SUBJECT:- PROPOSAL TO ABOLISH THE SYSTEM OF LEVY OF CAPITATION CHARGES BY EDUCATIONAL INSTITUTON IN INDIA.

Sir,

I am directed to forward herewith a copy of letter No. 15-49/28659 JAC dated the 9th/11th May, 1949, from the Secretary to the Joint Advisory Council for East Punjab Patiala and East Punjab States Union on the subject mentioned above, and to say that the Government of India fully sympathise with the view expressed therein that the levying of capitation fees by educational institutions from students coming from outside the Province/State acts as one of the chief impediments in the way of making existing educational facilities (particularly in the field of Technical and Professional education) in the country available to all Indians irrespective of their provincial affiliations. While they feel that it is highly desirable, that such barriers should be abolished, they also recognise that, Education being a Provincial subject and Provincial Finances being seperate, the Provincial Governments would find it necessary to give due weight to local demands. In the interests of common nationality, however, the Provincial Governments may perhaps agree to reserve a certain percentage of seats in their institutions for students from outside areas, and admit them without the

P.T.O.

payment of any capitation fees. The Government of India propose to place this matter before the standing committee of the Central Advisory Board of Education at its next meeting, and shall be glad to have the views of the Provincial Government/Local Administration in the matter at their earliest convenience.

Yours faithfully,

L R Seth

Deputy Secretary.

Copy of the letter No. 15-49/28659-JAC, dated 9th May, 1949, from M.R.Sachdev, Esquire, CIE., OBE., ICS., Secretary to the Joint Advisory Council for East Punjab, Patiala and East Punjab States Union and Himachal Pradesh, to the Secretary to the Government of India, Ministry of Education.

....

SUBJECT:- PROPOSAL TO ABOLISH THE SYSTEM OF PAYMENT OF CAPITATION CHARGES.

I am directed to invite attention to one of the anomalous legacies of the old regime in respect of discrimination against students of one province studying in institutions located in another province of the Indian Union. A system of charging capitation fees, which are generally heavy, has been in vogue in most of the provinces with the result that it becomes almost impossible for middle-class students to seek admission in institutions outside their own province, unless these penal fees are borne by the provincial Governments concerned. It may be added that in countries such as the U.K., the U.S.A. and others, all students are treated on a footing of absolute parity and no kind of discrimination is permitted against foreigners as such. It is, therefore, all the more curious that discrimination in the matter of fees and admission should have been practised over a considerable period of time in India, where the avowed object has always been of treating India as one. For instance all the Universities in the U.K. treat students, whe-ther nationals or foreign, absolutely alike, for it is well understood that the influx of foreign students is a compliment to the educational standards maintained by a particular centre of learning. In this country, on the other hand, provincialism appears to have been tolerated by the Central Government and accepted as normal by the provincial administrations concerned, despite the fact that the various scientific and technical institutions located in the various provinces are in a number of cases financed directly or indirectly by the Central Government and that the existing provincial boundaries are a result primarily of administrative exigencies. It may also be added that there is no levy of capitation fees in any of the educational centres maintained by the Central Government. In the circumstances it is all the more indefensible that the provinces should be permitted to discriminate against

students/-

students of one province or the other.

2. Recently a number of small provinces have come into being, which have not and are not likely to have any considerable technical institutions: but according to the existing rules the students of these small and relatively backward province or Centrally Administered Areas are likely to suffer from a new disability merely as a result of these administrative changes. For instance the institutions mentioned below levy a capitation fee on students from Himachal Pradesh:-

1. U.P. Government Engineering College, Roorkee.	Rs. 1000/-P.A. per student.
2. Glancy Medical College, Amritsar.	Rs. 850/-P.A. per student.
3. Edward Medical College, Indore.	Rs. 1500/-P.A. per student.
4. Govt. Industrial School, Kulu.	Rs. 85/-P.A. per student.

The levying of such capitation charges not only militates against the principles of the New Constitution, but also discourages students from backward areas from undertaking technical training, which is so much needed for the development of the new provinces.

3. As the question of capitation fees is one of principle and of general importance, I am to request that the matter be considered in a comprehensive manner with a view to their removal and making the existing educational facilities available to all Indians irrespective of their provincial affiliations.

***

The system of levy of capitation fees is not in vogue in the Madras Veterinary College where students are educated in Veterinary Science. Ten seats are reserved, in the College every year, for students coming from places outside the Madras Presidency and a tuition fee of Rs.550/- per annum per student is collected as ordered in G.O.No.Ms.5774 Development dated 13-12-1947.

2. Owing to the present shortage of Veterinary Assistant Surgeons in the department it is not possible to reserve more than ten seats for students coming from places outside this Presidency.

Yours faithfully,

Yours faithfully,

RS.5.9 for Surgeon-General with the Govt. of Madras.

*Copy of letter.

Seats are reserved for candidates from outside the Province only for the MBBS course and not for other courses conducted in this college. Details regarding the seats reserved for candidates from outside the Province in respect of the MBBS course are shown below.

1. Coorg	2	
2. Travancore	4	A contribution of Rs.1200/- is recovered from the Govt. of Travancore and Cochin.
~~xx~~ (Cochin)	2	
3. Colonial	5	
4. Burma	2	As these students from Burma had their origin in this Presidency no capitation fee is charged.
5. Centrally administered areas	2	Of these two, one happen to be a refugee and no capitation fee is charged for him.
6. Refugees	8	No capitation fee is charged for these students.
	25	

NB. All these students except those who are exempted as per column 3 are paying capitation fee.

The College fees per annum payable by Provincial

22

Provincial students is Rs.240/- for the First, Second, Third, Fourth and Fifth MBBS classes and Rs.48/- for each subject of the Pre-Registration class.

The college fees payable by candidates from outside the Province is double that mentioned in para 2 above.

