Sub: BASIC EDUCATION - Deputation of L.T. teachers for re-training in Basic Education in the Government Basic Training School, Pentapadu - Proposals.

pp27-28 c f (A)

70459

In their Order No.964 Education dated 4-4-1949, the Government approved the deputation of 35 graduate and 35 secondary grade teachers for re-training in Basic Education in the Government Basic Training School, Pentapadu. Since Basic trained graduate teachers are required for both the Inspectorate and the Basic Training Schools in the Telugu Districts, I recommend that during 1950-51, seventy graduate teachers may be deputed for re-training in Basic Education in the Government Basic Trng. School, Pentapadu in two batches of 35 each- first batch from about the 15th of June 1950 to the middle of November 1950 and the second batch from about the middle of November 1950 to the middle of April 1951. In each batch of 35, it is estimated that 25 will be from Government service and 10 from aided training schools. The admissions will, however, be regulated by the actual needs of the Training Schools to be converted. A stipend of Rs.25/- per mensem may be paid to each of the traines during the period of training. A grant to cover the entire salary and the dearness allowance to be paid to the teachers of aided training schools deputed by the managements may be given from provincial funds. The cost on account of deputation will be Rs.46,900/- for two batches of 35 trainees each as shown below:-

Dearness allowance for 10 teachers at Rs.24/- p.m.	1,200	5,450

Total expenditure for the II Batch .. 23,450.

Total cost of the scheme .. 46,900 (Rs.23,450 plus Rs.23,450)

2. During the current school year there are three sections in the Government Basic Training School, Pentapadu (1 Senior Basic grade, 1 Junior Basic grade and 1 re-training section). I propose that in the next year new admissions may be made only in the Senior Basic grade and that the Junior Basic grade (first year) may be kept in abeyance so that there may be only four sections in the school next year (2 Senior Basic grade, 1 Junior Basic grade - 2nd year and 1 re-training section). There will thus be one more section during 1950-51. Therefore, I consider that one more L.T. Assistant is necessary for the school. I request Government to sanction this post for a period of two years from July 1950. The cost on account of this will be:-

	Cost in 1950-51 - 8 months. Rs.	Ultimate. Rs.
1 L.T. in the scale of Rs.85-175 (average cost Rs.137/-)	680	1,644
Dearness allowance at Rs.24/- p.m.	192	384 @ Rs.32/-
Total	872 or 900	2,028 or 2,000

3. I am including the necessary provision in Part II of the Budget Estimate for 1950-51 on account of the above proposals and request Government to approve of the same.

C. No.1060 M/49 dated 13--9--1949.

Sir,

Sub: BASIC EDUCATION - Deputation of teachers for re-training in the Hindustani Talimi Sangh, Sevagram - Part II schemes for 1950-51.

71769

The Government have in their order No.Ms.964 Education dated 4-4-1949 approved the deputation during 1949-50 of 20 teachers in Government service for re-training in the methods of Basic Education at the Hindustani Talimi Sangh, Sevagram, Wardha. As the Secretary of the Sangh had stated that only 16 graduate teachers could be admitted this year (1949-50) for the course, action is being taken in this regard for the deputation of 16 teachers.

2. Since it is necessary to have more Basic trained graduates for employment in the Inspectorate and for staffing Basic Training Schools, I recommend that 10 District Educational Officers and 10 School Assistants may be deputed for re-training in the methods of Basic Education in the Hindustani Talimi Sangh, Sevagram. Besides the six months training course at Sevagram, the Secretary of the Sangh requires that the candidates deputed should undergo three months' preliminary training in a Basic Trng. School before deputation and one month's practice teaching after deputation. I consider that six weeks preliminary training before deputation and six weeks practice teaching on return from deputation would be sufficient. The deputation of 10 District Educational Officers to Sevagram is recommended as it is necessary that our District Edl. Officers get re-trained as quickly as possible to ensure effective inspection of the Basic Schools and in view of the policy of the Government to convert all schools into Basic Schools. The cost on account of the proposal will be:-

		Cost in 1950-51 August 1950 to Februry 1951. Rs.	Cost in 1951-52 March, April & May 1951. Rs.	
Tuition fees at Rs.450/- per trainee for 20 candidates	..	9,000	..	
Travelling allowance for 20 candidates at Rs.100/- each	..	2,000	..	
Clothing allowance at Rs.30/- each for 20 candidates	..	600	..	
Stipends to be paid - 6 weeks preliminary training and 6 weeks practice teaching:

10 School Assts. at Rs.25/- p.m.	"	375	375	
Pay and allowances of substitutes to be appointed in the place of D.E.Os. and teachers under deputation for 9 momths:

3. I am including the necessary provision under Part II of the Budget Estimate for 1950-51. I request the approval of Government for the above proposal.

Schemes relating to the spreading of basic education are treated as Post-war Devt. Schemes. The Govt of India have indicated that no grants may be available for Devt. schemes in 1950-51. It is therefore necessary to go slow even in regard to desirable schemes – vide Fin. Memo No 57293-A/Pwr-3 d/ 12.10.49. E&P.H. may therefore consider whether the number of teachers to be deputed for training or re-training during next year cannot be reduced substantially. (There may also be practical difficulty in finding ~~the~~ a large number of suitable persons for training.)

Please see the notes of Finance on pp.2-3 above. With reference to their notes at X on pp.2-3 above, it may be stated that the scheme of Basic education is being given as high a priority as possible by Govt.; special attention is being given to implementi the scheme throughout the province as early as possible. It has also been treated as a Post-war scheme for purposes of grant from the Centre. Finance suggest that the number of teachers to be deputed for re-training during next year, may be reduced so as to minimise the expenditure on that account appreciably. It may be noted that the D.P.I. has formulated a specific plan for the expansion of Basic education and is arranging for the training of teachers in accordance with the plan. It may not be possible to reduce the number of teachers to be deputed for ... of teachers to ing in Basic educatio deputed is being fixed, with reference to the ~~xxxxx~~ Periyanaickenpalayam seats available in the training institution at Wardha. In the circumstances the question of reducing the number of teachers to be deputed for retraining in Basic education need not be considered.

Schemes relating to the spreading of Basic education are treated as Post-War Devt. schemes. As the Govt. of India have stated that no Central grant will be available for Devt. schemes in 1950-51, it is necessary to reduce the expre. on such schemes. Though the present proposal may be in accordance with a plan previously worked out, there should be no insuperable objection to modifying it with refce. to the present emergency.
