BUDGET ESTIMATE - Elementary Education Fu
Cochin Municipality. - Revised Budget for
1949-50 and Budget Estimate for 50-51 - approva
requested.

I submit herewith the revised budget estimate for 49-50 and Budget Estimate for 50-51 in duplicate in respect of Elementary Education Fund account of this council, together with a copy of my note to the Finance Committee, the recommendation of the Finance Committee and the Council's resolution No. 2077 dated 15-12-1949 thereon approving the revised estimate for 49-50 and Budget Estimate for 50-51. The alterations suggested by the Council is carried out in the Budget Estimate for 50-51.

The following statements are also enclosed together with the budget estimate.

1) Details in regard to each item of expenditure with Budget estimate for 50-51.

2) Explanatory statement showing the marked varations between the xxxxxx actuals for 48-49, Revised Estimate for 49-50 and Budget Estimate for 50-51-

3) Statement showing the details of credit taken in the Revised Estimate for 50-51.

4) Statement showing the rate of taxation from 1- 4- 49.

A sum of Rs. 40000/- is taken credit in the Revised Estimate for 49-50 as against 36540/- in the Budget Estimate for 49-50. This increase is due to the quriquennial revision of property tax that took place in 48-49 and given effect from 1- 4- 1949. In spite of this increased receipt under Education Tax the revised estimate for 49-50 closes with a deficit balance of Rs. 5895/- against Rs. 5743/- sanctioned in G. O. No. M. 2297 Edn. dated 15- 7- 1949. This is entirely due to the payment of revised pay and enhanced dearness allowance to the Education staff.

Carrying forward this deficit balance to 50-51, the Budget Estimate for 50-51 closes with a deficit balance of 9736/- hence this Council is not in a position to take up any capital work for the improvement of Education.

The orders of Government in G.O. No. 2297 Edn. dated 15- to increase the Education tax from 30.38% to 33.33% of the property tax per annum was subsequently cancelled in Government Memorandum No. 80893/49-3-C1 Edn. dated 26-10-1949 on the representation of the Council and the Council was also asked to balance the budget in the best way it thinks fi

In order to balance the budget for 50-51 the council has in its resolution No. 2077 dated 15-12-49 decided to close down the Pattalam Elementary school. This proposal can be conveniently carried out without any adverse effect to the education of the school going children, as the Council is now maintaining 2 H.E. schools 6 Lower Elementary schools and one Secondary school within this ~~area~~. 1.01 square mile of area and there are other 5 Elementary schools and 4 higher schools of private manag in this town. The proposed abolition of Pattalom Lower Elementary school and amalgamation of Muslim Lower Elementary school with the Muslim Higher Elementary school will fetch a savings of Rs. 9368/- and Elementary Education Accont is expected to be self supporting from 50-51.

I therefore request that the Government may be pleased to approve the revised estimate for 49-50 and Budget Estimate for 50-51 sanctioning the council to abolish the Pattalom school and to amalgamate the Muslim Lower Elementary school with the Muslim Higher Elementary school.

Cochin M. Cl.

Para II (b) Ele.Education Account: The council has made provision for the standard contribution of Rs.8,000/- in the R.E.for 1949-50 and for Rs.13,000/- in the B.E. for 1950-51.from the General Account to the E.E.Account. With these contributions the E.E.Account is expected to close with a deficit of Rs.5895/- in the R.E.for 1949-50 and Rs.9736/- in the B.E. for 1950-51. The Commissioner has reported that in order to wipe off the deficit the council has decided to abolish one lower elementary school and to amalgamate another lower elementary school ~~and~~ ~~to amalgamate another~~ with a Higher elementary school. Pending examination of the E.E.budget the contributions proposed may stand.

x x x

The B.E.for 1950-51 however, shows a revenue surplus of Rs.1,678 only and the low surplus is mainly due to the provision of Rs.13,000 as against the standard contribution of Rs.8000 from the General Account to the Ele.Education Account. The Council's financial position cannot be considered to be very satisfactory as the Ele.Education and the W.& D.Accounts also are self-supporting. The Council levies property tax at 23 percent per annum including an educatio tax of 5¼ percent per annum. The council should either raise the rate of property tax from 1951-5 52 or economise its expenditure to have a ~~xxx~~ working surplus .

Sir,

TAX - Education - Levy on Municipal
areas - Instructions.
i) G.O.Ms. No.1606.Edn. dated 22-6-1948.
ii) Your L.F. No.5865 dated 19- 10- 1948.

With reference to the above reference the following revised proposal are submitted.

Education tax is now levied in this municipality on at 5 ¼% of the annual value of properti properties as well as vacant lands as the case may be and property tax exclusive of Education on vacant lands tax at 17 ¾% of such annual value. This 17 ¾% is comprised of:-

Property tax for general purposes	11 ¾%
Water & Drainage Tax	3 %
Scavenging tax	2 ½%
Lighting Tax	½%
	17 ¾%

The present levy if worked on basis of percentage of property Tax will come to 30. 38%. 29.58

Since section 34 (1) of the Elementary Education Act provides only for a maximum levy of 25 % of the property tax this Council would stand to lose a sum of Rs. 6098- 7- 4 as detailed below in case the levy is regularised with reference to the Elementary Education Act.

Demand Under Property Tax ...	Rs.	1,18,347- 6- 6
Education Tax now levied (viz @ 30.38 %)..	Rs.	35,685- 4-11
Education tax which can be levied under section 34(1) at 25 % of the property tax)	Rs.	29,586-13- 7
Annual loss that will be incurred by the Council in case the levy is regularised	Rs.	6098- 7- 4

17 ¾% 5 ¼

As the present financial position of the Council does not permit it to suffer any reduction in its receipt it is suggested that the Government may be moved to amend section 34 (1) of the Elementary Education Act so as to permit the Municipal Councils to levy Education t up to a maximum of 33 1/3 % of the property tax.

Dear Mr. Paul,

Your D.O. [illegible] thank you.

Even after the additional contribution from the Governemnt and the contribution of Rs 13,000/- from the general fund, the Elementary Education Budget closes with a defecit of Rs 5000/-. Thinking that Governemnt may extend substamtial financial help, the Council passed a resolution cancelling the budget proposal to abolish Pattalam school and to amalgamate the Moplha girls school. But now as it stands, if the resolution is given effect ~~to~~ the entire Budget will be upset.

It is surprising that the proposal to re-open these school has not reached you yet. I am herewith enclosing the copy of the letter forwarded to the Government for your information. I shall be grateful if you can kindly issue early orders in this matter since the schools are being reopened after t the summer vaccation. Please see that the proposal is not approved.

Thanking you.

Yours sincerely,

K Herschel