Taking the difference amount in college fees payable by Provincial students and Non-Provincial students as the Capitation fee, the loss to Government if such ~~xxxx~~ capitation fee is abolished, will be as follows:

First year	- 8 new students at Rs.240 each	Rs.1920
	3 old students at Rs.240 each	720
Second year	- 6 studnets at Rs.240/- each	1440
Third year	- 8 students at Rs.240/- each	1920
Fourth year	- 7 Students at Rs.240/- each	1680
Fifth year	4 students at Rs.240 each	960
	Total	Rs.8640

The number of students mentioned above are exclusive of the students from Travancore and Cochin for whom contribution at Rs.1200 per annum is recovered. If students coming from those States are to be exempted from payment of capitation fee the loss to the Government will be as follows:

Contribution recovered per annum	Rs.1200
College fees payable per year as a Provincial student	240
Difference ie Capitation fee	Rs. 960

Loss to Government at Rs.960/- per head for 26 Travancore students and 15 Cochin students ie Rs.41 x 960 = Rs.39360

ASSISTANT SECRETARY TO GOVERNMENT
20 AUG 1949
DEVELOPMENT DEPARTMENT

Sir,

Sub: Education - Industrial - Abolition of the system of levy of Capitation fees by educational institutions in India - Remarks - Submitting -

Ref: Govt.Lndt.No.78105 D1/49-1, Development, dated 28-7-49. P 28 ante

-----

The Government of India have suggested (i) reservation of a certain percentage of seats in educational institutions for students from outside the Province and (2) admission of such students without payment of any capitation fees.

I have already expressed the view that I have no objection to students from other Provinces being admitted to the technical institutions under the control of this department charging them tuition fees as for students of this Province (vide my letters No.1378 C6/49 dated 9-4-49 and 11-8-49) But as regards reservation of seats, I must point out that, while it would be impracticable to fix any definite percentage of seats to be allocated, due weightage would be given to applications for admission from outside the Province. It is desirable, however, that intending candidates apply in sufficiently good time through the respective Provincial Directors of Industries or other authorities, who may recommend suitable cases for admission, such applications ~~having~~ being considered on merit along with applications from students of this Province.

No. F. 20-148/49-M.I.

GOVERNMENT OF INDIA.

Ministry of Health.

New Delhi, the 7th November, 1949.

ASST. SECRETARY TO GOVERNMENT
8 NOV 1949
EDUCATION AND PUBLIC HEALTH DEPT.

From

J.N. Saksena, Esquire, B.A.,
Under Secretary to the Government of India,

To

The Secretary to the Government of Madras,
Education and Public Health Department,
MADRAS.

Subject:- Reservation of seats at the Medical College, Madras, for students belonging to Delhi and other Centrally Administered Areas - Exemption from payment of double the usual rate of fees.

88629 ✓

Sir,

I am directed to say that Shri A.K. Srivastava who has been nominated by the Government of India for admission to the Medical College, Madras, against one of the seats which the Government of Madras have kindly reserved for students belonging to Delhi and other Centrally Administered Areas, has been asked by the Principal of that college to pay a sum of Rs. 480/- as fees as the student does not belong to the Province of Madras vide his memorandum No. 12448/Ad/49, dated the 15th October, 1949 (copy enclosed). The Government of Madras in their letter MS. No. 665 Public Health, dated the 28th February, 1949, had informed this Ministry that fees would be levied at double the rates if the students hailed from outside the Province of Madras. I am to add that the Government of India have made arrangements for the reservation of a number of seats in the Medical Colleges at Amritsar, Agra, Gwalior, Indore and Jaipur for students belonging to Delhi and other Centrally Administered Areas. The nominees of the Government of India admitted to these colleges are not required to pay fees at double the ordinary rates. The students nominated to the Madras Medical College are therefore at a great disadvantage as compared to those who have been nominated to the other colleges. The Government of India will therefore be glad if the Provincial Government will kindly exempt the students nominated to the Madras Medical College from payment of fees at double the usual rates.

Sir,

Sub:- GOVT. COLLEGES - Levy of capitation fees - Abolition.

Ref:- Your letter No. F.73-184/49-D3 d/- 7-7-49

With reference to your letter cited, I am directed to state that in Govt. schools and Arts Colleges in this State, there is no restriction on the admission of students coming from outside this State and such students need pay tuition fees only at the rates applicable to students of this State.

In the Govt. professional colleges in this State (eg. Engineering, Medical Colleges), some seats are already reserved for students coming from other States and countries. In view of this, and in view of the fact that there is very great demand for seats in these colleges from students belonging to this State itself, this Govt. regret that no addl. seats can be reserved in the Govt. Professional Colleges ~~in this State~~ for students coming from outside. If, however, any addl. seats are necessary, the matter can be considered only on a reciprocal basis.

2. Regarding the question of levying capitation fees, I am to state that this Govt. ~~have~~ ~~do~~ agree~~d~~ to abolish the system of levying such fees from students coming from outside this State, with effect from the next academic year.

Yours faithfully,

Lr. Ref. No. 42029 G-51-1 Edn. Dated. 30-11-51

To

The Secretary to the Govt. of India,
Ministry of Education,
New Delhi.

Sir,

Colleges - Levy of Capitation fees - Abolition.

I am to invite a reference to this Govt. Letter No. 1186 Edn. dt. 14/4/50 in which ~~Govt~~ they. agreed to abolish with effect from 1950-51 the system of Capitation fees from students coming from outside this State as suggested by the Govt. of India in th~~j~~eir Letter No. F-73-184/49-D3 dt. 7/7/49. It has been represented now that in the Professional Colleges in the Mysore State higher fees are being levied from students belonging to the Madras State - letter to the Editor published in the ' SWATANTRA' Weekly dated 10/11/51(copy enclosed).

I am to point out in this connection that the levy of Capitation fees is illegal being repugnant to Article 15(1) of the Constitution of India. I am to request you to be so good as to move the Mysore Govt. and other State Govts. to abolish the system of levying Capitation fees, if it is still in vogue in the States.

(37)

No. [illegible]. 62/51-B.1. (Part II)
Government of India.
Ministry of Education.
New Delhi, the 30th January, 1952.

From
K.G. Saiyidain, Esq.,
Joint Secretary to the Govt. of India.

To
All Part 'A' & 'B' State Governments.

Subject:- Proposal to abolish Capitation fees.

Sir,

I am directed to say that as you are already aware the Government of India have been much concerned about the question of levy of capitation fees by some of the State Governments on students coming from other States for studies in institutions imparting higher education particularly in technical subjects like medicine, veterinary, Science, agriculture, technology etc. Article 15(1) of the Constitution of India provides that the State shall not discriminate against any citizen on grounds, among others, only of place of birth and accordingly the levy of such capitation fees is obviously repugnant to the Constitution. Of late, the Government of India have also received representations from many students protesting against the practice of charging such capitation fees and urging the Government of India to intervene in the matter.

