SUBSIDY - Government contribution in respect of
Education tax realised in 1949-50 - Payment to the
District Board, Chingleput - Ordered.

From

Sir,

Sub:- Subsidy- Government contribution- Education Tax-realised in
1949-50- payment- sanction - solicited.

A sum of Rs. 287716 was actually realised under Education Tax in the year 1949-50. This represents the collection of the tax at 27 pies per acre. Prior to the passing of the Amended Act XV of 1947, the tax was levied at 10 pies per acre.

Prior to the passing of the Amended Act XV of 1941, the District Board was levying Education Tax at 4½ pias rate and the contribution payable by Government was calculated at this rate and paid all these years.

But, the Government in their review on the Budget Estimate for 1950-51, have said, that the Government have decided to sanction contribution to District Boards in respect of Education Tax upto 9 pies in the Rupee of land revenue- vide G.O.Ms.No.503 Edn., dated 17-2-50. Calculating the collection of the tax at the rate of 9 pies, the amount of tax for which the Government have to pay as contribution under Section 37 of the Madras Elementary Education Act comes to Rs.95905-5-4.

I request that the Government may be pleased to sanction a grant of Rs.95905-5-4 due for this current year as urgently as possible as the balance under Elementary Education Funds is almost nil and the teachers' salaries for March, 50 will have to be disbursed now.

R.O.C.No. 8248-50-C1 dated 11-4-50.

Sir,

Subsidy- Government contribution-Education Tax realised in 1949-50
payment sanction solicited.

Ref:- My letter R.O.C.No. 8248-50-C1 dated 1-4-50.

In my letter referred to above, the Government were requested to sanction a subsidy of Rs. 95,905-5-4 towards Government contribution under Section 37 of the Madras Elementary Education Act calculating the collection of the Education Tax at the rate of 9 pies in the rupee as per orders of Government contained in their M.S.No. 503 Edn. dated 17-2-50. But orders of Government sanctioning the subsidy have not been received. Evidently it is due to the fact that the Madras Elementary Education Amendment Act 1950 has not come into force yet.

Hence I request that the Government may be pleased to sanction the immediate payment of a subsidy of Rs. 47,952-10-8 calculating the levy of the tax at 4½ pies rate as before. The balance of subsidy which will become due to this Board after the Amendment Act 1950 comes into force, will be separately claimed.

The balance under Elementary Education Funds is nil and the salaries to teachers of the Elementary Schools for March 50 have not been paid still. Consequently there is hue and cry in the District. I request therefore that the Government may be pleased to pass very urgent orders sanctioning the payment of the subsidy.

Ref: From the P.D.B., Chingleput No. 8248 C/50 dated 1.4.50 & 11.4.50

The P.D.B., Chingleput has requested for sanction for the payment of a subsidy of Rs 47,952-11-0 towards the Govt. Contribution in respect of Edu. tax realised in 1949-50.

At the meeting of the Cabinet held in February 1950, Govt. have decided that contribution can be made in respect of Education tax upto a pie provided that the tax is levied by the Dt. Bds at double the rate. In this case the Dt. Bd. is eligible for a subsidy of Rs 95905-5-4. As the Bill to amend the 1920 Act with reference to this decision in the Cabinet has not been passed into Law it is not possible to sanction the full subsidy of Rs 95905-5-4 calculated at the rate of 9 pies in the rupee of land revenue. As requested by the President in para 1 above Govt. can grant the sum of Rs 47,952-11-0 towards the contribution in respect of Edu. tax realised in 1949-50 which was calculated at 4 1/2 pies in the rupee of land revenue. The remaining sum may be paid after the Bill is passed into Law. The select committee appears to be of the opinion that the President has also stated that the salaries of teachers for March 1950 have not been disbursed in view of the nil balance under the E.E. fund. In the circumstances the subsidy calculated at 4 1/2 pies in

of land revenue may be paid
remaining sum may be sanctioned in
course. A draft order is submitted for
approval.

~~may be sent to finance for
acceptance of the draft order. They may
also be requested to treat the case as~~
14.4.50 2pl. in view of the remarks of the
President on para 3 of page 30.
