Is this for E&H?

Put up D.O. acknowledging & saying that the letter has been transferred to E&H

Dear Mr. Menon,

Perhaps you are aware that the Museums Association of India, which was established in the year 1944, has been doing good work to promote the museum movement in this country and also to put before the masses our cultural heritage through various publications. Recently we have promulgated a scheme of publishing a number of small popular booklets profusely illustrated, on various subjects on Indian art and culture. These publications we propose to issue without any profit and we want to make them as cheap as possible. I am enclosing herewith a brochure giving an idea of the scheme in which I hope you will be interested. Most of the Provincial Governments give us a grant-in-aid for our activities as we have no particular source of income to meet our demands. I shall be very grateful if you will kindly consider an annual grant-in-aid from the Government of Madras for the Association. All the major Provinces give us this amount.

Sent to E&H.

2. We used to get Rs. 100/- from the Pudukkottai State, but since that State is now merged with Madras, I hope you will be able to sanction a recurring grant of at least Rs. 300/- for this purpose, even if it is not possible to include this amount in your annual grant.

Yours sincerely,

N. P. Chakravarti

President, Museums Association of India.

I have the honour to state that before the pre-merger days, the Darbar of Pudukkottai State sanctioned a sum of Rs 100/- as annual recurring grant from the State to the Museums Association of India and the annual contributions were paid to the Association for the years 1944-45 and 46. The contribution for 1947-48 was refused by the last Diwan of the Pudukkottai State, on the ground that the State had merged with the Madras Province. In view of the very useful work done by the Association and in view of the fact that such grants-in-aid~~s~~ form the main stay of their resources I have the honour to recommend to Government that, the arrears of the grant of Rs 300/- for the years 1947, 1948 and 1949 may be sanctioned to be paid to the Association.

2. Since the Pudukkottai State has merged with the Madras Province this recurring grant of Rs 100/- that should be paid to the Association may in future be included in an annual grant-in-aid from the Government of Madras to the Association. Other Provinces are paying larger grants-in-aid, and therefore

P.T.O.

it is suggested that the Government may see their way to give an annual grant of Rs 300/- instead of continuing to pay only Rs 100/- which the Pudukkottai State was giving. It is a worthier cause than that of the Numismatic Society to which Government are now giving Rs 300/- per annum.

Grants — Grants-in-aid — Museums Association of India — Request for a grant to the Association.

Please see the letter from the Director General of Archaeology in India on page 1 c.7. and the remarks of the S. G. M. thereon on pages 7-8 c.7.

P. 1 c.7. 2. The Director General of Archaeology requests that the Govt. of Madras may sanction an annual grant ~~of~~ to the Museums Association of India towards its publication~~s~~ of booklets on Indian art and culture, as the publications are proposed to be issued without any profit and as they are intended to be made available to the public at as cheap a rate as possible. He states, that most of the provl. Govts. give the Association grants-in-aid for ~~the~~ its activities, ~~of~~ as the Association has no particular source of income to ~~the~~ meet ~~the~~ its demands. In the circumstances, the Director General requests for a grant-in-aid to the Association by this Govt. The Director General also brings to the notice of Govt. that the Pudukkottai state ~~has been~~ was

sanctioni

Sanctioning an annual grant of Rs. 100/- to the above Association ~~and~~ that the grant has been stopped with the merger of the State with this province and requests the payment to the Association of Rs. 300/- being the arrears of grants payable to the Association ~~of~~ for the years from 1947 to 1949. ~~for~~ P. 1 c.f.

His request is that a recurring grant of atleast Rs 300 a year may be given.
31-10-49

3. The S. G. M. recommends the request made by the Director General on behalf of the Museums Association and suggests ~~that~~ an annual grant of Rs. 300/- may be sanctioned to the Association, including the annual grant to be paid on behalf of the late Pudukkottai State. He states ~~that~~ the annual grant to the Museum Association may be sanctioned in view of ~~Considering~~ the useful work done by the Association and also in view of the fact that such grants-in-aid form the main stay of the resources of the Association. He also states that other Provinces are paying to the Association larger amounts of grants. The S. G. M. states in this ~~case~~ connection that the cause ~~cuse~~ of the Museums Association of India is worthier than that of the Numismatic Society of India to which this Govt. are now paying an annual grant of Rs. 300/- It is subd. that ~~this~~ Govt. ~~of Madr~~ have sanctioned an ~~annual~~ grant of Rs. 300/- to the Numismatic Society of India, Bombay, PP. 7-8 c.f.

for a period of five years, beginning from 1947-48, towards the publication of the Journal of the Society.

4. In the circumstances stated in the foregoing paragraphs, it is for consideration whether (1) the arrears of grants amounting to Rs. 300/- on behalf of the Pudukkottai State and (2) whether an annual grant of Rs. 300/- including the amount to be given on behalf of Pudukkottai may be sanctioned to the Museum Association of India from the current year.

In G.O. No. 3412 Edn. 8-11-49, Sanction has been accorded to the payment of a grant of Rs 500/- a year to the Indian Library Association, Delhi for a period of three years. The proposal was not treated as a Part II Scheme; orders were however taken in circulation. Finance may say whether the proposal relating to the payment of a recurring grant of Rs 300 a year to the Museums Association of India should be treated as a Part II scheme (as suggested in the note above) or whether it is sufficient ~~to~~ if orders are taken in circulation.

(Previous Finance note on pp.3-4 above).

With reference to the note of E. & P.H. on p. 4 above, it is submitted that the general principle is that proposals for schemes of new expenditure which are not covered by existing sanctions should be treated as Part II Schemes irrespective of the cost of the Scheme. Regarding ~~Schemes of~~ sanction of "Grants-in-aid-Recurring," for new Schemes ~~see~~ instructions are contained in para 52 of the Budget Manual.

See paras: 15 and 49 of the Budget Manual.

(J)

In the case disposed of in G.O.No.3412 Edn. dated 8-11-49 referred to by E. & P.H., this Department pointed out that the scheme did not satisfy the criteria laid down for Part II Schemes of 1950-51 and advised against the proposal. But, even though the scheme was not accepted in Finance, orders were obtained in circulation, including H.M. (Finance), following the procedure laid down for introduction in the course of the year of schemes of new expenditure not treated as 'New Services'. In the present case, arrears of contribution amounting to ~~of~~ Rs.300/- on account of Pudukotta is proposed to be paid in the current year and debited to the States Account. ~~but the continuance of the payment on an annual basis which will commence only~~ The proposal to sanction an annual grant of Rs. 300 from Provincial funds commencing from 1950-51 should appropriately be treated as a Part II Scheme for 1950-51, as suggested by this Department. H.M. Fin. may see.

In any case, this ~~may~~ be viewed as an increase in the annual contribution of Rs 100 hitherto paid by the Pudukkottai State, to be met from Provincial funds in future. May be treated as a Part II Scheme for 1950-51, even though the amt is small.

It seems sufficient if the grant is sanctioned for a period of 5 years in the first instance, as suggested by this dept on page 4 above, and on the analogy of the grant to the Indian Library Association, New Delhi, and the Numismatic Society of India, Bombay. The term "annual grant of Rs. 300" used in the notes on pp 4-5 above should not, it is noted, be taken to mean a grant in perpetuity.
