Hon'ble and Respected Sir,

At a meeting of the Headmasters' Association, Madras city held on Monday,1-11-1948, at Children's Garden School, Mylapore with Mr. K. Kuruvilla Jacob in the chair the following resolutions were passed.

1 "The Association recommends to the Government the sanction of Rs. 65-5-130 inclusive of craft allowance to the Secondary teachers of the Secondary Schools in the province and further suggests that the Secondary grade teachers with 20 years of service may be placed on Rs.90-5-130 inclusive of craft allowance"

I beg to forward this resolution to your sympathetic consideration since the Government have accepted the proposition that the Secondary grade teachers and the Pandits without training should be placed on the same scale.

The Government will be doing a great act of mercy if the above recommendation~~s~~ is adopted.

2 "The Association requests the Government to recognise for grant-in-aid purposes the expenditure incurred by the Schools on the refresher courses, camps, ~~adn~~ excursions, etc. attended by the School teachers as this expenditure is necessary in implementing the scheme of Reorganisation of Secondary Education."

Dated: 4-11-1948.

Yours faithfully,

RESOLUTION No.1: The Government are having under consideration the question of adopting the scale of pay for the province as recommended by the Central Pay Commissione~~r~~ and the particulars regarding the cost involved in this regard have been called for from the Director who is collecting the particulars. Pending decision of Government in this regard no action need be taken.

RESOLUTION No. 2: There is at present no provision for taking into account for grant-in-aid purposes the expenditure incurred by the schools on the refresher courses, camps, excursions etc., Provision for expenditure on such items is necessary for the implementation of the shceme (scheme) of reorganistion of secondary education successfully. This resolution is therefore recommended for favourable consideration by Government, especially in view of the "activities" introduced in the reorganisation and the need for training teachers on the one hand and providing facilities for the pupils on the other.

With reference to the Government Telephonic Messag by post dated18-2-49, I am to report that no order of Government have been issued previously that the the expenditure incurred by managements of Schools in connection with the refresher courses organised by them will be treated as an approved item of expenditure for purposes of teaching grant. I am also to report that refresher courses have not been organised by the Education Department so far for secondary school teachers and no expenditure has been met by Government in this regard. But in the case of retraining for Basic Education the expenditure has been allowed in the shape of stipends to the deputed teacher to cover the cost of food, books etc.,

Attention of Government is in this connection invi to their Memorandum No.96663-B1/48-1 Edn. dated 3-1-49. The particulars called for therein will be submitted to Government on receipt of particulars from the subordinate Officer.

The approximate estimate of the additional expenditure to Government by way of teaching grant will be about Rs.55,000/- (Rupees fifty-five thousand) It is not necessary nor desirable to fix a limit for such expenditure as the expenditure is not likely to mount very high.

2. Each Headmaster/Headmistress should be required to draw up and submit a panel of 5 names to the District Educational Officer or the Inspectress as the case may be who may select from among them one or two suitable teachers. In selecting them, younger teachers should be preferred and their aptitudes for the particular courses taken into account.

3. The Divisional Inspectors of Schools may be authorised to permit the Teachers Guild or Headmasters' Associations to conduct Refresher courses for teachers both in the Boys and Girls Schools.

4. The refresher courses will be held annually in each District at a central place in the District with the approval of the Divisional Inspector of Schools.

5. Having regard to the prevailing high cost of living a good number of teachers may not come forward to undergo the refresher course at their own expense. Well equipped teachers are now absolutely necessary. In the public interests, there is imperative necessity for Government incurring expenditure in this regard. It would save the Department holding such courses for xxx other subjects and general technique as is being done, in the case of citizenship training and Homecraft training, these being new subjects and the urgency of the need for specially trained teachers.

M

6 I suggest that teachers in the service of local bodies and under private managements deputed for training be paid a single III Class Railwayfare bothways and a Daily allowance of Rs.2/- for each trainee. Teachers in Government Schools may be given T.A. and D.A. as on tour. The period of training may be treated as duty in the case of all classes of teachers. Some provision may be required under contingencies also.

ORDER:

Under the scheme for the reorganisation of secondary Education introduced from the school year 1948-49, Arts and Crafts, Social Studies and Citizenship, should be taught to all the students. In order to enable teachers to teach these subjects efficiently, it is necessary to train them by conducting refresher courses. Camps and Excursions have also to be arranged for the students. As local bodies and private managements will not be in a position to meet the entire expenditure on this account from their own funds, the Government have decided that the expenditure should be taken into account for purposes of assessment of teaching grant payable from 1950-51 onwards.

