The Director of Public Instruction,

The Secretary to Government,
Education & Public Health Department,
Fort St. George, Madras.

2534/ Sir,

Sub: Visual Education--Purchase of a projector to
Teachers' College, Saidapet--Sanction requested.

**

I have the honour to state that the Principal, Teachers' College, Saidapet reports that under the reorganised Scheme for B.Ts. which is to come into force with effect from the next academic year i.e. 1950-51, training in Audio-Visual Education will be compulsory for all B.Ts. He points out that in the absence of a projector for the College, it is difficult to satisfy the requirements of practical work in this subject as prescribed by the University. In these circumstances, he submits a proposal to equip the College with a projector and a certain number of films.

2. I therefore request that the Government may be pleased to make provision under Part II Scheme for a film projector at a cost of Rs. 3000/- and films at Rs.1000/- for the Teachers' College, Saidapet.

Yours faithfully,

Explanatory Note.

The D.P.I. has submitted the following proposals, viz.

- (1) The purchase of a projector and films for the Teachers' College, Saidapet; and
- (2) purchase of Universal film strips, projectors, etc. for each of the three Training Colleges.

The Director has stated that under the reorganised scheme for B.T's, training in Audio-visual education will be compulsory for all B.T's and that in the absence of a projector in the Teachers' College, Saidapet, it would be difficult to meet the requirements of practical work in this subject as prescribed by the University. Audio-visual education is an integral part of modern methods, and unless teachers are instructed in it, while under training, a good opportunity will be lost, which can be made up later only at greater cost and trouble.

This department may therefore suggest that provision as shown in the summary at the top may be made in the B.E. for 1950-51.

3. I am including the necessary provision in Part II of the Budget Estimates for 1950-51.

Yours faithfully,

for Director of Public Instruction.

Notes on page 1 above may be perused.

The Director of Public Instruction has submitted the following proposals for consideration as Part II Schemes for 1950-51.

- (1) Purchase of a Projector and films for Teachers' College, Saidapet,
- (2) purchase of Universal Film strips, Projectors for each of the 3 Government Training Colleges.
- (3) Introduction of courses in Leather work and Book Binding in the Model High School, attached both to Teachers' College, Saidapet.

The financial implications involved in the above proposals are as follows:-

	Ultimate Cost.	
	Recurring	Non-Recurring
Item (1) above	--	4,000
Item (2) above	--	6,300
Item (3) above	2,490 + 300 ----- 2,790	3,200 300 ----- 3,500
		10,600 ----- 13,500

2/ According to the latest instructions issued in Finance Memo No. 57243-A/P.W.R-3 dated 12-10-49, only those schemes which will involve very little recurring expenditure and which are considered to be really and immediately essential for the proper running of any department should be considered as Part II Schemes for 1950-51. // The Director of Public Instruction has stated that under the reorganised scheme for B.Ts which is to come into force with effect from the next academic year i.e. 1950-51, training in Audio-Visual Education will be compulsory for all B.Ts and that, in the absence of a projector for the Teachers' College, it is difficult to satisfy the requirements of practical work in this subject as prescribed by the University. This proposal can be considered as really and immediately essential for the proper running of the B.T. Course and this Department may agree that it may be brought forward as a Part II Scheme for 1950-51. The expenditure of Rs. 4000 proposed is not susceptible of any scrutiny and may be accepted.

The other two proposals do not satisfy the criteria in the Finance Memo cited above, and this Department may suggest that they may be deferred for better times.

In the circumstances stated by Finance item (2) in the previous page may be dropped. Item (3) which does not involve much expenditure may be pressed. The file may be circulated to A.C. (E+L) and A.C. (Fin)

Audio visual education is an integral part of modern methods, and unless teachers are instructed in it, while under training, a good opportunity will be lost, which can be made up later only at greater cost & trouble. - B.O.T. Item 1 to which Finance has agreed and item 2 may be approved, as the cost involved is small.

Item 3 in respect of leather work is not so essential and may wait, though the cost involved is very small.