2. This question was first taken up with the State Governments in this Ministry's letter No. F.73-184/49-D.3, dated the 7th July, 1949 in which comments of the States were invited on the proposal to abolish capitation fees. The matter was then placed before the Central Advisory Board of Education at its 16th meeting held in January, 1950 at Cuttack. The Board observed that the system of charging capitation fees from students belonging to other States was not in keeping with the spirit of national unity and recommended that the State Governments may be requested to re-examine the question in this light. Accordingly action taken by the State Governments on this recommendation was again reported to the Board at its 18th meeting held in January, 1951 at Trivandrum. The Board regretted to note that the position was not satisfactory and again recommended that the States concerned may once more be urged, in the interest of national unity and harmony and in fairness to students in less advanced States, to abolish capitation fees charged from students. In accordance with this resolution of the Board, this Ministry took up the matter again with such of the States as had not yet decided to lift the levy of capitation fees. The position now is that most of the States have completely abolished this levy and almost all the remaining States have agreed in principle to abolish them either unequivocally or on reciprocal basis. In this connection it is also pointed out that the Government of India have already taken the lead in the matter and abolished capitation fees in all the institutions administered by the Centre, where it was hitherto being levied.

Go 1186 Edn
14.4.50

3. In view of the above position and the fact that the matter has been under consideration for over 2½ years and also having regard to the Fundamental Right conferred by Article 15(1) of the Constitution, the Government of India are of the opinion that the matter should not be delayed any further and that practical steps should be taken to implement the decision taken to abolish capitation fees. Accordingly, I am to request that the State Government may now take steps to abolish capitation fees in all Educational and professional Colleges with effect from the next academic year, if this has not already been done. It is necessary, however, that this should be done unreservedly without being hedged in by conditions of reciprocity which would only prolong the matter and involve lengthy...

P.T.O.

97.

8

and avoidable correspondence and negotiations.

4. It has been noticed from a number of representations received either from students or some of the States that this practice is being followed still in some States in respect of medical, engineering or other professional institutions which are in the charge of Departments other than Education. To obviate the possibility of such a contingency arising it is requested that the State Governments will kindly ensure that the abolition of capitation fees will cover all institutions under the State Government whether under one Department or another.

5. This Ministry will be grateful if, action taken by the State Governments as requested above is intimated to us by 15th February, 1952 to enable it to place a consolidated report before the Central Advisory Board of Education in its forthcoming meeting proposed to be held in March, 1952.

Yours faithfully,

K.G. Saiyidain

p 3 ante

92767

With reference to Government Memorandum quoted above, I have the honour to state as follows:-

2. So far as Government Arts Colleges are conerned, no distinction is made in the matter of levy of fees between students of this province and those coming from outside. - But in the case of Training Colleges, fees are levied from students coming from outside the province at the rates - fixed in rule 115 Madras Educational Rule whereas no fees are levied from students of this Province. The reasons for levying fees from such students is that unlike students belonging to this Presidency they are under no obligation to serve in schools in this province after training. The capitation fee referred to by the Bombay Government is - however collected in respect of the students from outside this Presidency for whom seats have been reserved in the Engineering Colleges of this dpartment. But no seats have been reserved for students of Bombay in our Engineering Colleges.

3. There is no information as to the number of students of Madras Presidency studying in the Government Arts and Professional Colleges in the Bombay Presidency. Though it is not possible to say definitely what advantage our students will derive from the reciprocal arrangement proposed by the Government of Bombay, there seems to be no objection to our Government entering into an arrangement of the kind proposed.

Yours faithfully,

for Director of Public Instruction.

26 FEB 1949

Dharwar, February, 1949.

To

The Hon'ble Minister for Education,
Madras Province, Madras.

28 FEB

Hon'ble Sir,

15081 I belong to the province of Madras natively hailing from the district of South Canara. I completed my education upto Matriculation in that Province, and came over to the Province of Bombay to continue my studies. I studied upto Inter Science course at Wadia College, Poona, and joined this year, (1948-49) College of Agriculture, Dharwar, to study for B.Sc. (Agri) course. I have been treated as an extra provincial and have been charged extra fees i.e. I have to pay Rs 500/- a year towards the college fees where as a student belonging to this province will have to pay only Rs 150/- per annum.

I beg to draw your kind attention to a matter of great urgency and of national importance. The practice of taxing outsider is prevalent in India since a long time though much might have been said against it. Then India was a union of distinctly demarcated provinces and states and this queer procedure of considering an extra provincial or state member as an outsider could, to some extent, be felt as justified. The idea of taxing heavily such outsiders who come in persuit of some studies was considered as a move to encourage local candidates, and it was appreciated to some extent.

It is needless to bring to your kind notice the fact that the times have changed and India no longer is a skeletal heap of loosely jointed bits. It is now Indian Union a solid union in which the superficial boundaries of States and provinces are fast fading, destined to be wiped out. Any Indian leaving any part of this sub-continent is a citizen of India and not merely of this province or that state. Under these circumstances it would be paradoxical to call an Indian from one part of this country, as an "Outsider" in another part and is against the very principles of Indian Union and its oneness.

Appreciating the position in which India now is after acheving freedom the Government of Bombay province, took an admirable step in deciding to discard hence forth this anti-national conventional procedure of levying extra fees on those who are called outsiders, showing the patriotism and broad mindedness that befits a national Government. I am sure, I will not be wrong if I presume that you are aware of this decision arrived at the Government of Bombay province.

But it is rather unfortunate that the Government of this province has set a limit to its commendable step by deciding to take action only when its contemporary Governments of other provinces and states, co-operate on reciprocal basis. While it is difficult to comprehend why this Government has set such a condition it would be better however to presume that the Government much have some justifying cause behind it in doing so.

I have to express my surprize that the Government of Madras province which is inferior to none in its nationalistic views has not yet taken any decision in this matter of national importance. I am even more grieved to understand that your Government has not even responded to the call of the Bombay Government which has taken a lead in the matter.

2 ....