Resolution 2: RECOGNITION OF EXPENDITURE INCURRED BY SCHOOLS ON REFRESHER COURSES, CAMPS, EXCURSIONS, ETC. FOR PURPOSES OF GRANT-IN-AID:- There is at present no provision for taking into account for grant-in-aid purposes, the expenditure incurred by the managements of secondary schools under private managements, on refresher courses, camps, etc. The Director considers that provision for expenditure on such items is necessary for the implementation of the ~~xhx~~ scheme of reorganisation of secondary education successfully. [Memo. no. 90419-B1/48-1 Edn. dated 8.12.48] pp3-4 c

From the DPI., RC. no. 2375-B1/48 dated 2.2.49. p5c

The DPI reports that as refresher courses, etc. have not been tried previously, any estimate obtained from the schools would only be hypothetical. He therefore suggests that a maximum grant of Rs 100/- p.a. may be taken as the basis for purposes of estimate. There are 903 secondary schools under local bodies and private managements and the extra cost to Government works out to Rs 90,300/- per annum. The Director also reports that the existing provision for Scout Trg, Physical Edn, Refresher Courses & citizenship trg. may in future be merged into the proposed grant & that the actual additional expenditure will be much less than the above estimate. The Dir has not given an estimate on this point presumably because, references will have to be made to each school and even then an actual estimate can not be arrived at.

2. The proposal of the Director involves large recurring expenditure and it should normally be considered as a Part II scheme. When considering the Part II schemes for 1949-50, the SFC. has expressed the opinion that Govt should not undertake fresh commitments. The proposal that the expenditure incurred by local bodies ~~on deputation of teachers for undergoing training as~~ Physical Training Instructors & Pracharak training and by private managements in giving Pracharak training to Hindustani teachers as an approved item of expenditure for purposes of assessment of teaching grant has been negatived by the SFC. & cabinet. There seems to be therefore no prospect of the proposal to treat expenditure on refresher courses, camps etc as an approved item for assessment of teaching grant being approved by S.F.C. It is therefore for consideration whether the request of the headmasters association may be negatived.

HM (Edn.)

For the Refresher courses provided by Government, we are to a certain extent meeting the expenditure. We had also issued orders that the expenditure ~~spent~~ incurred in connection with the Refresher courses organised by us may be recognised for purposes of grant in a previous file. This asks for nothing more. But there is a great danger that they may include for purposes of grant any refresher course organised by them. To avoid it, we may say that refresher courses organised or conducted by Government or may be recognised by them and any expenditure incurred in sending pupils to such courses may be approved for purposes of grant and perhaps an upper limit also may be placed that we should not exceed about Rs.50 per school in any one year.

Viewed from [illegible] standards, the expenditure will not come to much.

Please see the minutes of JS(Edn) on page 3 ante. The proposal in this file is to recognise the expenditure incurred by managements of schools not only on refresher courses but also on camps, excursions, etc, for purposes of grant-in-aid. According to the recommendation of the DPI, the expenditure ⊗ on this account works out to Rs 90,300 and even if the maximum grant is limited to Rs 50/- per school, it comes to Rs. 45,150/-. It does not appear that any orders have been issued that the expenditure incurred by managements of schools on refresher courses recognised by Government will be admitted for purposes of grant. The Director may perhaps be consulted in the matter.

From the DPI., PC of TM. dated 17.3.1949. p 10 g

The DPI has reported that no orders have been issued by Govt to treat the expre incurred by managements of secondary schools on refresher courses organised by them and that no refresher course has so far been organised by the Edn. Dept. The DPI has been asked to furnish an estimate of cost if the expre is treated as an approved item of expre for purposes of assessment of teaching grant. This file may lie over till that information is recd.

dated the 9th November 1949.

p 18 g

The notes on pages 1-4 above may be perused. The proposal in this file is to recognise the expenditure incurred by managements of secondary schools on the organisation of refresher courses, camps, excursions, etc., for purposes of grant-in-aid. The Director of Public Instruction, who was consulte~~d in the matter has reported that the head of the school concerned may~~ be required to send a panel of five teachers to the D.E.O. or the Inspectress of Girls' Schools, as the case may be, who may select one or two teachers from among those five, preference being given to young teachers having aptitudes for particular course. He has also reported that the Divisional Inspector of Schools may be authorised to permit Teachers' Guild or Headmasters' Associations to conduct the courses and that they may be held at a central place in each district approved by the ~~D.I.~~ Divisional Inspector of Schools.

