Subject:- NATIONAL CADET CORPS - AIR FORCE TRAINING IN
JUNIOR DIVISION UNITS

Sir,

I am directed to state that training in Air Force subjects is to be introduced, as an experimental measure, for cadets of the Junior Division, in a few specially selected schools. In order to implement this decision, Junior Division officers from the unit located in that school will have to be trained in an Air Force training unit, so that on the completion of the training they will be able to instruct the cadets of their unit. A certain number of such officers were trained last year but, it is regretted that the standard achieved by the teachers was not good enough to enable us to introduce this training in the schools concerned.

2. The object of giving training in Air Force subjects to Junior Division cadets is to:-

- (a) make students air-minded and keen to join the Indian Air Force, both as officers and airmen;
- (b) give them basic knowledge of Air Force subjects;
- (c) obtain suitable candidates for the National Defence Academy.

3. I am to request that you will be so good as to select 3 (three) Junior Division officers and they should be Mathematics or Science teachers. The important point to remember in the selection is that the officer must be really good and have done well both during his pre-commission training in the Army unit and in training cadets of his unit. The selection should be done in consultation with the Commander, N.C.C. Circle and the Liaison Officer, Junior Division units. In this connection, I would like to mention that the general standard of the school and the students in that school should also be taken into consideration. I am to add that, if the experiment is successful then it will be possible to expand the scheme to include a larger number of schools. There is no bar to detailing any of the teachers who underwent training last year but only those of them should be selected who received a really good report at the Air Force Unit, Jodhpur. A copy of the report on the officers was sent to you last year.

4. These officers will receive pay in accordance with para 2(a) and travelling allowance in accordance with paras 2(e) and (f) of Schedule II of the N.C.C. Rules. I am to request that the pay and travelling allowance to and from the place of training, may be paid to the officers prior to their proceeding to the training. Accommodation and rations will be arranged by the Air Force unit and officers will receive free medical treatment.

5. The training will be held at No. 2 Air Force Academy, AMBALA. The training will commence on 29 May 1950 and will last for a period of 5 weeks. The officers should report to the Officer Commanding, No. 2 Air Force Academy on 27 May 1950. I am to request you to inform this officer of the time and train of arrival of the NCC officers, so that reception arrangements can be made.

P.T.O.

6. I shall be grateful if you will inform me by 15 April 1950, whether you are sending the Junior Division officers for training. I am to emphasise the importance of accepting these vacancies, so that full opportunity is given to the students in your State to be trained for the Indian Air Force.

Yours faithfully,

Subject:- NATIONAL CADET CORPS - AIR FORCE TRAINING IN
JUNIOR DIVISION UNITS

Sir,

I am directed to refer to my letter No.0428/50/Air/NCC
dated 21 March 1950, under which we had asked you to detail
Junior Division officers to undergo training in No.2 Air Force
Academy at Ambala. In para 4 of this letter it was requested
that these Junior Division officers should receive pay in accordance
with para 2(a), Schedule II of the N.C.C. Rules.

2. These officers were not to receive any daily allowance in
addition to their pay for the period that they underwent training
at the Air Force Academy. In view, however, of the higher charges
that these officers had to pay during their training, I am to
request that these officers may be paid a daily allowance at Rs.3/-
per day for the period that they actually were attached to the
Air Force Academy for training. I am to request that you will be
good enough to pay this amount to them as they have met the extra
expenditure out of their own pockets.

P.T.O.

12

3. These Junior Division officers should be paid under para 2(e) of Schedule II of the N.C.C. Rules, Class II (Special) rail fares instead of only Class II rail fare. I am to draw your attention to this Directorate letter No.0235/A/50/NCC dated 5 July 1950 wherein I have requested that all Junior Division officers who have been attached for training in this year should have Class II (Special) rail fares. In this connection, I am to state that these Junior Division officers are not authorised to get any travelling concession on the railways for their journey to an Army unit for training purposes. The Ministry of Railways has agreed to concessions in rail fares being given to officers and cadets of National Cadet Corps when travelling to and from their Camps. This Directorate letter No.0294/50/NCC dated 18 March 1950 makes this clear.

Yours faithfully,

The three N.C.C. Officers were paid, by mistake, an amount far in excess of that admissible under the rules. They should not utilise public money which was given to them by mistake and after it was pointed out to them and delay refund in the hope that fresh and additional privileges will be obtained for them and the excess payment will thereby be adjusted later. SUB: NCC---Junior Division---Deputation of NCC Officers to Air Force Training.

REF: Government Memo 18701 B/50 dated 29-7-1950

In the Government Memo cited above sanction is accorded to the payment of Travelling Allowance to the NCC Officers by Second class special to and from the training centre. In this connection I submit that the NCC Officers actually travelled by Second Class Ordinary at the concessional rates and paid Rs.39/- only as railfare from Madras to Ambala. At the time of their return journey from Ambala to Madras the Classes in railways were changed as I, II Intermediate and III. So they travelled by the II Class and paid railfare Rs.108-4-0. There is no information why they did not avail themselves of the concessional rate.. They have thereby, spent Rs. 147-4-0 as railfare to and fro. They are, therefore, entitled to receive what they have actually spent towards the purchase of the railway tickets viz., Rs. 147-4-0 and in addition the Daily Allowance for rail journeys, the Daily allowance for the days of training and the rank pay for the period of training at the rates specified in the Government Memo. I have allowed the actual expenditure incurred by them towards their to and fro railway journeys in addition to the other allowances as per Government Memo referred to above.

I presume that the adjustments of the allowances paid to them can be made on the above basis.

H.M. (C & L)

National Cadet Corps. Junior Division - Deputation
of three N.C.C. officers for Air Force Training
Payment of travelling allowance

From the DP 9 RC no 463-10.4/50 & 5.8.50

In Memo no 18701 B/50-2 Edn 29.7.50
sanction was accorded to the payment to the three
N.C.C. officers of the Junior Division who were
deputed for Air Force Training at Ambala
travelling allowance by Second class (Special)
to & from the training with reference to the instructions
issued by the Director N.C.C. in this regard in his
letter no 0235/A/50/N.C.C. & 5.7.50. In this connection
the DP 9 has pointed out that the three N.C.C.
officers actually travelled by second class ordinary
at the concessional rates from Madras to Ambala
and by the Second class without availing of the
concessional rate for the return journey from Ambala
to Madras. and so they have been allowed the
actual expenditure incurred by these officers for their
to & fro railway journeys in addn. to other allowances

2. Railway fare is not intended to be a source
of profit to the officers who travel. If the three
N.C.C. officers had not availed of Second class
(Special) accommodation, there seems to be no
reason why they should be allowed at that rate
now. The DP 9 may be informed that his
presumption that the adjustment of the allowances
paid to the three NCC officers on the basis
mentioned in his letter is correct.

A draft memo is submitted below for
approval.
