~~[illegible]~~ in circulation file [illegible] some complaint made by teachers in [illegible] regarding unemployment

Ref: My letter Roc.No.1242-M/49 dated 10-1--1950.

As suggested in my letter referred to above I submit the following proposals for ensuring the prompt and proper employment of Basic trained personnel in the districts.

It is observed that teachers trained in Basic Education are sometimes unemployed or employed in schools other than Basic Schools. This means that the time and money spent on giving them training in Basic Education is wasted. I consider that this wastage can be avoided by constituting an Advisory Committee in each District to advise the District Educational Officer in matters relating to Basic Education, to select new centres for the introduction of Basic Education, to plan the employment of Basic trained personnel and to generally look after the necessary arrangements for implementing the Basic Education scheme, including publicity.

The Committee may consist of the President, District Board, the District Educational Officer, the Heads of Basic Training Schools in the district (both Government and aided) and the non-official members of the selection committees of Government Basic Training Schools. The District Educational Officer may be the Secretary and the President, District Board, may be the Chairman of the Committee. In districts where there are two District Educational Officers they may be Joint Secretaries of the Committee.

3

The Committee may be convened two or three times in a year by the District Educational Officer at his office.

(3)

I request that early orders may be issued on the proposal.

Yours faithfully,

Sir,

SUB: BASIC EDUCATION - Constitution of Advisory Committee for each Basic Training School: proposals - Submitting.

REF: My letter C.28-M/50 dated 10th January '50.

1/ After a personal discussion with the Hon'ble Minister for Education, I submit the following revised proposals:

2/ There is at present a selection committee of three members constituted every year for each of the Government Basic Training Schools. The Committee consists of (1) the District Educational Officer or the Inspectress, (2) the Head of the institution and (3) a non-official member. It is now suggested that the President, District Board may also be included in the Committee.

3/ This committee instead of being merely a selection committee may function as an Advisory Committee assisting the District Educational Officer in implementing the Basic Education scheme in the taluk served by the Basic Training School concerned. This committee can be of great help to the District Educational Officer in preparing a comprehensive plan for universalizing Basic Education in the Taluk, in selecting new centres for starting Basic schools, in securing prompt and proper employment of Basic trained teachers, in giving due publicity and in generally looking after the working of the scheme

4/ Similar Committees may be formed for following up the work in aided Basic Training Schools also. The Commitee for each of these Basic Training Schools may consist of the District Educational Officer, the Correspondent of the Basic Training School and the President, District Board.

5/ I request that Government may approve the above proposal and enable me to implement the Basic Education scheme in a systematic manner and to see that Basic trained personnel are properly employed in Basic Schools.

The question has been raised whether the non-official members appointed on the committees last year may be continued for 1951-52 also or whether fresh nominations for non-official members have to be submitted for approval. I consider that a period of three years may be fixed for a non-official nominated to hold membership of the Advisory Committee so that continuity of planning may be ensured. I, therefore, recommend that the non-official members who were on the Advisory Committees constituted for various Basic Training Schools may be allowed to serve on the committees for two more years namely for 1951-52 and 1952-53.

The list of non-official members on the committees constituted for various training schools is enclosed for the ready reference of Government.

Fresh nominations for the following three schools will be submitted to Government for approval after receipt of recommendation from the inspecting officers concerned.

In continuation of this office reference cited, I submit herewith a copy of the letter Rc.No.26768/56- B7 dated 16-10-56 from the President, District Board, Tanjore for favour of orders.

2. In this connection, I may state that the Presidents of the District Boards have been appointed as Members of the Advisory Committees constituted for the Government Basic Training Schools vide G.O. Ms.No. 1167 Education dated 12-4-50. However in their Memo. No.23978 C/50-1 Education dated 23-8-50 Government have stated that, when the Presidents of District Boards are unable to be present at the Advisory Committee meetings they may depute the vice Presidents or the District Board Educational Officers to represent them at the meetings. It would appear that the Delegations under section 23(4) of the Madras District Boards Act, 1920 quoted by the President, District Board will hold good only in cases where the President, District Board functions as the Executive authority of the District Board under the provisions of the said Act and not to cases of the kind under reference where the Presidents of District Boards have been specifically appointed by Government as one of the members of the Advisory Committees constituted for Government Basic Training Schools. I consider that in such cases the Presidents of District Boards cannot obviously delegate their function to any persons other than those authorised by Government in this behalf viz. vice Presidents or District Board Educational Officers.

In the circumstances stated above I request that Government may be pleased to clarify the position and to pass suitable orders in the matter for the future guidance of the Presidents of District Boards.

Ref:- From the Director of Public Instruction No; C.28M/50, dated 10-1-'50.

...:...

The Director of Public Instruction has submitted proposals for the Constitution of an Advisory Committee in each district to regulate employment of teachers trained in Basic Education. First of all it has to be examined whether such Committees are really necessary. The headmasters of Basic training schools will generally have a list of teachers passing out of their schools. It will be possible for the D.E.O. to scrutinize the list and provide for the employment of teahers trained in Basic Education. Generally Basic schools function in localities ~~commented~~ Commanded by Basic training schools and the headmasters of the Basic traning schools will be able to provide for all the teachers trained in the schools functioning in the locality. In stray cases where all teachers cannot be provided for, the D.E.O. may be furnished ~~the~~ with a list of ~~such~~ teachers who require employment elsewhere and the D.E.O. can secnre employment for these teachers in other localities. ~~The~~ Non official Committees have been constituted for ~~each districtx~~ Basic training schools to select teachers for training. ~~with~~ The help of these Committees can be availed of to secure employment for ~~these~~ trained teachers also. In the circumstances, there does not appear to be any need for the constitution of ~~an~~ Advisory Committee in each district. If however, the matter ~~will~~ is to be considered further, information may be obtained from the D.P.I. as indicated in the draft Memo. submitted below. For orders.

In G.O.Ms.No.1167 Education, dated 12-4-50, the Govt. approved the proposal for the constitution of a selection committee consisting of the following members for each of the Basic Training Schools in the State for the purpose of selection of candidates for admission into such schools:-

(i) the Controlling Officer i.e. the D.E.O. or the Inspectress of Schools,

(ii) the head of the institution concerned,

(U)|13-para 1 therein

(iii) One non-official interested in Basic Edn.; and

(iv) the President of the respective District Board.

The Committee was also authorised to work as an Advisory Committee assisting the Controlling Officer in implementing the Basic Education Scheme in the taluk served by the Basic Training School. When the P.D.Bs. were unable to attend any of the Committee Meetings, they were permitted to depute Vice-Presidents of the D.B.E.Os. to represent them at the meeting.

2. In October last, the D.P.I. brought to the notice of the Govt. the irregular action of the P.D.B., Tanjore, in having deputed certain members of the District Board to represent him at the meetings of the (Advisory) Committee held for the selection of candidates for admission into the various Govt. Basic Training Schools in Tanjore District. This irregular action was ratified, as a special case, on the Director's recommendation. The President was also informed that such deputation should not be permitted by him in future.

dated 16-10-56 in the matter, wherein he has contended that he deputed the District Board Members to attend the Committee Meetings under section 23(4) of the M.D.B. Act, 1920. The Director is of the view that the delegation under the above section will hold good only in cases where the President functions as the Executive authority of the Board under the provisions of the Act and that in other cases- as the one under reference, where the President ~~have~~ has been specifically appointed by Govt. as one of the Members of the Advisory Committees set up for Govt. Basic Training Schools, he cannot delegate his functions to any person other than those authorised by the Govt. The Director's view seems to be correct.
