LOANS AND GRANTS - Cannanore Municipal Council - Acquisition of school buildings and lands appurtenant to them - Application submitted.

Government Memorandum No. 80518-Ac1/48, Education, dated 2-11-1948. p. 21(2)

55680

I submit that in this office letter No. B1/6765/48, dated 28-9-1948, Government were requested to sanction a loan of Rs. 24,000/- and a grant of Rs. 24,000/- to this Council for the acquisition of the following two school buildings with the land appurtenant to them.

1) The Municipal Puthiya Pandika Mopla Higher Elementary school building and land appurtenant to it.
2) The Municipal Town Middle School building with land appurtenant to it.

p. 21(b)(A)

But the Government in their Memorandum No. 80518-Ac1/48, Education, dated 2-11-1948 had stated that the request for the subsidy of Rs. 24,000/- and the loan of Rs. 24,000/- could not be considered in connection with the budget for 1949-50 and had advised to renew the proposal in July 1949 for a half grant for consideration in connection with the Budget for 1950-51. Accordingly the Municipal Council in its Resolution No. 18, dated 22-12-1948 has decided to renew the application this year. The Council is not in ~~a~~ a position to meet its share of the expenditure amounting to Rs. 24,000/-. So, the Government may be pleased to sanction a loan of Rs. 24,000/- repayable in 20 annual instalments. A copy of this office letter No. B1/6765/48 dated 28-9-1948 with the necessary enclosures are submitted herewith.

I request that the Government may be pleased to consider the proposal favourably and to sanction a loan of Rs. 24,000/- and a grant of Rs. 24,000/- for the acquisition of the two school buildings.

Copy of letter No. B1/7568/48, dated 28th September 1948 of the Commissioner, Cannanore Municipality to the Secretary to the Government of Madras, Education and Public Health Department, Fort St. George, Madras through the Director of Public Instruction, Madras and the Chairman, Municipal Council, Cannanore.

Sir,

Subject:- LOANS AND GRANTS – Cannanore Municipal Council Acquisition of school buildings and lands appurtenant to them – Application submitted.

I submit that out of the 13 Elementary schools and two Secondary schools, run by the Council, 8 Elementary schools and one Secondary school are housed in private rented buildings. The other Secondary School namely the High School is located in a Government buildings with extensions and additions made by the Council. The question of providing buildings owned by the Council to house all these 9 institutions has for some time been engaging the attention of the Council; but due to the high cost of building materials and labour coupled with the scarcity of building materials especially iron teak wood etc., the proposal has to be deferred for the present. The Council however has decided to acquire the following two suitable school buildings with the land appurtenant to them.

(1) The Municipal Puthiya Peedika Mopla Higher Elementary school building and land appurtenant to it.
(2) The Municipal Town Middle School building with land appurtenant to it.

Of the various private rented buildings ~~hw~~ where Municipal schools are housed, the above two buildings are considered most suitable with all facilities. The cost of acquisition of the two school buildings and the land appurtenant to each is estimated at Rs. 48,000/- . The Council at its meeting held on 27-9-1948 has resolved to request the Government to sanction a loan of Rs. 24,000/- and also a grant of Rs. 24,000/- for the purpose. Necessary application in the prescribed form, for the loan of Rs. 24,000/- repayable in 20 annual instalments is enclosed.

I submit that the annual rents now paid for the school buildings are as noted hereunder:-

Puthiya Peedika Mopla Elementary School building	.. Rs. 1080-0-0
Town Middle School building ..	.. Rs. 825-0-0
Total ..	.. Rs. 1905-0-0

In the circumstances, there seems to be no necessity to find out any extra revenue for the repayment of the loan as it will be possible to meet the annuity of the proposed loan from the resultant saving in rent now being paid by the Council for the two buildings. Besides the proposal does not involve in any new construction of buildings as to be affected by the present high cost of labour and buildings materials and also the dearth of building material like iron, steel, teak wood etc.

In view of the facts stated above, I request that the Government may be pleased to consider the proposal favourably and to sanction a loan of Rs. 24,000/- and a grant of Rs. 24,000/- for the acquistion of the two school buildings. A copy of the Council Resolution dated 27-9-1948 is enclosed.

Sd. K. Damodaran,
Commissioner.

Copy submitted to Government direct in advance.

(T.P.)

Forwarded. Strongly recommended. In view of the facts stated in Commissioner's letter, the half loan and half grant applied for may be sanctioned.

As required in the Government Memorandum number cited above, I submit herewith a revised loan application for Rs. 11,000/- for acquiring the Puthiya Peedika Mopla Higher Elementary School building and land appurtenant to it. As the valuation statement called for by the Director of Public Instruction, Madras, has not yet been received from the Executive Engineer, ~~REWx~~ P.W.D., Calicut, the revised loan application is based on the original estimated cost of acquisition amounting to Rs. 18,000/-. The valuation statement called for by the Director of Public Instruction will be submitted to Government soon after it is received from the Executive Engineer, P.W.D., Calicut. I submit that the Executive Engineer was requested in my letter dated 29-8-1949 to furnish the valuation statements of the building urgently and he was also reminded by telegram on receipt of Government memorandum dated 5-10-1949. EXPLANATORY NOTE.

It is proposed to make a provision of Rs 6,29,600/- in the Budget Estimate for 1950-51 for grants towards the construction of elementary school buildings. The D.P.I. has recommended a subsidy of Rs 20,650/- to the Municipal Council, Kakinada, and a subsidy of Rs 7,000/- to the Municipal Council, Cannanore, towards the construction or acquisition of buildings for elementary schools. The grant of the subsidies is subject to the condition that the local bodies should meet the remaining cost of the schemes from their own funds. As the two Municipal Councils mentioned above are not in a position to meet their share of xxx the cost, it is proposed to give them loans of Rs 37,050/- and Rs 11,000/- respectively so as to enable them to put the schemes into execution.

The annuity on a loan of Rs 37,050 and Rs 11,000 repayable in 20 years at 3½% interest works out to Rs 2548 per annum and Rs 757 per annum respectively. The Municipal Councils will be in a position to meet the annuity on the loan.

This Department recommends that a sum of Rs 48,000/- may be provided in the Budget Estimate for 1950-51 as shown in the summary at the top.

Loan - Cannanore Municipality - Rs.11,000/-
Acquisition of school buildings and Land appurtenant to them.

The Cannanore Municipal Council has applied for a loan of Rs.11,000/- to acquire the private building in which the Peedika Mopla Higher Elementary School is at present housed. 25

In view of the anticipated ~~all round economy required to meet the~~ difficult ways and means position of the Government in 1950-51, this department ~~xxx~~ may advise that the proposal may be deferred for the present.

Notes from page 1 ante may be read. With regard to the advice of Finance at 'A' above, it is submd. that this is a scheme ~~[illegible]~~ which has been included in the schemes for the payment of subsidy during 1950-51. The scheme will become eligible for the subsidy, only if it is completed before the close of 1950-51 and for this, the Council needs a loan, as it has no sufficient money in its general funds to meet the balance of the cost. It is therefore for consideration whether this Deptt. may press for the proposal for loan going forward as a Part II for 1950-51.