Absence of any response from your Government has put me in a very unfavourable position. The Government of Bombay province has refused to apply to me the favour arising out of their decision under question and show me any sort of concession in my college fees, on the grounds that the authorities of the Coembatore Agricultural College are still levying extra fees on outsiders coming from Bombay province.

I must make myself bold to say that the responsibility of this great injustice to which I am a victim lies with the Government of Madras province which has not yet shown any intention of taking step in this matter.

May I request you earnestly, Sir, to take up this matter immediately in your cabinet and decide to co-operate with the Government of Bombay province on reciprocal basis and thus enable me to have the concessions to which I have got a right, being a citizen of free India.

Hoping to receive a favourable reply,

Yours obediently,

⑩ **Edn and P.H. Dept**

G. No: 52762 A. From the Govt of India, Ministry of Edn No: 73-104/49 D.3 d 7.7.49

—

Reservation of a certain percentage of seats in educational institutions in Madras Province for students from outside areas and abolition of the system of levying capitation fees.

—

In the circumstances explained in their letter in the c/f the Govt of India request

(i) that a certain percentage of seats in educational institutions in this Province may be reserved for students from other Provinces and States and

(ii) that the students admitted in these reserved seats may be exempted from the payment of capitation fees.

2. The Heads of depts who have educational institutions under them were consulted and they agree that the system of capitation fees may be abolished.

As far as schools and Arts colleges are concerned, there is no difficulty. In these institutions admission is free to non-Madrasis and they have to pay tuition fees only at Madras rates. The question of reservation of seats or exemption from capitation fees does not arise in these cases. But there is the language difficulty as regional languages are compulsorily enforced up to the S.S.L.C. standard.

The position in regard to Professional ~~colleges~~ institutions viz. Eng. colleges, Medical colleges, Agricultural colleges, Veterinary College and Polytechnics presents difficulties. On account of the enormous demand for seats in these institutions from Madrasis themselves it has not been possible to meet the demands of other Provinces and Administrations on a large scale. The Govt have however reserved a few seats for outsiders in these institutions. Students coming from outside are required to pay a higher rate of tuition fees worked out on the basis of the maintenance cost of the institutions.

The Govt of India have been requesting this Govt to throw open the doors of educational institutions in this Province to people from any part of the country relaxing domicile restrictions or at least to reserve a substantial percentage of seats for students from other Provinces. Quite recently the Edn: Minister of the Govt of India addressed the Hon'ble Premier on the subject. The reply sent to the Edn. Minister will be found in the linked file. This Govt may adhere to the view expressed therein that under the present conditions more outside students cannot be admitted into our professional institutions.

LF I

LF I

dis linked

But the question of the levy of capitation fees deserves consideration. In this connection attention is also invited to the correspondence from the Bombay Govt ~~[illegible]~~ in the linked file. There seems to be much in the point raised by the Secy to the Joint Advisory Council for East Punjab and East Punjab States Union that it is not fair that Provinces in the Indian Union should demand higher rates from students belonging to sister Provinces when even foreign countries like U.K and U.S.A practise no discrimination in the matter of fees against Indian students studying in institutions in those countries. It seems that we should take a larger view and levy fees from non-Madrasis only at the same rates

LF II

p 3 cf

at which they are levied from Madras Students. We may lose a few thousands but the goodwill earned should more than compensate the loss.

As far as Bombay is concerned, the statistics furnished by the Heads of depts and the Bombay Govt. will show that we distinctly stand to gain. But as stated above it is not a question of loss or gain but taking a forward step on the path of breaking the barriers bet: the Provinces and creating circumstances which will lead to better understanding and greater co-operation.

F 15, 17, 21, 23, 37, 45 & 51 of LF I

de linked

It seems that the system of capitation fees may be abolished altogether and that no distinction need be made in the matter of fees bet: Madrasis and non-Madrasis in future.

The file may be sent to Dev, Agri & Food, and Finance for remarks before circulation

22/11/49.

AS 24/11/49

Addl Secy

Secy

D 23/11/49.

23/11/49

I am concerned only with the Medical colleges and I am definitely opposed to any reservation of any definite number of seats for persons from other Provinces. This is not because I object to the proposal on principle but because there is grave shortage of medical personnel in this Province. On more than one occasion I had submitted statistics, seen by H.Ms., to show that the annual output of medical graduates from the Medical colleges is barely adequate to make good the wastage in the existing strength of the medical profession as a whole in the Province, on account of deaths, retirements from the profession, incapacity, transfers out of the Province etc. If and when

68 138

we are in a position to establish additional Medical colleges and train a large number of students, the proposal for a reservation may be favourably considered, but not till then.

We have already reserved something like 20 seats in the Medical colleges for being filled by nominees of the Govt. of India from Colonies, States etc. The question of reducing this number has been taken up with the Director-General of Indian Services, who definitely appreciated the point of view of this Province and promised to have the number reduced in view of the imperative necessity for putting into circulation every year a larger number of medical graduates who would stay and work in this Province.

A

2. As regards capitation fees, I entirely agree with the office note that the system may be abolished. This will benefit the students given the seats so far reserved, and those belonging to other Provinces who may get in without reservation, on their own merits.

29/11/49 Secretary.

I agree with Addl. Secretary that our Professional Colleges cannot really afford to train students for other Provinces. I do not agree with him however that the present reservations for other Provinces can be cancelled. If we do so, there are two alternatives ~~open~~ become necessary; first, to bar foreign students altogether, second to admit them like Provincial students. A complete bar at this time, when the Govt. of India is pressing for an improvement on the existing position, cannot be considered practicable. On the other hand, an open door may present ~~in the~~ administration difficulties and may also lead to more students being admitted than under present system. The administrative difficulties arise from the fact that selection is now made on a district and regional basis which cannot be applied to foreign students. It would appear that under these circumstances,

I concur and [illegible] 16/12/49

A (12) 139 69

we should inform the Government of India that we are already giving a liberal reservation to foreign students which we cannot increase.

With reference to the Capitation fees, the position may not be exactly analogous to U.K. and U.S.A. U.K. at least, wanted to attract students for imperial and commercial purposes. The U.S.A. also is probably encouraging students because students mean American ideas and American goods. We can no doubt abolish capitation fees on the basis that India is one. But the benefit from the abolition does not go to Provinces so much as to individual students. The question therefore is whether individual students should have the benefit of the revenues of another Province. Obviously if the education of such students is necessary for their own Provinces, they can ~~accept~~ expect scholarships and help from them. On the other hand, they have now to be grateful that they are given a seat in our institutions at the expense of our own provincials.

