of March '49, 205 managements have actually
been permitted to open schools and are now presumed to be
running them regularly and on a conservative estimate it
was thought that at least 100 managements out of the 205
will open schools and claim grants and a provision of
Rs 10,000/- was recommended to be included in part II of the
Budget Estimate for 1950--51.

This sum is the bare minimum necessary to
meet the demands from these managements, on whose behalf the rule
relating to Equipment grants has also been relaxed in G.O.
Ms. No. 195 Education dated 26-1-49.

It is therefore requested that this provision may
kindly be approved.

Yours faithfully,

D. O. Pantavalie

Explanatory note

The D.P.I. has proposed a provision of Rs 36,000 for the payment of to be made in Part II of the Budget for 1950-'51 for the payment of equipment grants to aided elementary schools. Of this amount, Rs 10,000 is in respect of elementary schools opened in school-less centres. A proposal to make provision in the Budget estimate for 1949-50 towards grants to elementary schools to be opened in school-less centres was considered last year. The proposal was however not approved by the Govt. In view of the fact that about 205 managements have actually have been permitted to open schools upto the end of March, 1949 and that about 100 managements will open schools and claim ^{equipment} grants during 1950-'51, this dept. ^{Considering} ~~seems~~ that ^{the} sum of Rs 10,000 ^{proposed is essential} ~~may also be included~~ provided in the B.E. for 1950-'51 for this purpose. As only urgent and essential schemes have been admitted to aid, the proposed provision of Rs 36,000 may be made in the B.E. for 1950-'51.

Part II Scheme for 1950-51 - Elementary Schools -
Equipment grant.

Letter from the D.P.I., No.2383-B2/48, dated
15-10-1949.

The Director has proposed that a provision of Rs.36,000 may be made in the next year's budget on account of equipment grants to aided ele. schools. Of this amount Rs.10,000 is in respect of elementary schools opened in the schoolless centres. It may be noted in this connection that a proposal of the D.P.I. to make provision in the Budget Estimate for 1949-50 towards grants to ele. schools to be opened in schoolless centres was considered as a Part II Scheme and the Director was informed in G.O.No.1523-Edn., dated 13-5-49, that the proposal was not approved by the Govt. In view, however, of the circumstances explained in page 3 of the letter ^{p3 dr} in the c.f. the proposal to provide Rs.10,000 towards ^{equipment} grants for schools that might have been opened in schoolless centres may be agreed to. The provision of Rs.26,000 in existing schools may also be accepted.

The file may be sent to Finance For remarks.

The proposal to make a provision of Rs 36,000 in Part II of the Budget for 1950-51 for payment of equipment grants to Aided E.L. Schools may be agreed to in Finance, as this is ~~an~~ ^{more or less satisfactory expenditure}.

Of the above provision, Rs 10,000 is in respect of elementary schools opened in the School-less Centres. New schools opened in such centres have been allowed a full grant of Rs 100 each for equipment - vide para 3 of G.O. 195 Edu. J 26.1.49. About 100 managements are expected to claim grants next year.
