Ref. Budget annexure No 24. Provision to be made in Part estimates under "37 (n) Education Special-Direct Grants to Non-Govt Special Schools - 4 Other Grants - Grants for the education of defective children - Boarding grants to the Deaf and Dumb school Palamcottah and the Blind schools Palamcottah

It is presumed that the amount suggested represents the extra cost on account of calculating boarding charges as in the case of ordinary boarding homes and orphanages i.e threefourth of the net boarding charges or at a flat rate of Rs 8 a month for each pupil whichever is less, instead of on the basis of one half of the net boarding charges. Please say whether the presumption is correct and if so whether it is not necessary to allow the same concession to other schools for the blind, ~~and~~ deaf and dumb. Please see in this connection the estimate of extra cost furnished with the Director's letter No 41/D2/48 dated 25-1-49 The reference may be treated as specially urgent.

Defective children"--Boarding Grants to Deaf and
Dumb School, Palamcottah and the Blind Schools,
Palamcottah.

Ref:--Government Telephonic Message (by post) dated

2) With reference to the question of extending
the concession to the other aided Schools mentioned in the margin*
***** I have to report as follows:--
1. U.L.C.M. School for Blind, Rentachintla
2. Deaf and Dumb School, Mylapore
3. Blind, Deaf, and Dumb School, Teynampet

Application for boarding grant to this Institu-
tion is being received separately under Chapter XI (Boarding
Grants to Indian Orphanages and Boarding Homes for Destitute
Children -) of the Grant-in-aid-Code and grant is assessed according-
ly namely at a flat rate of Rs.8/- subject to $\frac{1}{4}$ net boarding
charges.

2. Deaf and Dumb School, Mylapore: The School
has not claimed any boarding grant so far and the question of
payment of grant towards boarding charges does not, therefore
arise now.

The Government accept the Director's proposal that boarding grants to the Deaf and Dumb School and the school for the Blind (Boys' school and Girls' school) at Palayamcottai calculated at a flat rate of Rs 8 per pupil or three-fourths of the net boarding charges instead of on the basis of half the net boarding charges, as such a concession has been allowed to other aided schools for defective children already. The additional sum of Rs 4,200 required for payment of boarding grants on the revised basis in the current year has been provided under "37 n. Schools - Special - Direct grants to non-Govt special schools - Grants for the education of defective children and Private Hindustani Vidyalayas. Part II scheme for 1950-51

The D.P.I. has recommended the following proposals for consideration as a Part II scheme for 1950-51:-

Description of scheme	Ultimate cost (Recurring) Rs	Cost in 1950-51 Rs
1. Assessment of Boarding grants to the Deaf and Dumb school, Palamcottah and the schools for the Blind at Palamcottah as in the case of Boarding homes and Orphanages	4,200	4,200
2. Grants to Hindustani Vidyalayas newly recognised	7,000	7,000

2. Boarding grants to schools for defective children at Palamcottah - Increase in the rate.

Boarding grants ~~to these schools~~ are now paid to these schools equal to one half of the net boarding charges approved by the Director on the cost of foodstuffs, on the pay of cook and other servants, if any, employed for the purpose of cooking and serving meals and on contingencies. In connection with the removal of the maximum limit fixed for teaching grants to these institutions, the D.P.I. recommended that boarding grants ~~may~~ ^{might} be paid to the schools ~~cal~~culated at a flat rate of Rs 8 a month for each pupil or three-fourths of the net boarding charges whichever is less as in the case of ordinary boarding homes and orphanages and he was informed in para 3 of G.O. No 533 Education dated 26-2-49 that he ~~may~~ ^{might} renew the proposal for consideration as a Part II scheme for 1950-51. He has accordingly done so. Attention is solicited to the Director's letter on page 4 C.F. It will be observed therefrom that boarding grants for

^{School}
the U.L.C-M. for the Blind at Rentachintala and for the Blind Deaf and Dumb school, Teynampet, are already being paid under Chapter XI of the Grant-in-Aid Code at a flat rate of Rs 8 per pupil subject to ^{whichever is less} three-fourths of the net boarding charges along with the teaching grant. There seems to be no justification for treating the schools at Palamcottah differently. These schools are used for the training of teachers for the blind and deserve help. The Director's proposal may therefore be supported in this department. As it is desirable that grants paid to schools for defective children - whether teaching or boarding should be shown under one head so that it may indicate clearly the expenditure incurred by Govt. for the education of the defective children, the D.P.I. may be asked to provide the boarding grants for the two schools for defective children now shown under Orphanages and Boarding Homes also under "37 n Education Special Direct grants to Non-Govt special schools 4 Other grants-Grants for the education of defective children."

2. Grants to private Hindustani Vidyalayas newly recognised

Attention is solicited to G.O. No 1,699 Education dated 6-7-48 and G.O. No 595 Education dated 4-3-49. The Director's proposal to admit to aid seven institutions newly recognised may be accepted and the proposal may be treated as a Part II scheme for 1950-51.

Item (1) on page 2 above - Please see the E. & P.H. Department's note on pp. 1-2 above. Boarding grants are now paid to these schools equal to one-half of the net boarding charges. The proposal is to pay boarding grants to these schools calculated at a flat rate of Rs 8 a month for each pupil or three-fourths of the net boarding charges, whichever is less, as in the case of ordinary boarding homes and orphanages - vide chapter XI of the Grant-in-aid Code. The extra cost involved in the proposal is Rs 4,200. In the case of certain schools for defective children, boarding grants are already being paid under chapter XI of the Grant-in-Aid Code at a flat rate of Rs 8/- per pupil, subject to 3/4th of the net boarding charges whichever is less. In the circumstances and in view of the fact that these schools are intended for defective children, Finance may agree to the proposal being considered as a Part II Scheme for 1950-51.

Item (2) Grants to private Hindustani

Vidyalayas - The proposal to provide a sum of Rs 7,000 in Part II of the budget for 1950-51 for payment of grants to 7 institutions newly recognised - vide p.2 C.F. - may be agreed to in Finance. (These grants are paid with reference to G.O. No. 1699, Edn., dated 6-7-1948).

They have laid down certain conditions for recognising the Hindustani Vidyalayas under private managements. Institutions which satisfy the conditions are recognised by the Director and the question of admitting the newly recognised institutions to aid is considered as a Part II scheme every year. The grant is assessed on the basis of one-half of the approved net cost of running the classes during the preceding financial year. In the case of certain other schools for the blind, deaf and dumb, the boarding charges are paid calculated at a flat rate of Rs. 8 per pupil or three-fourths of the net boarding charges, whichever is less as in the case of boarding homes and orphanages for which grants are assessed under Chapter XI of the Grant-in-Aid Code.
