Sir,

I have the honour to state that in the application for  
additional appropriation of funds for 1949-1950 submitted by me with  
my letter R.C. No. 231-A/48, dated 15-2-'50, an additional provision  
of Rs. 90,400 was made under the subhead "d B. 4 other charges -  
Examinations and office contingencies". This sum included additional  
provision under "Service Postage Stamps" on account of the special  
method adopted in the despatch of scripts of the S.S.L.C. Public -  
Examination to the examiners. In view of the fact that as many as  
66,800 candidates appeared for the S.S.L.C. Public Examination of  
March 1950, it is found that the provision under 'Service Postage  
Stamps' is not sufficient and that an additional sum of Rs. 7,000  
is required. As all the scripts have to be immediately despatched  
to the examiners without waiting till 1st April 1950, I am incurring,  
in anticipation of Government sanction, the additional expense of  
Rs. 7,000 under "Service Postage Stamps". I request that this addi-  
tional sum may be sanctioned as a special case.
