Till 1935-36 there was provision for Group IV-(a) History Main in the College in the B.A. (Pass) Course. Due to increasing demand for Economics Main, with effect from July 1936 Group IV (a) History Main was suspended and Group IV-(b) Economics Main was introduced instead. The Principal considers that there will be a need for the ~~renewal~~ of Group IV (a) History Main in view of the proposed abolition of Group IV-(d) Islamic History. The proposal does not involve additional staff or accommodation. I recommend that it may be approved. An affiliation fee should be paid to the University.

No.1062 K2/49 dated 27-9-49

Colleges--Government Arts College--Madras--Opening
of new courses etc., in 1950-51.

In connection with part II of the Budget Estimate for 1950-51, I have the honour to submit for the favourable consideration of Government the following proposals for the opening of new courses in the Government Arts College, Madras:

(1) Increase in the strength of Group III in the Intermediate

The Principal has proposed an increase in the strength of Group III (Humanities) in the Junior Intermediate class by 30-50 places in order to meet the demands for admissions as far as possible. I recommend the proposal of the Principal and suggest an increase of 50 places in Group III considering the heavy rush for admissions. If the proposed increase is accepted the class will have to be conducted in patches, in which case an additional Assistant Lecturer in History should be appointed. The cost of the proposal will be as follows:--

1950-51			
Recurring: 1 Assistant Lecturer in History 150x8	1,200		
D.A. 34 x8	272		
Non-Recurring:--Furniture	2,000		
	3,472/- or		
	Rs.3,500/-		

1951-1952			
Non Recurring:--Furniture			Rs.2,000
Ultimate Cost:--			
1. Assistant Lecturer 205 5/9 x 12	2,467		
D.A. 32 x12	408		
	2,875 or Rs.2,900/- per annum.		

The probable fee-income to Government will be Rs.5,400/- in 1950-51 and Rs.10,300/- per annum thereafter on the assumption that 50% of the students will be entitled to half fee concessions under Rule 92 of the Madras Educational Rules.

(2) GROUP IV -(a) HISTORY MAIN IN B.A. DEGREE COURSE

Till 1935-36 there was provision for Group IV-(a) History Main in the College in the B.A. (Pass) Course. Due to increasing demand for Economics Main, with effect from July 1936 Group IV (a) History Main was suspended and Group IV-(b) Economics Main was introduced instead. The Principal considers that there will be a need for the ~~re-introduction~~ of Group IV (a) History Main in view of the proposed abolition of Group IV-(d) Islamic History. The proposal does not involve additional staff or accommodation. I recommend that it may be approved. An affiliation fee should be paid to the University.

P.T.O.

(3) AFFILIATION IN B.Sc. PART I- TAMIL, TELUGU, MALAYALAM AND URDU:--

The college is already affiliated in Tamil, Telugu, Malayalam and Urdu under Part II of the Intermediate and B.A. Courses. The Principal states that there are students desirous of taking these languages for Part I of B.Sc.(Pass) course and request that necessary affiliation may be sought with effect from 1950-51. The proposal does not involve any additional cost. The University may agree not to insist on payment of affiliation fees. I recommend that the proposal may be accepted and no strength need be rigidly fixed for the classes.

(4) Opening of B.A.- Botany Main and Zoology Subsidiary:--

Considering the popularity of Group II in the Intermediate and also the weakness of most of the students in Mathematics preventing them from taking B.Sc. Course in Physics or Chemistry which requires a knowledge of Mathematics, the Principal has proposed the starting of B.A.(Pass) Course with Botany Main and Zoology Subsidiary in July 1950. The Principal states that there is no need for additional accommodation. It is reported that to start with 16 students can be admitted to the course and that the existing B.Sc. Botany Subsidiary can be raised to the proposed B.A. Botany Main providing for Zoology Subsidiary. Consequent on the starting of B.A. Botany Main, there will be no B.Sc. Botany subsidiary from next year. Although the present B.Sc. Botany subsidiary Laboratory permits the conduct of both Botany Main and Zoology Subsidiary Classes--Lectures as well as practical, the regulations of the University require the establishment of a separate laboratory for Botany Main with the conversion of the present B.Sc. Botany subsidiary laboratory into Zoology subsidiary Laboratory. It may be possible to open the course i.e. B.A. Botany Main and Zoology Subsidiary in the existing B.Sc. Botany Subsidiary Laboratory in 1950-51. But provision should be made for a separate Botany Laboratory in 1951-52. Another important point in favour of the proposal is quite a lot of equipment has been transferred to this College from the Biology Dept., of the Stanley Medical College (consequent on the abolition of the pre-registration course) and the Principal states there will not be any necessity for additional initial allotment for this purpose. It is reported the usual recurring allotment will be sufficient for the purpose. The proposal would, however, involve the conversion of one of the existing posts of Assistant Lecturers in Natural Science into a post of lecturer in Botany (in Madras Educational Service) and also the employment of a Herbarium Keeper in 1950-51. In 1951-52 there will be need for 1 Assistant Lecturer in Botany and an Assistant Lecturer in Zoology. The existing museum is very well equipped and there is scope for expansion. By raising a fence to the garden, the plants necessary for class work can be grown. As the proposal is quite desirable and feasible, I recommend that it may be approved. The cost of the proposal is indicated below:--

1950-51

Recurring:--

1. Lecturer in Botany in lieu of 1 Assistant Lecturer:--	250 x 230-150 x 8	640
D.A. 47-34 x 8		104
1 Herbarium Keeper:--	40-2-60-1-70 40 x 8	320
D.A.	56 x 8	448

or Rs.1,500/-

1,512/-

4
1951-52 (Additional Cost).

Recurring:--

1. Assistant Lecturer in Botany 150 x8 1,200
-do- Zoology 150 x8 1,200
D.A. 2x34x8 544

2,944 or 2,900/-

Ultimate Cost:--

1. Lecturer in lieu of 1 Asst. Lecturer 4491/3-205 5/9 x12 2,925
2. Assistant Lecturers 205 5/9 x 2x12 4,934
1. Herbarium Keeper 55 x 12 660
D.A. 103 x 12 1,236
Equipment 2,000

11,755 or

Rs.11,800 per annum.

The probable fee income to Government will be Rs.2,196/- in 1950-51 and Rs.4,392/- per annum thereafter on the assumption that 50 % of the students will be entitled to half-fee concessions under Rule 92 of the Madras Educational Rules.

I am including the necessary provision in Part II of the Budget Estimate for 1950-51.

Yours faithfully,

In my letter referred to above, I reported that the re-affiliation of Government Arts College, Madras in Group IV (a) History and Economics would not involve any additional staff. The College is also affiliated in Group IV (d) Islamic History for the B.A. but for the last 2 years no student had offered this group. On the assumption that this group would not be offered in 1950-51 also, the Principal reported that the existing staff would be sufficient to manage Group IV (a) when it is revived from the next academic year. The University Inspection Commissioner who conducted the local enquiry for the purpose of recommending the affiliation, points out that if the 3 courses, Group IV (a), (b) and (d) run simultaneously with both junior and senior classes then there will be need for an additional member of the staff for the History Department. The need for an additional member will be examined early in July 1950 after admissions are over and proposals submitted to Government for sanction.