para 2 on p 18 g

para 4 on p 18 g

2. As the teachers cannot be expected to undergo the course at their own cost, the Director suggests that the teachers in schools under local bodies and private managements may be paid III class railway fare to and fro and a daily allowance of Rs.2 per day. He also suggests that the teachers in Govt. schools may be paid travelling and daily allowances as on tour, and that the period of training may be treated as duty in the case of all kinds of teachers. The approximate cost to Govt. on account of this proposal ~~is~~ has been estimated by the D.P.I. at Rs.55,000/-., and he considers it unnecessary to fix a limit (as stated in the minutes on page 3 ante), as the expenditure is not likely to mount.

para 3 on p 18 g

para 1 on p 18 g

3. In the circumstances stated in the note on pages 2-3 ante and in view of the present financial stringency it seems that the proposal may wait for better times. For

service of ~~the~~ local bodies and under private managements deputed for training may be allowed each a single third class ~~[illegible]~~ railway fare both-ways, i.e. from their place of residence to the training centre and back and a daily allowance of Rs.2/- per diem for the duration of the training. The railway fare proposed is reasonable and may be accepted, but the daily allowance suggested seems to be rather high pitched. Secondary grade teachers undergoing training are paid a stipend of Rs.18/- p.m. On this analogy, Finance may suggest that the teachers of ~~all~~ schools under the management of local bodies and private institutions deputed for training may be allowed a stipend at the above rate for the training period. They may draw the stipend in addition to their pay. Finance may advise accordingly. E.& P.H. may be requested to modify ~~the body of the explanatory~~ the note suitably.

the proposed daily allowance of Rs 2/- each per diem (does not seem to be) excessive ~~as [illegible] high pitched~~. In the circumstances, the daily allowance for the teachers undergoing the course may be fixed at Rs 2/-.

2. The file may be circulated to H M (E&H) and HM (Fin) for orders whether the rate of Rs 2 a day proposed by the ~~D.P.I~~ may be allowed to the teachers.

What is the D.A. of the teachers in Govt school according to the tour rates - We cannot favour our aided school teachers without raising similar claims from Govt teachers, who though susceptible to tour rates are not really touring officials - In the alternative why not allow tour rates to aided school teachers?

5/12

Please see the Secretary's query above. According to the orders now in force, the daily allowance admissible to Government servants drawing pay exceeding Rs. 44 and not exceeding Rs. 125 is Rs. 2/- when they tour on duty. The allowance admissible to those drawing pay exceeding Rs 125 but not exceeding Rs 200/- is Rs. 2-7-0. It will be seen from the above, that the flat rate of Rs. 2/- for each of the teachers (in non-Govt schools) undergoing the refresher Course is ~~[illegible]~~ fair. On the other hand, there will be a (small) saving to Govt ~~on acct of [illegible]~~ by allowing a flat rate, as even the L.T. Assts in non-Govt schools (drawing above Rs 125/-) (whose scale of pay is Rs. 75-145) who undergo the Course will get only Rs 2/- instead of Rs 2-7-0. In the

The question is whether teachers of non-Government schools deputed for undergoing ~~x~~ refresher courses ~~of~~ ~~[illegible]~~ should be allowed stipends at the rate of Rs.18/- per month as recommended by Finance or Rs.2/- per day as recommended by this Department. Finance argue that for the secondary grade training course, teachers are allowed only Rs.18/- p.m. as stipend. This may be correct; but that is of course for 2 years, in respect of which the teachers can make more or less permanent arrangements for their lodging. In respect of this short course ~~of Rs.18/-~~ Rs.2/- would barely cover the out-of-pocket expenditure. It is also the minimum D.A. which is allowed to Government teachers. May therefore agree to a daily allowance of Rs.2/-.

The suggestion of Finance is that instead of a daily allowance of Rs 2 a stipend at Rs 18 p.m. may be paid. H.M. (Fin) has minuted that the Finance view may be accepted. The file may be circulated to H.M. (Edn) for orders whether as suggested by Fin a stipend of Rs 18 p.m. may be allowed in addn to pay.

Please see the orders in circulation. It may be assumed that the payment of a stipend of Rs 18 p.m. instead of a daily allowance of Rs 2 to teachers in non-Govt Secondary schools would result in a saving of Rs 5000. In May 1948, the Government approved the scheme for the reorganisation of Secondary Education in this Province and effect was given to that scheme from the beginning of the school year 1948-49. According to this scheme, the following subjects, namely, Arts and Crafts, Social Studies and Citizenship, are to be taught to all the students. In order to teach these subjects efficiently and on right lines, it is necessary to provide for the training of teachers by conducting refresher courses; camps and excursions have also to be arranged for the students according to that scheme. As the managements of schools cannot be expected to meet the entire expenditure on this account from their own funds, it is proposed to take into account the expenditure involved ~~recognise it~~ for purposes of assessment of teaching grant.
