From: Sri V.V. Subramanian, I.C.S.,

To: The Secretary to Government,
Education Department,
Fort St. George, Madras.

No.B.7.10467/50. Dated: 21/3/50.

Sir,

Sub: Stationery - Gloy paste in large containers - supply to
Gazetted Officers - Economy - Orders of Government -
requested -

Ref: G.O.No.Ms.54, Education dated 10/1/54. A

More than 600 bottles each containing 20 oz of gloy are being
issued on indents in addition to gum intended for pasting envelopes
etc. Pasting of envelopes is done invariably by the peon attending
on Officers for which gum supplied on indents can be used. Pasting
of envelopes by Officers themselves is rare for which gum bottles
with brush supplied to Gazetted Officers would serve the purpose.
These bottles can be refilled with gum usually supplied on indents.
If the Government still consider that the gloy in large containers
should be supplied, it may be restricted to H.B. the Governor,
Secretariat, Board and Heads of Departments for whom annual requirements
would be about 100 bottles insted of 600 as being purchased and
supplied at present. Early orders of Government are solicited for
making necessary corrections in the Stationery Manual now under
revision.
