Sir,

Sub: NATIONAL CADET CORPS - Junior Division - Raising of additional units - Selection and Training of Officers.

Ref: G.O.No.612, Education, dated 27-2-50.

---oOo---

I have the honour to state that the Joint Civilian Army Selection Board constituted in the above G.O, met for four days, from the 26th March to 30th and concluded the selection of teachers for training with the Army Unit.

The total number of new sub-units proposed for 1950-51 was 69. In view of the paucity of the right type of teachers in certain schools, it has been possible to allot now only 63 sub-units for the year 1950-51. A statement showing the position as finalised by the Selection Board is submitted herewith. For the 63 sub-units 63 teachers have been selected.

2. Over and above this number, 5 teachers have been selected to fill up the vacant places in the units already existing in some schools. There is also a shortage of Officers to fill up the vacant places. For the eight vacant places, only five can be filled up.

3. One unit was allotted to the Lawrence School, Lovedale in the Nilgiris, but the School did not send the teachers for interview by the Board. I have asked the Principal to send the teachers for interview in a few days and I expect that it may be possible to allot one unit for that school.

4. Thus, the total number of sub-units likely to be raised in 1950-51 will be 66 sub-units as against 69 proposed. The total number of teachers to be sent up for training will be as follows:--

PTO

63 -- selected now for the new sub-units.

3 -- likely to be selected for the unit in Lawrence School, Lovedale

5 -- Selected now to fill up the vacant places in certain units raised in 1949-50.

4 -- to be retrained in accordance with para 5 of the G.O. quoted above.

I request that the above proposals may be approved urgently so that I may issue the necessary instructions to the schools in time. I have proposed to the Commander, 2nd Circle, N.C.C that the training of the teachers may commence in the 1st week of May,1950.

5. In this connection,I have to state that five teachers selected by the Board require exemption from the age limit laid down for N.C.C. Officers, viz.40.

The names of the teachers are given below:

1.M.J.Maria Doss	Age	40	St.Joseph's School, Chingleput.
2.C.Pakkirisamy, B.A.,L.T.	"	40	Pachaiyappa's School, Conjeevaram
3.T.S.Paul Fernandez,B.A.,L.T		41	St.Mary's High School, Dindigul
4.Sivan Tillai, B.A.,L.T.		41	
5.M.Natarajan		40	Thyagarajachetti High School, Madras.

The Board is of the opinion that the above five teachers deserve exemption from the age limit of 40 and that the Government may kindly obtain the necessary exemption on their behalf as urgently as possible from the Director N.C.C, Delhi in the circumstances explained below :—

The St.Joseph's High School, is a big institution and has been allotted two sub-units. Mr.Maria Doss has been found quite suitable; if he is not exempted from the Age Rules, the school will have only one sub-unit.

The Pachaiyappa's High School, ~~Conjeevaram~~ Kancheepuram has no sub-unit at all and Mr.Pakkirisamy, B.A.,L.T. is the teacher deputed by the School. He is quite suitable. If he is not exempted there will be no school in Kancheepuram with a sub-unit.

PTO

The St.Mary's High School, Dindigul has been allotted two sub-units and the two teachers deputed by the School are fully qualified for training as N.C.C Officers. They are B.A.,L.Ts. If they are not exempted,the School will be without a sub-unit.

The Theygaaraja Chetti High School, Washermanpet, Madras is one of the big schools in the City without any sub-unit so far. Two sub-units have been allotted to the School. One of teachers selected is 40 years. The Board considers him suitable for training as an Officer.

6. I request the favour of orders very urgently on the proposals as finalised by the Board and whether I may depute the five overaged teachers for training in anticipation of exemption being granted.

7. I shall submit separately an estimate of the cost of training the 75 teachers mentioned above.

Yours faithfully,

For Director of Public Instruction

Sir,

Roc.No.1149-W4/49 dated 5-4-1950.

Sub: National Cadet Corps - Junior Division - Selection of officer-trainees - Allotment of National Cadet Corps unit to the Lawrence School, Lovedale, Nilgiris.

***

In continuation of my letter Roc.No.1149-W4/49 dated 1-4-1950, I have the honour to state that it has not been possible to allot any unit of the National Cadet Corps to the Lawrence School, Lovedale in the circumstances explained below:

The school is already giving military training of a much higher standard and the training covers a wider age range of pupils. The School has therefore nothing to gain by joining the Junior Division of the National Cadet Corps.

Moreover, the school has not been able to send for selection by the Board candidates satisfying the requirements of the National Cadet Corps Rules. Three teachers appeared before the Board. Two of them are considerably over-aged. Major Nicholls, Military Instructor 52 years and 6 months and Mr. V. Prince, Band and Riding Master, 50 years. These teachers cannot get a place in the Commission for National Cadet Corps as an Officer of the National Cadet Corps has to be discharged after he completes the 45th year.

The other teacher is Mr. C. Ramachandran. He is suitable. If he is selected, the school will have one sub-unit of 30 cadets of the National Cadet Corps, as distinguished from the rest of the school which will be having a separate military training of a different type.

In view of this, the Selection Board decided not to recommend any unit for this school.

I have explained the position to the Principal of the school.

Yours faithfully,

for Director of Public Instruction.

Sir,

Subject: N.C.C. - Junior Division - Selection and Training of additional officers to fill up gaps.

In continuation of my letter R.C.No.1149-W.4/49 dated 1-10-1950 I have the honour to state that Mr. D.C.C. Watson, M.A. (Cantab.) Assistant in the Christian College High School, Chetput is one of the 24 candidates selected by the Joint Civilian Army Selection Board for the Officers' Training in N.C.C. Junior Division. It is proposed to form a complete unit (3 sub-units) in the Christian College High School, Chetpet. There is already one trained N.C.C. Officer. For the remaining two sub-units Messrs. D.C.C. Watson and Koshy K. Mathews were selected. Of these two teachers Mr. D.C.C. Watson expressed before the Board that he does not desire to be trained. It is reported by the Headmaster of the Christian College High School, Chetpet that he was a member of the O.T.C. at Eton and Cambridge where he studied and that he also held King's Commission in the British Army during the war as Lieutinent from July 1940 to September 1945 in 147 (Essex Yeomanry) Field Regiment R.A. He is British by birth and Indian subject by virtue of having been born at Bharatpur (Rajaputana). He has given an undertaking that he would serve the N.C.C. for two years from this year till April 1952.

The Board is of opinion that Mr. D.C.C. Watson is quite suitable

suitable to be an Officer in the N.C.C.Junior Division and recommends that he may be exempted from the Pre-Commission training at Wellington if rules permit.

I request that Government may be pleased to issue orders in this matter very urgently so that I may give necessary instructions to the Headmaster, Christian College High School, Madras in time.

Yours faithfully,
