R.O.C. No. 756 M/49 dated 24-9-49.

Sir,

Sub: Basic Education - Government Basic Training School for women, Bellary - Opening of Senior sections and additional staff - proposals submitted

In their order No. 1140 Education dated 14-4-49, the Government sanctioned the opening of a Secondary grade training section in the Government Training School for Mistresses, Bellary during 1949-50. They also sanctioned the conversion of standards VI to VIII of the Model school into Forms I to III in the current year. While the former ~~ma~~ proposal was not given effect to this year in view of the conversion of the school into a Government Basic Training School for women, the latter, that of the conversion of the higher standards into Forms I to III has been done this year. The Basic Training School for women Bellary has now one Junior Basic section, first year, and another junior Basic section, second year. Since there is adequate accommodation, as suggested by the Inspector of girls' schools I circle, I recommend that Senior Basic sections also may be opened in this school from 1950-51. If this is accepted there will be three sections next year (1950-51)--one Senior Basic first year, one Junior Basic first year and one Junior Basic second year and in 1951-52 there will be two Junior Basic and two Senior Basic sections in the school. In connection with the opening of Senior Basic sections in the school, the following additional staff will be necessary.

- 1 School Assistant from 1950-51 (for the Senior Basic I year)
- 1 Secondary grade Assistant from 1950-51 -do-
- 1 Weaving Instructor from 1950-51 -do-
- 1 School Assistant from 1951-52 (for the Senior Basic II year)

The extra cost on account of the above proposals would be as follows:

	Cost in 1950-51 Rs.	Cost in 1951-52 Rs.	Ultimate cost Rs.
Recurring:			
1 School Assistant in the scale of 85-175; Dearness allowance at Rs 24/-p.m and 32/-p.m	680	-	3,288
1 school Assistant in the scale of 85-175; Dearness allowance at Rs 24/- p.m and 32/- p.m	-	680	768

Sir,
Sub: BASIC EDUCATION - Employment of additional staff in certain Government Basic Training Schools - Proposals - Part II Schemes - 1950-51.
Ref: Government Memo No.72674 B2/49-2 Edn., dated 24th October 1949.

8 NOV 1949

The scale of teaching staff required for a Government Basic Training School where the number of training sections is N is given below:-

1. L.T. School Assistants: 'N' plus 1, i.e., as many L.Ts. as the number of sections plus one extra L.T. Assistant.
2. Music Instructor: Part time if the number of sections is one or two; full time if the number of sections is three or more.
3. Additional teachers: (Secondary grade teachers or specialists like Weaving Instructors, Physical Training Instructors, Artist, etc) - (N - 1).
4. Secondary Grade teachers for the model school section - As many as there are sections.

The number of graduate teachers in the nine schools under reference is at present inadequate and hence I have recommended the sanction of an additional School Assistant for each of them.

Weaving Instructors are necessary for all Government Basic Training Schools since Weaving is a Basic craft. It may be pointed out that wherever a Weaving Instructor is appointed, the number of secondary grade assistants is reduced by one.

K/

Part-time Music teachers will not be required when full time music teachers' posts are sanctioned for the nine new schools from 1950-51.

(Part II scheme for 1950-51) E.P.H.U.O. 72674 B3/49-1

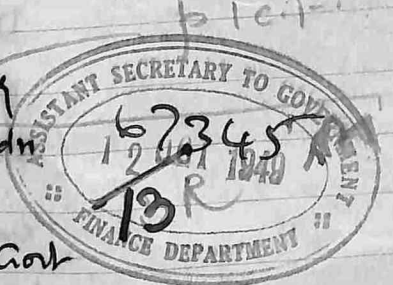

The proposals in the file relate to

- 1) the employment of certain addl staff in each of the nine new Govt Basic Training Schools opened under the Order in G.O.No. 1891 E.M. & 10.6.49; and
- 2) the opening of Senior sections in the Govt Basic Training School for women, Bellary and the employment of addl staff for the same; and
- 3) the employment of certain addl staff in the Basic Training school, Ranipet

The extra cost involved in the proposals has been estimated at Rs 1,08,500 (2 p.a. recurring and Rs. 47,100 in 1950-51)

Even though the proposals have been put forward in furtherance of the Govt's policy to encourage Basic Education in the province, yet they do not seem to satisfy the latest instructions issued by Govt for the consideration of Part II schemes for 1950-51. In the circumstances and in view of the financial stringency, His Deptt may advise that the proposals be deferred. It however E.P.H. wish to press for the proposals, they may be requested to obtain orders in circulation in this point.

Addl Staff for the nine new Basic Training Schools opened under the Order in G.O.No. 1891 E.M. & 10.6.49.

The details of the existing staff in each of the ^{nine new} schools, and the addl staff now proposed for each of them, are at 'K' and 'M' respectively imp 1 c.f. The schools have now been opened with two sections, and only two L.T. posts have been sanctioned for them. For the opening of two more sections from next year onwards, the D.P.S. has proposed the employment of three L.T. posts for each school excluding the staff for model school. But he has not explained the necessity for the increase in the number of L.T. posts from two to three. Nor has he explained the need for a ^{for the Basic Training Schools} wearing instructor, when no such post seems to have been sanctioned for the Basic Training schools in the G.O. at ②. It is also not clear whether the ^{post of} part-time music teacher sanctioned for each of the nine Basic Training schools in the G.O. at ②, will still be required even after the employment of ^a full-time music teacher proposed by the D.P.S. for each of these schools.

E.P.H. may be requested to obtain ^{further} ~~the~~ information on the above lines, if they wish to press for these posts.

The details of the addl staff proposed for the Govt Basic Training school for women, Bellary, and ~~Basic Training School~~ Ranipet (excepting the post of wearing instructor in the former school to which the remarks in para 3 above will apply) do not call for any special
