EDUCATION DEPARTMENT.

R.O.C. No. 576-D.2/

From

The Director of Public Instruction,

M A D R A S.

To

The Secretary to Government,
Education Department,
Fort St. George, M A D R A S.

Sir,

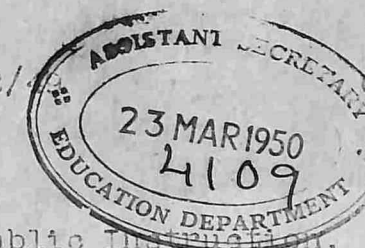

Sub: Grant - Building - Dr. Alagappa Chettiar's College,
Karaikudi - Construction of additional blocks -
commencement of.

Ref: Government Order No. 3569-Education dated 19.11.49.

In their order quoted above, Government have sanctioned the inclusion in the list of approved works of the schemes for the construction of first floor to the Botany and the Arts Blocks of the Dr. Alagappa Chettiar College, Karaikudi and of two additional hostel buildings. The Correspondent has asked for permission to commence the building operations from 1.4.1950. A copy of his letter dated 17.3.1950 is submitted herewith for the information of Government.

2. The plans and abstract estimates sent by the Correspondent have been scrutinised by the Joint Consulting Architect to Government who has offered certain remarks and has called for detailed estimates and other particulars. The Correspondent has not yet furnished the particulars and has reported that the matter is being attended to by the Architect in charge of the work. ~~As~~ He has represented that the construction of the new buildings will be delayed if the work is to be started after the final approval of the plans and estimates by the Joint Consulting Architect and after calling for open tenders as prescribed in para 53 (ii) of the Grant-in-aid Code. As the new buildings have to be completed and made available for the college by the beginning of the next academic year, it is necessary to start the work immediately.

3. The management have their own qualified engineering staff who will supervise the construction. As the estimated cost of the two works is four lakhs and as the grant promised for both is only Rs. 1,50,000, it seems immaterial whether the works are entrusted to a contractor on the basis of the lowest tender which cannot be less than three lakhs or are undertaken by the management themselves who could command better facilities to carry out the work expeditiously. So far as the plans are concerned, the buildings proposed will be on the same lines as those already constructed for the College.

4. In the circumstances explained above I recommend that the management of the Dr. Alagappa Chettiar College, Karaikudi, may be permitted to construct the buildings themselves, relaxing the provisions of para 53 (ii) of the Grant-in-aid Code both in regard to the technical approval of the plans and estimates and the inviting of competitive tenders. If Government accept this recommendation, the engineer in charge of the works may be required to hold himself responsible for the structural stability of the building and the grant due may be paid on the basis of the valuation of the works by the Public Works Department.

5. I request the urgent orders of Government on this letter.

Yours faithfully,

Thiruvalluvar
for Director of public Instruction.

COPY OF Letter from the Correspondent, Dr. Alagappa Chettiar College, Karaikudi, dated 17th March 1950 to the Director of Public Instruction.

Sub: Building Grant - First Floor of the Fourth and Fifty Blocks of Dr. Alagappa Chettiar College, Karaikudi and two additional blocks of the Hostel for the same college.

Ref: G.O. No. 3569 Education dated 19.11.1949.

In the above G.O. Government have approved the following buildings as eligible for a grant of half their cost subject to a maximum of Rs.75,000/- each:--

- (1) Construction of 1st Floor to the 4th and 5th blocks of the College
- (2) Construction of two additional Hostel blocks.

NOTE:- In the G.O. item (1) above is described as 5th and 6th blocks. Evidently, it is mistake for 4th and 5th blocks which represent the Arts Block and the Botany blocks.

2. & The necessary plans and estimates were submitted to the Director of Public Instruction in respect of item (1) on 1st September 1949 and on 5.9.1949 in respect of item (2), for necessary sanction. His orders thereon are awaited.

3. The estimates and plans relating to the Hostel blocks have been received back from the Director of Public Instruction with the remarks of the Consulting Architect on the estimates, to which we have sent our reply in our letter dated 27th February 1950. We have also instructed our Architect to do all that may be further necessary in regard to this matter.

4. It is proposed to start these works on 1st April 1950 and complete the first floors of the College Blocks by the time the College re-opens in July this year and the additional hostel blocks during the course of the year 1950-51. We request that you will be pleased to permit the commencement of the works from the above said date viz. 1st April 1950 and communicate the orders to us in time.

Thanking you,
