Through Proper Channel,

Honoured Sir,

Sub : Classification of the Laboratory attenders as
'Superior' requested.

Ref: L.A. Department G.O. No. 1224 July 1949. (6)

I submit the following for your kind and favourable consideration and orders.

In the commencement of the order referred to above mention has been made to clerical attenders whereas in the body of the order reference has been made to attenders only without making any distinction between clerical attenders and laboratory attenders. Though it may be said to be applicable only to clerical attenders only in as much as it has been mentioned in the commencement of the G.O, yet the possibility of its being thought of as equally applicable to all attenders - clerical as well as laboratory - has not been eliminated because of the absence of such a clear distinction in the body of the order. Therefore I presume that cases of laboratory attenders also come under the purview of the order.

In case my presumption is not correct, I, on behalf of the laboratory attenders request you honour to be generous enough to view their services also in the same light as the services of clerical attenders were viewed and issue such orders as will enable these low paid laboratory attenders also to enjoy the benefits accruing

from the application of the G.O. referred to above.

For this act of kindness I shall be ever grateful.

Requesting to be excused for the trouble and thanking you in anticipation

Sir

Yours faithfully,

Office of the Inspector of M.L.Cs. & Local Boards, Madras 1 dated 2-3-50.

FORWARDED:

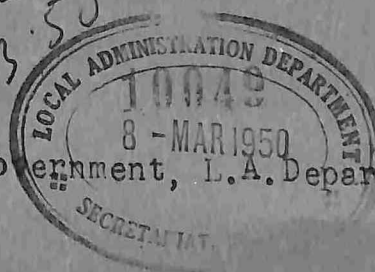

2. The orders in G.O. No. 1424 L.A. dated 7-7-49 are not applicable to laboratory attenders under Municipal Councils and District Boards.

3. The qualifications and the scale of pay fixed for the laboratory attenders and the clerical attenders are the same. The nature of duties attended to by the Laboratory Attenders also cannot be said to be less important than those attended to by the clerical attenders. In the circumstances the posts of laboratory attenders in High Schools under the control of District Boards and Municipal Councils may also be classified as Superior for purpose of enabling the incumbents of these posts to contribute to Provident Fund.

Sir,

Sub: ESTABLISHMENT - Local Bodies - Secondary
schools - Laboratory attenders - Classification
as "superior" servants - Retirement on
completion of 55 years - Instructions - Requested.

Ref. O. Ms. No. 1229 Edn. dated 18th April 1950.

In their order cited above the Government
have directed that the posts of laboratory attenders in
Secondary schools under local bodies be classified as "superior"
for the purpose of enabling the holders of the posts to
contribute to the Provident Fund. A question has been raised
as to whether a laboratory attender who attains his 55th
year on 7th July 1950 should retire on the above date in
view of the fact that superior servants shall not be retained
in service after they have attained their 55th year. As the
G.O. classifies the laboratory attenders as "Superior", I
request clarification on the point whether the rule for
retirement on completion of 55th year of age would apply in
the case of laboratory attenders also.

servants - retirement on completion of 55 years
REF: Government endorsement No. 15406-B-50-1 Ean dated 24-6-50

I resubmit herewith the papers received with Government endorsement referred to above with the following remarks.

2.As per the orders in G.O.No.1229 Education dated 18-4-50 laboratory attenders have been classified as "superior" only for enabling the holders of such posts to contribute to Provident Fund. Till such time as they are classified as superior for all other purposes as well, as suggested in this office L.Dis.29652-50 dated 14-7-50 the rules relating to qualifications and recruitment of inferior servants under District Boards issued in G.O.No.2489 L.A. dated 22-8-42 as amended will apply to them(including rule 12 which says that no servant shall be retained in service after he has attained the age of 60 years.)