M

In respect of both proposals however we can indicate to the Govt. of India that we are prepared to enter into reciprocal arrangements with other Provinces which have comparable institutions. This may not be to our disadvantage as our own students probably will do better in open competition in other Provinces than foreigners can be expected to do in our Province.

Develop Dept D.I

The notes of the E & P.H on pp 1-5 above may be perused. The file has been sent to this Dept for remarks in regard to the reservation of a certain percentage of seats in the Madras Veterinary College and the Polytechnics for students from outside this Province, and to the abolition of the system of levy of capitation fee in the case of these students.

So far as the Polytechnics are concerned, the D.I & C is agreeable to the admission of students from outside the Province in these institutions without payment of any capitation fee. Regarding reservation of seats, the Director is of opinion that while it would be impracticable to fix any definite percentage of seats in the Polytechnics for students from outside the Province, due weightage however can be given to applications from such students, provided they apply in good time through the proper authorities, such applications being considered on merits along with applications from students of this Province.

Fd A Dept

The notes of E&P.H Dept on pp 1-~~5~~ above and Dev't Dept notes thereon may be perused. The file has been sent to this Dept for remarks ~~with~~ in regard to the reservation of certain percentage of seats in the Agl Colleges at Coimbatore and Bapatla for the students from outside this Province and to the ~~abolition~~ abolition of the system of Capitation fees in the case of these students.

As regards admission into these Colleges, students from all parts of India, without distinction of caste or nationality, are eligible for admission, but preference is given to those from this Province. Reservation of seats for students from other Provinces and neighbouring states is being done every year on receipt of specific request from them. During the current year seats were reserved for two students ~~a~~ each from Cochin and Coorg in the Agl College, Coimbatore and five seats for the students from Orissa in the Agricultural College, Bapatla. Students from other parts of India including Indian States whether admitted for the first time or re-admitted after failure are charged a tuition fee of Rs 400/- per term (or Rs 1,200 p.a.) payable in advance as against tuition fees of Rs 40/- per term charged for the students admitted from this Province and Coorg. The D.A. is agreeable to the Govt of India's suggestion to reserve certain percentage of seats in the Agricultural Colleges for students coming from neighbouring Provinces and States, as and when requests for such reservation are received from the Govts concerned, and to ~~the~~ waiver ~~of~~ capitation charges provided this is accepted by all Provincial Govts and states. This Dept may agree with the views of the D.A. For orders. E&P.H may be requested to circulate the case to G. of I (Agr) also in due course. After orders are passed, the Case may be passed on to Finance.

73

143

If preference to local candidates is one of the accepted principles under which admissions to technical colleges are to be made, outsiders may probably come in only if there are no candidates locally available. It does not, therefore, appear quite justifiable to levy ~~a~~ capitation fees. It is also possible that other Provinces might think of retaliating against such a measure in other directions, where they may perhaps have an advantage over Madras. The collection of the capitation fees may therefore be waived.

976/1/50

ADDITIONAL DEPUTY SECRETARY
1640 Acct
7 - JAN 1950
FINANCE DEPARTMENT

6/1/50

Fin

Finance (Accts)

The file deals with the following proposals :-

(1) Reservation of a percentage of seats in the educational institutions of this Province for students ~~outside~~ not belonging to Madras; and

(2) abolition of capitation fees for students not belonging to Madras.

~~As regards~~ The notes of E&PH Dept and Food & Agr. from page 3 above may be perused. E&PH. Secy considers that in respect of both the proposals, reciprocal arrangements may be made with other Provinces which have comparable institutions. Dev't. agree with E&PH Secy. Food Secy considers that the collection of capitation fees may be waived.

As regards item (1), the matter is more for the administrative depts to consider. This dept. has no special remarks to offer, and may

P 1 above

M p. 5 above

N

P above

10

74

generally agree with the proposal of Secy, E & P H. As regards Capitation fees, it may be mentioned that the educational institutions of this Govt. are maintained for the benefit of this Province primarily, and with the money of the taxpayers of this Province. Admissions given to students from outside this Province ~~rather~~ is at the cost of the students of our Province, and there is nothing wrong in principle in asking them to pay ~~for~~ the proportionate cost of providing them those facilities. There is however, no objection to waiving the Capitation fees ~~fee~~ on a reciprocal basis. If the above is accepted, it would have an ~~the necessary~~ consequence, that students of this Province will have to pay higher rates of fees in other Provinces (where there is no reciprocal arrangement, and this) cannot be helped.

This Dept. may therefore agree with Secy. E & P H. HM (Fin) may see.

SUMMARISING NOTE.

1. The Govt. of India have requested the Provl. Govts. (1) that a certain percentage of seats in their educational institutions may be reserved for students of other Provinces and States, and

p 14

(ii) that the students so admitted may be exempted from the payment of capitation fees.

2. The Heads of Deptts. who have educational institutions under them were consulted and they generally agree with the proposals.

4

3. The existing position is that so far as Schools and Arts Colleges are concerned there is no restriction to the admission of non-Madrasis and they have to pay tuition fees only at Madras rates. As regards Professional institutions like Engineering, Medical, Agricultural and Veterinary Colleges and Polytechnics, the Govt. have reserved some seats for non-Madrasi students and those students have to pay a higher rate of tuition fees than Madras students. ~~worked out on the basis of the maintenance cost of the institutions.~~ In the Medical Colleges, about 25 seats are reserved for non-Madrasis. ~~who have to~~ In the Eng college ~~higher~~ 17 seats have been reserved for non-Madrasis. ~~pay tuition fees, at double the ordinary rates.~~ In the Madras Veterinary College ten seats are reserved every year for outside students. In the Agr. Colleges students from all parts of India are eligible for admission but preference is given to those from this Province. Seats are reserved for outside students on receipt of specific requests for them but they have to pay higher tuition fees.

p 7 ante

p 8 ante

4. The Addl. Secy., E & P.H. is opposed to any reservation of any definite number of seats in the Medl. Colleges for persons from other provinces because there is grave shortage of medl. personnel in this Province. He, however, agrees that the system of capitation fees may be abolished. The Secy. is of the view that it may be indicated to the Govt. of India that this Govt. are prepared to enter into reciprocal arrangements with other Provinces which have comparable institutions. Dev. and Finance agree with the views of the Secy. The

H.M. (Adm)
H.M. (Fin)

The case of our medical colleges is very special and I am afraid we cannot agree to the reservation of any more seats than at present and actually we are attempting to reduce the existing reservations. I am therefore definitely opposed to any further reservations for students of other Provinces etc. whether on a reciprocal basis or otherwise so far as our Medical Colleges are concerned. Our primary duty is to this Province and if and when we are in a position to train a larger number of students by opening additional medical colleges, we may readily reconsider the matter but not till then. Our position is fully appreciated by no less a person than the D.G.H.S. and no one will think ill of this Govt if they regret their inability to agree to reservation so far as Medical colleges are concerned, explaining the position.

vide 'A' at p 4 ante

23/1/50.

