MADRAS COLLECTOR'S OFFICE,
Dated the 22nd December '49.

My dear Lobo Prabhu,

Sub: Government Press - Re-organisation of.

100230

Ref: G.O. Ms. No. 4438, Public (Special) d/ 17-12-49.

I am in receipt of the above G.O. in which I have been appointed as Special Officer for re-organisation of the Government Press, Madras for a period of 6 months, in addition to my duties as Collector of Madras. I may submit that the Government Press Enquiry Committee recommended that a Joint Superintendent should work for a period of at least 2 or 3 years in order to set the Press firmly in proper working condition. I do not know whether a part-time Officer working for a period of six months can produce appreciable results but I shall certainly do my best.

2. In the above G.O. the Government have sanctioned me a special pay of Rs.250/- per mensem in addition to my pay and allowances. I am now receiving a conveyance allowance of Rs.75/- as Collector of Madras. An officer of the same service working in the Secretariat gets only a special pay of Rs.250/- in addition to his pay. Though I will certainly be working out of office hours on account of the additional duties, I feel that at the present time it will be sufficient if the total addition to my pay is restricted to a special pay of Rs.250/- without the conveyance allowance. I therefore propose not to draw the conveyance allowance during the period I work as Special Officer and draw only the special pay. I will of course be maintaining a car as usual and doing my inspection work as Collector of Madras.

3. I will require the assistance of an Upper Division Clerk in my work as Special Officer. I request that the Government may be pleased to sanction the post of an Upper Division clerk for a period of 6 months. I propose to appoint a suitable Upper Division clerk selected from the Collector's Office, Madras. I request that a special pay of Rs.20/- may be given to him in view of the arduous nature of the work and the need to offer some attraction to a really good clerk.

4. As I am now busy with the Taluk offices inspection, I propose to enter upon my duties as Special Officer on the 3rd January 1950. I trust this meets with the approval of the Government.

Yours sincerely,
V.V. Subramanian

For assisting the Special Officer

for the reorganisation of the Govt. Press, Madras, Mr. H. have proposed the appointment of an U.D. clerk on Rs. 80-110 ⁱⁿ a special pay of Rs. 20/- p.m. for a period of 6 months. The extra work involved works out to Rs. 772/- for the above period. Finance may concede the need for an U.D. clerk to assist the Special Officer. But there seems to be no justification for granting him the special pay of Rs. 20/- p.m. proposed for him. The Special Officer was allowed a special pay of Rs. 250/- p.m. in view of the additional work entrusted to him in addition to his ^{his duties as} Collector of Madras. But the add. U.D. clerk proposed is to be employed solely only for assisting the Special Officer in his work and it is not intended to entrust him with any other add. work. Further it is not usual to sanction special pays for staff employed for attending to ordinary work. In the circumstances finance may advise that the special pay proposed may be cut out.

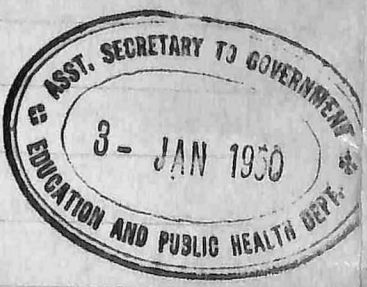

Subject to the above remark, the draft

order on pay may be accepted.
