EXPLANATORY NOTE.

Item (i).

Managements of aided secondary schools were permitted to grant advance increments to teachers in those schools giving weightage for their past service if they could afford to do so and they were informed that the expenditure on this account would be taken into account for purposes of assessment of teaching grant. They were also ordered to adopt the enhanced rates of dearness allowance to teachers from 1-1-1948. The teaching grant payable consequently increased. The additional allotment required on this account is Rs. 14,99,500 and this sum is included in the supplementary estimate.

Item (ii).

(a) During the recent cyclone in the Andhra Desa, buildings of all grades of educational institutions were damaged particularly those belonging to elementary schools. As it was necessary to carry out the repairs to those buildings immediately, the Director of Public Instruction, was empowered to permit the managements concerned to carry out the repairs. The Government undertook to sanction grants towards half the cost of repairs to or reconstruction of the buildings subject to the limits already fixed for new constructions. The cost to the Government on this account can be estimated only after the repairs are carried out and the grant is claimed.

(b) In view of the need for constructing new buildings and for carrying out extensions and improvements to existing secondary schools under private managements to meet the departmental requirements, the Government are admitting to aid building schemes more liberally than before. Grants amounting to Rs. 3,91,850 were sanctioned during the current year for certain new schemes which had to be taken up urgently.

As the expenditure on these schemes is on a 'New Service' a token sum of Rs. 100 is included in the supplementary estimate. The balance required for part payment in the current year has been met from savings within the grant.

Item (iii). As in the case of Secondary schools under private management:

W/1/50

grants amounting to Rs. 91,350 were sanctioned in the current year for certain urgent schemes for the construction of buildings for secondary schools under local bodies. The amount required for part payment of grant for these schemes in the current year has been met from savings within the grant. As the expenditure is on a "New Service" a token sum of Rs. 100/- is included in the supplementary estimate.