Secy.

Arrangements on a reciprocal basis by their very nature imply that ~~for~~ any foreign students we shall be training, the reciprocating provinces will be training our students. From either source medical men should be available to this province. There is therefore not much fear that by reciprocal arrangements we shall be reducing the supply of our own medical men.

In another file which is in movement, Chief Secy. did not consider reciprocal arrangements desirable. He may therefore see the present proposals.

~~Chief Secy.~~

24/1

(1) May I see the file referred to above?

(2) Ed H may also examine whether there is anything in the Constitution which is relevant to the issues under consideration.

24 JAN 1950
EDUCATION AND PUBLIC HEALTH DEPARTMENT

Ed H (A)

(1) above.

This file relates to the admission of the children of Govt of India officers on merit irrespective of their domicile into Govt colleges – please see the note of the Chief Secy on page 18 nf and the letters sent to the Govt of India on pp 75 and 79-80 c.f. of G.O. No: 3604 Edn dt 22.11.49. at (B)

(2) above.

The relevant ~~articles~~ provisions in the Constitution are Articles 15(1) and 29(2). They run as follows:-

"15(1) The State shall not discriminate against any citizen on grounds only of religion, race, caste, sex, place of birth or any of them."

"29(2). No citizen shall be denied admission into any educational institution maintained by the State or receiving aid out of State funds on grounds only of religion, race, caste, language or any of them".

It will be noticed that Article 29(2) which

4 78

148

specifically refers to educational institutions does not mention "place of birth"

It seems that the intention therefore is that the State can refuse or restrict admission to non-state students.

LEGAL DEPARTMENT

The relevant provisions of the Constitution in regard to this matter are articles 15(1) and 29(2). Art.15(1) is a general provision enunciating the broad principles to be observed by the State in all its activities while Art.29(2) is a special provision regarding admission to all educational institutions, whether the institution is one maintained by the State or one receiving aid out of state funds. This article imposes a ban against refusal of admission to educational institutions only on the grounds of religion, race, caste or language. The 'place of birth' is not one of the grounds mentioned in this article and consequently refusal of admission on the ground of place of birth or domicile is not hit by Art.29(1). But when once a person whose place of birth or domicile is outside the State has been admitted to an educational institution a higher fee cannot be levied from him.on the ground ~~the~~ of his place of birth or domicile. This will amount to a discrimination against a citizen and will be hit by Art.15(1).

Education Department (4)

The file relates to the reservation of a certain percentage of seats in educational institutions in the Madras State for students from outside the State and abolition of the system of levying higher rate of tuition fees from outside students. Notes from page 11 ante may be read.

(1) Reservation of seats: In schools and Arts Colleges there is no restriction to the admission of non-Madrasis and they need pay tuition fees only at Madras rates. But there is the language difficulty as regional languages are compulsorily enforced up to S.S.L.C. standard.// In Professional colleges some seats are now reserved for outsiders. There is already great rush from Madrasi students for seats in these colleges and it may not be possible to reserve more seats for outsiders. Attention is invited to the notes of the Addl. Secretary, Edn. & P.H. (now Secretary, Health Dept.) and the previous Secretary, Edn. & P. H. (Mr.Lobo Prabhu) on pp.12-13 ante.

The constitutional position is that this Govt. has got power to refuse or to restrict admission to non-Madrasis - please see Legal note on p.14 148 ante. It is for orders whether the Govt. of India may be informed that no addl. seats can be reserved for outsiders in the Professional institutions and that if any addl. seats are necessary, the matter can be considered only on a reciprocal basis.

A

(2) Abolition of the system of levying higher rate of fees from non-Madrasi students:

According to the Constitution it will be illegal to levy a higher rate of tuition fee from outside students - please see Legal note on p.14 148 ante. This system may therefore be abolished with effect from the next academic year.

Fin (Accts)

(Pre: fin. note at pp. 9-10 above).

The notes and orders in circulation on pp. 15-17 above, and the draft letter below may be perused.

The proposal to abolish the system of levying capitation fees involves loss of revenue to the Govt. The amount involved is not known.

Information may be called for by amplifying draft II below, as indicated in pencil.
7.4.50

Schemes involving the abandonment of existing revenue when the amount to be foregone exceeds Rs. 25,000 p.a. recurring or Rs 1 lakh non-rec. or when the scheme involves a change of policy should be referred to the Standing Fin. Committee and then to the Cabinet before orders sanctioning the scheme are issued. The present proposal has been approved by seven Hon'ble Ministers including H.C.M.

p. 16 above

It does not therefore seem necessary to refer the proposal again to the S.F.C. However, as the proposal involves a change of policy, Finance may suggest that it may be referred to the Cabinet before issue of the draft letter to India.

This is not necessary in view of the constitutional position set out by Legal at K on page 14 above.

DEVELOPMENT DEPARTMENT

Sir,

Sub:- Education - Industrial polytechnics - capitation fees from students coming from other Provinces and States in the Indian Union - Orders requesting.

....

I enclose, for the information of Government a copy of letter No.K/48-/16-/1714 dated 4-2-49. received from the Director of Industries East Punjab. At present a fees ~~fo~~ Rs. 36/- per annum is being collected from candidates belonging to Madras Province and Rs. 75 from those coming from outside. In G.O.Ms.No.894 Dev. Department dated 23-2-49 refugees were permitted to pay the tuition fees at the rates applicable to the students of this Province.

