Roc. No. 146 E4/50

Station Madras. Dated the 21st March 19 50

From (Name) DIRECTOR OF PUBLIC INSTRUCTION.
(Designation)

To The Secretary to the Government of Madras,
EDUCATION Department.

Sir,

The Inspectress of Girls' Schools, V Circle, Mathurai in her reference No. 188 E/49 dated 24-12-1949 raised a query whether a person who had passed the B.A. degree examination with music under Part III could be considered qualified to hold the post of music teacher in secondary schools.

2. According to rule 13 of Madras Educational Rules, the qualifications prescribed for a music teacher are (1) a technical teachers' certificate of higher grade and (2) a pass in Government Technical Examination in Indian Music in the higher grade or a diploma in Indian Music of the Madras University or the title of Sangeetha Bhushana of the Annamalai University.

3. The Registrar, the Madras University who was consulted in the matter reports that the qualification prescribed by the University for appointment as a lecturer in Indian Music in a College is a degree in Indian Music and therefore the B.A. degree in Indian Music under Part III Group VI may be considered as a higher qualification than the diploma in Indian Music.
