DATED. 15. 4. 1950.

Sub M. R. P. S. - Post of Manual Typ
Instructions in Woodward Grades
I & II Qualifications Special Rule
Amended.

Letter No. 536/45 Ests. d/ New Delhi, the 9th Mar 1946 from the Government of India, Ministry of Home Affairs, to the Chief Secretary to the Government of Madras, Public (Services) Department.

Sub: Recognition of RIAF Educational Test for Reclassification to Leading Aircraftman as equivalent to Matriculation for purposes of admission to Government service (N)

I am directed to invite a reference to the correspondence resting with your letter No. 1104 dated the 9th May 1946, on the subject noted above, and to say that the Government of India have received a number of representations from persons affected, in regard to the decision of the Provincial Government not to recognise the 'Royal Indian Air Force Educational Test for Reclassification to Leading Aircraftman' as equivalent to the Matriculation Examination for purposes of employment under the Provincial Government.

2. The Government of India accorded recognition to the Test on the advice of the Federal Public Service Commission and it appears that all the other Provincial Governments have already similarly recognised the Test. In the circumstances the Government of India would be grateful if the Provincial Government would reconsider the matter and see their way to according similar recognition to the Test for purposes of employment under them also.

Letter No. 688/49-2 dated 26-4-1949 from Public (Ser.C) Department addressed to the Government of India, Ministry of Home Affairs.

Sub: Public Services - Recruitment - Pass in the RIAF Educational Test for Reclassification to Leading Aircraftman - Recognition as equivalent to minimum general educational qualification.

Ref: Ministry of Home Affairs Letter No. 536/45-Ests. d/ 9-3-1949.

I am directed to say that the Government of Madras have re-examined the question but have come to the conclusion that there is no justification for recognising a pass in the RIAF Educational Test for Reclassification to Leading Aircraftman as equivalent to the possession of the minimum general educational qualification prescribed in the general and Special Rules issued by this Government. The main reason for this conclusion is that in the RIAF Educational Test for Reclassification to Aircraftman candidates are examined in English and Arithmetic only while candidates for the S.S.L.C. examination are examined in six subjects (including English and Elementary Mathematics). The two examinations cannot, therefore, be considered to be cultural equivalents. This Government have, however, no objection to prescribing a pass in the above test as an alternative qualification to the minimum general educational qualification in cases where it may be considered sufficient, and this point is being examined in detail.

Extracts from Public (Ser.C) Notes.

Please see the correspondence in the c.f. The Commission is not in favour of recognising a pass in the RIAF Edl. Test for Reclassification to Leading Aircraftman as equivalent to the minimum general educational qualification. Its view may perhaps be agreed to. A draft reply to India is submitted for approval.

2. As regards the question of prescribing a pass in this Test as an alternative qualification to our minimum general educational qualification, the departments of the Sectt. will have to examine the special rules with which they are concerned and decide the question. If approved, copies of the correspondence in the c.f. and an extract of this note may be sent to the departments

of the Sectt. for necessary action.

Public Service - R.I.A.F. Ed. Test - Recognition

Ref: letter from the D.P.S. No 1318 C2/W of 10.6.49

Though the R.I.A.F. Ed Test
And the S.S.C. exam cannot be considered
to be ^{customarily} equivalent, it is the intention that
a pass in the former should be provided as
an alternative qualification to the minimum
general ed. qualification in cases where it may
be considered sufficient. The D.P.S. apparently
did not examine the question with reference to
each post in the M.C.S.S. There can be the
test may be provided as an alternative
qualification to posts of pay, Manual Trg Instructor
and Asst. Manual Trg. Instructors in Woodwork.
Persons who have passed the R.I.A.F. test and
seeking employment under this Govt may
not be numerous and it seems reasonable
that by virtue of their service in the R.I.A.F. they
deserve some concession.

The Dir. is requested to
examine the matter further in the light
of the above remarks.