I request to be informed whether I may inform the Director of Industries, East Punjab ~~and~~ that my department has no objection to charging the same rate of fees in our technical institutions for students of this province and for students from other Province in the Union.

....

K

Z

I have the honour to say that at the suggestion of the Secretary to Government, Bombay Education and Industries Departments, It is proposed to abolish the charging of capitation fees in Government Industrial Schools and Institutions from students coming from other provinces and States on a reciprocal basis. I have therefore to inquire whether your department has any objection to enforce a similar arrangement in respect of students from this province studying in the Industrial and Technical Institutions in your province or State.

An early reply will be appreciated

- - - - -

The rates of fees in respect of students coming from outside the Province were not revised since 1937 as it was felt that there was no necessity for any revision. I invite a reference to my letter No. 5009-C.1/49 dated 26-7-49 submitting proposals in regard to the revision of rates of fees for diploma and certificate courses in Polytechnics. As suggested in my letter No. 1373-C.6/49 dated 9-4-49 there would seem to be no objection to students from outside the Province being charged fees at the same rates as are applicable to those from the Provinces on a reciprocal basis. This will also be in consonance with the suggestion made by the Government of India in their letter No. F. 73-184/49- D.3 dated 7-7-48 communicated to me with Government Endt. p.7 cf ——— Do ——— d. 9-5-49

To AS

The letter from the D.I&C on p.1 cf may be perused. At present a fee of Rs 36 per annum from students belonging to this Province and Rs 75 per annum from students coming from outside the Province is being charged in the Polytechnics under the control of the Industries Dept. The Director of Industries, E. Punjab has informed the D.I&C Madras that it is proposed to abolish the charging of capitation fees in Govt Industrial Schools and institutions (in E. Punjab) from students coming from other Provinces & States on a reciprocal basis, and he wants to know whether this Govt have any objection to enforce a similar arrangement in respect of the students of E. Punjab studying in Industrial and Technical Institutions in this Province. The D.I&C has requested instructions whether he may inform the Dir of Industries, E. Punjab that this Govt have no objection to charging the same rate of fees in our technical institutions ~~for~~ students coming from outside the Province as are applicable to the students of this Province. The D.I&C has stated that in the absence of information regarding the number of outside students likely to seek admission in the Polytechnics of this Province, it is not possible to estimate the amount of fee income to be foregone by Govt if they are to be charged at the rates applicable to the students of this Province. It is however submitted that the amount of fee income to be foregone

FINANCE DEPARTMENT

p. 7 Cf

Finance (Accts)

Please see the letter from the D.I.&C. at page 1 Cf., and the notes on pages 1-3 above.

There is no information regarding the number of students from the East Punjab likely to seek admission in the Polytechnics of this Province nor about the number of students from this Province likely to seek admission in Govt. Industrial Schools and Institutions in East Punjab. There are a number of Govt. Industrial Schools and Institutions in this Province, and in view of the present policy of this Govt in regard to the Industrial development of the Province more institutions of the kind are likely to be established. It is not known what facilities there are in East Punjab in this regard. It is more than likely that a greater number of students from East Punjab would be coming forward to take advantage of the facilities afforded by the Govt. in this Province than the number of Madrasi students going to East Punjab for getting training in their Polytechnics. In this view it would seem that the acceptance of the present proposal of the Director of Industries, East Punjab would be disadvantageous to this Govt. and would have to be opposed. Further, it is not known whether the Polytechnics in this Province are able to admit all the students seeking admission into them. When these institutions are not able to cater to the needs of their own students, it does not seem proper to ~~ad~~ reserve seats for students from outside the Province.

p.1 CF.

If, however, it is considered that some facilities should be afforded for the training of outside students in our Polytechnics, it would seem only reasonable that we restrict the number of students to be admitted from outside to the number of our students actually seeking admission into the institutions in East Punjab. Dept. may be requested to consider this suggestion further in consultation with the D.I.&C.

2. Incidentally, it may be observed that, as stated by the D.I.&C., a fee of only Rs. 75/- p.a. is being charged from students outside the Province studying in the Polytechnics under the control of the Industries Deptt. This rate of fee was fixed in + 1937. Recently, the rate of fees charged in the various institutions of this Govt. have been considerably raised. It is not known why the rate of fee fixed in 1937 is still in force in this case. Dept. may be requested to get further information from the D.I.&C. on

30.6.49

29.6.49

this point, and take steps to revise the rate of fee fixed in G.O. 2070 Dev. of 13.9.37, if this has not already been done.

In all Govt institutions, a higher rate of fee is generally charged for students not belonging to this province. Even for students coming from Travancore & Cochin we charge special rates. In view of this, it does not seem necessary to agree to the reciprocal arrangement proposed by the East Punjab Govt. ~~Where a principle is involved, the amount of loss need not be considered.~~

30.6.49

M

The question referred to at x on page 2 above has also a bearing on this proposal. The decision on the question may be awaited.

In the notes on page 78 of (M) Legal have held that refusal of admission on the ground of place of birth or domicile is not hit by Article 29 (1) of the Constitution of India. But when once a person whose domicile or place of birth is outside the State has been admitted to an educational institution, they have pointed that it is illegal to levy higher rate of fees from him as it would amount to a discrimination against a citizen of India on the ground of place of birth under Article 15 (1) of the Constn. Govt. have therefore decided to abolish the system of levying capitation fees in the institutions under their control from students coming from outside the State with effect from the academic year 1950-51. This decision was communicated to the Govt of India, the D.P.I., S.G. & A. and D.A.H. A copy of letter Ms. 1186 Edn. dated 14.4.50 may now be communicated to the ~~D.~~ State and he may be informed that the system of levying capitation fees in the institutions under his control from students coming from outside

Government of Madras.
Health Department.
Memorandum No. 15970-Q/50-2-Health, dated the 23rd June 1950.

Medical Colleges - System of levy of capitation fees - Abolition of.

From the Surgeon-General, Ref.No.42016-4-M, dated the 2nd June 1950.

The Surgeon-General is informed that the orders in G.O.Ms.No. 1187-Education, dated the 14th April 1950 are intended to cover all cases of students coming from outside this State including these from Travancore and Cochin. The system of levying double or one and a half times the normal fee should be discontinued with effect from the academic year 1950-51 in respect of all students, whether they are new entrants or are already on the rolls of the Colleges.

