The Council is agreeable to the proposal to convert the Municipal Deaf and Dumb School into a fully residential school provided the Government would promise a liberal grant ~~w~~ towards its non-recurring and recurring charges. A copy of the Council's resolution No. 176 dated 26.2.49 on the subject is submitted herewith. The cost of constructing a hostel for 25 Boarders will come to about Rs. 10,000/- and the cost of equipment will come to approximately to Rs. 1000/-. The Boarding charges of 25 pupils will come to Rs. 6,000/- annually. There is a possibility of the strength of the school improving if it is converted into a free residential school and vocational instruction is given to the pupils. Some advertisement is also needed since several parents of defective children are not aware of the existence of the school at all.

2. The Commissioner states that the cost of maintenance of the Hostel will be about Rs.6,000/- per year. Out of the 3 items of expenditure mentioned ~~maintained~~ by the Commissioner, the item relating to "Miscellaneous (oil bath, Hair-dressing etc.)" costing about Rs.27-8-0 p.m. may be ignored for the purpose of fixing the amount on the basis of which provincial subsidy is to be sanctioned. The net cost of maintenance of the Hostel after deletion of this item will be Rs.6,000 minus - 275 (27-8-0 x 10) = 5725 and half of this will be Rs.2863 or Rs.2,900. This will be the estimated expenditure from provincial funds, since the Commissioner says that the Municipal Council desires that Government should bear one half of the expenditure. It is also submitted that the cost of maintenance of the Hostel to start with next year will be Rs.2250 for 1949-50 since the Commissioner says that there may be only 10 pupils in the Hostel next year)present strength 9 plus those expected to join next year 11 = 20. Of these, only 50% will join the Hostel) and the cost to Government will be only half of this amount (i.e.) Rs.1125/- for 1949-50.

p3 ante

3. As regards the non-recurring expenditure the Commissioner states that the cost of the building will be Rs.10,000 and Rs.1,000 for equipment i.e. Rs.500 required for purchasing cooking utensils and Rs.500/- for equipment required for starting instruction in tailoring and the Municipal Council desires payment of grant towards these items also.

Subject:-

Government Memo No.80537.B1/48-3(Education) dated 23-12-48, requesting the view of the council on the question of converting the Deaf and Dumb school into a residential school.

Note of the Commissioner.

The proposal to run the school as a residential one has been under the consideration of council ever since it was started in 1937. For various reasons it has been postponed. The strength of the school is going down from year to year. The chief reason for this is want of a hostel facility. If a free hostel is started the strength of the school might improve. Also an industrial section may be started. Instruction in tailoring may be given to start with.

2. It would appear from the Government memo cited above that the Govt. themself are anxious to provide free eductional facilities for the defective children and are likely to give grant-in-aid towards the non-recurring and recurring charges of the special schools established by local bodies for the ~~old~~ education of such children. This opportunity may be taken advantage of and a free hostel started from the next school year itself. Till a permanent pucca building for the hostel is constructed near the school itself a private residential building at a convenient distance from the school may be taken on lease for a period of two years. The cost of constructing a hostel building for 25 students will come to about Rs.10,000/-. The charges for maintaining the hostel will come to about Rs. 6000/- cooking utensils required for the hostel will come to about Rs. 500/-. and equipment required for startinginstruction in tailoring will come to Rs. 500/- Government may be requested to sanction from Provincial funds onehalf of the non-recurring and recurring charges of the institution as grant in aid.

With reference to the Government Memo. cited above, I have the honour to report that the Commissioner has stated that no suitable building near the school is available for a Hostel and that the Municipal Council has therefore sanctioned in its resolution No.596 dated 27-6-49 an estimate of Rs.3730/- for the construction of a hostel building. The plans and estimates in respect of this are being sent to the Joint Consulting Architect for scrutiny. In the meantime I request Government to include a provision of Rs.1865/- in the Part II of 1950-51 after getting the remarks of the Joint Consulting Architect.

The exact amount to be provided will be reported

2 The Commissioner has sent an indent in his letter R.C. No.C.4-125/49 dated 6-9-49 for Rs.266-10-0 for the purchase of equipment for the hostel. As all the items are admissible a provision of Rs.150/- in round figures may be included in the Part II of 1950-51.

3 Since the hostel has not yet been opened the question of Boarding charges does not arise at present.

4 ~~AXX~~ As regards the Deaf and Dumb School at Coimbatore (Vide Government Memo.No.35350-B.1/49-4 Dated 24-6-49) the Commissioner of Coimbatore Municipality has sent an indent on 13-9-49 for equipment for the school at an estimated cost of Rs.6,000/-. It is considered that schools for the p 2 of Ⓚ and pp 12-13 ibid Deaf and Dumb should as a rule be residential and that as the majority of the pupils attending such schools are generally from poor houses, their board and lodging should be either free or substantially subsidised. Accordingly the Commissioners of Karaikudi and pp 12-13 ibid Coimbatore Municipalities were requested to submit proposals for the conversion of the two schools into complete residential ones even from the current school year. For want of adequate and suitable accommodation, the schools could not be converted into fully residential ones during the current school year. To

To overcome this obstacle viz., the lack of suitable accommodation, the Commissioners of the Municipal Councils of Karaikudi and Coimbatore were requested to find out whether any suitable building may be secured on payment of rent or in the absence of rented buildings to submit proposals for the construction of a building for the hostel as a Part II proposal. They were also requested to submit proposals for the purchase of initial equipment for the hostel.

3. The D.P.I. has now submitted proposals for the construction of a building for the hostel for the Municipal Deaf and Dumb school, Karaikudi, at an estimated cost of Rs.3730/-. Pending scrutiny of the plans and estimates by the Joint Consulting Architect the Director has suggested that a provision of Rs.1,865/- may be made in the Part II of the B.E. for 1950-51. The Karaikudi Mty. has submitted an indent for the purchase of equipment also. The Director has recommended that a provision of Rs.150 may be made in the B.E. for 1950-51 towards half the cost of the initial equipment. He has also recommended that a provision of Rs.3,000/- may be made in the Part II of B.E. for 1950-51 towards the purchase of equipment for the Deaf and Dumb school, Coimbatore. The Director's recommendations may be accepted.

4. The Commr. Coimbatore Mty. has submitted an advance copy of the detailed estimates for the construction of a compound wall for the Deaf and Dumb school, Coimbatore, at an estimated cost of Rs.9,000/- and for the extension to the school at a cost of Rs 6460 The latter can be considered to be essential. Compound wall would also seem necessary for a residential school ~~Rs.6,460~~ ~~Rs.6,460/-~~. Pending a scrutiny of the plans and estimates by the ~~competent authority~~ Joint Consulting Architect and the recommendation of the D.P.I. thereon, it is submitted that a provision of Rs.7,730/- may be made in the Part II of the B.E. for 1950-51.