2. With reference to the above position the Surgeon-General may furnish to the Education Department a revised estimate of loss of fee income involved in the abolition of the system of levy of capitation fees, called for in the Government Order.

T.M.S. Mani,
Secretary to Government.

Legislative Council Question

109

20-

*Q.No.37: SRI B. BHIMA RAO.-

51880

Will the Hon. the Minister for Public Works be pleased to state:

(a) whether the same fees or higher fees are charged for students of other States admitted into the professional colleges (Engineering, Medical etc.) in the State of Madras; and

(b) if higher fees are charged, the reasons justifying the same?

In the course of supplementaries to the above question Sri B.Bhima Rao stated that higher fees are being charged in Bangalore and suggested that this Government should take up the question on the basis of reciprocity, as we are not charging higher fees for candidates coming from abroad.

2. This may be passed on to Education Department.

(I was present in the Council.)

ASSISTANT SECRETARY TO GOVERNMENT
12 JAN 1953
PUBLIC DEPARTMENT

Sir,

With reference to your endorsement no. II.F.30/51/16536, dated October 25, 1952 and in partial modification of G.O.No. 1909 A/V-897/52, dated May 3, 1952, I am directed to say that the orders issued in the said G.O. are applicable with effect from July 1952 to all students of other States, new entrants as well as old, who are studying in the two Medical Colleges of this State. This may be explained to the Principal, Medical College, Agra, and he may be asked to refund the fees reported to have been charged from some old students after July 1952.

Yours faithfully,

SECOND ASSISTANT SECRETARY
26 DEC 1952
57269
EDUCATION DEPARTMENT

ANIMAL HUSBANDRY DEPARTMENT,
Triplicane P.O., Madras.
Dated 20th December 1952.

D.Dis.No.11645-II/52.

From
Sri V.R. Rajagopalan, GMVC.,Dip.,Bact.,(Manchester),
Director of Animal Husbandry, Madras.

To
The Secretary to Government,
Education Department, Madras.

Sir,

Sub: Abolition of capitation fees charged from the Students of other States.
Ref: Government Endorsement No.37165-G/52-1 Education dated 2-9-52. — p 312 / ⓒ

..

The Government of Bihar in para 2 of their letter No.Fl(V)/5/52 E.R. dated 21-8-52 and communicated to this office with the Government Endorsement cited above, have stated "If any State Government desires to reserve any seats for students coming from that State, Capitation charges on such admission will continue to be levied", whereas in pursuance of G.O.Ms.No.1187, Education, dated 14-4-50, levy of capitation fee has been abolished from the academic year 1950-51 in this State and and even the students coming from other States and for whom seats are reserved in the Madras Veterinary College are charged only the rate of tuition fee Rs.200/- only applicable to the students of the State. I am bringing this to the notice of Government for whatever action Government may deem it necessary to take viz. either to retaliate in the same manner in the case of students coming from Bihar only or introduce the levy of capitation fees in respect of all the other States for which seats are reserved.

SECOND ASSISTANT SECRETARY
(629) 9 FEB 1953
EDUCATION DEPARTMENT

Roc.90.K.2/53 dated 7--2--'53

Sir,

Sub: Colleges - Professional - Levy of capitation fees from students coming from other States.

Ref: Government Endt.No.59269-G/52-1 Education dated 15-1-'53

G 211-12 (L) G.O.1187 14.4.50

I have no remarks to offer in the matter as a copy of the letter No.F.1.(V)/5/52-E.R. dated 21-8-'52 of the Government of Biher does not appear to have been communicated to me.

G 69-70 (L)

B

I may however add that the Ministry of Education, Government of India, in their letter No.D-62/51-B-1 (Part II) dated 30.1.'52, would appear to have recommended to all State Governments the abolition of the levy of capitation fees charged from students of other States in the Educational institutions of any State and that, if the procedure adopted by the Government of Bihar is contrary to the recommendation referred to, the matter may be brought to the notice of Government of India, for such action as they deem fit to take.

G 50 (L)

I am of the view that the abolition of the levy of capitation fees, ordered in G.O.Ms.1187-Education dated 14-4-'50, may hold good even in respect of students coming from States which have not abolished such levy and that no retaliatory measure need be thought of.

Yours faithfully,

From the D.P.I: Roc 90 K2/53 d 7/2/53

---

remand

p50 / (L) At the instance of the Govt. of India, this Govt. in G.O. (Ms) 1187 Edn d 14/4/50, abolished the System of levying Capitation fees from Students Coming from other States with effect from the academic year 1950-51. The Govt. of India have also

p64-70 / (L) Suggested to all other State Govts to abolish Capitation fees in all educational and professional Colleges under their Control, They have also suggested that

X

para 5 of letter in p69-70 (L)

it should be done unreservedly, since according to Article 15(1) of the Constitution of India, it will be illegal to levy a higher rate of tuition fee from Students Coming from outside.

p211 / (L) The Bihar Govt. while agreeing to ~~to abolition~~ abolish the levy of Capitation fees on Students Coming from other States with effect from the academic year 52-53, ~~have~~ also propose that if any State Govt. desires to reserve any Seat for Students Coming from that State, Capitation Charges on such admissions will Continue to be levied. The D.A.H. in his letter in p1 cf., on the above proposal of Bihar Govt. Suggests, ~~that~~

'A' in p1 cf

either to retaliate in the Same manner in the Case of Students Coming from Bihar only or introduce the levy of Capitation fees in respect of all the other States for which Seats are

p3 cf

reserved. But the D.P.I remarks that the procedure proposed to be adopted by the Bihar Govt. is Contrary to the Govt. of India's recommendation at 'X' above and that

'B' in p3 cf

the matter may be brought to Govt. of India's

P.T.O.

notice. He is also of the view that no retaliatory measure need be thought of. Even though this Govt. is not reserving any seats in any of the Arts and Professional Colleges in the Bihar State, the proposed procedure adopted by the Govt. of Bihar is contrary to the recommendation of the Govt. of India. The Govt. of India may therefore be addressed to move the Bihar Govt. to abolish the levy of Capitation fees unreservedly. No Capitation fees are charged for outside students, for whom seats are reserved in professional Colleges in Madras.

The draft letter to the Govt. of India submitted below is for approval.
